A RESOLUTION

24-143

IN THE COUNCIL OF THE DISTRICT OF COLUMBIA

June 29, 2021

To declare the existence of an emergency with respect to the need to approve multiyear Contract
No. DCRL-2021-F-0061 with the Microsoft Corporation to provide a comprehensive
child-welfare-information system to the Child and Family Services Agency.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this
resolution may be cited as the "Contract No. DCRL-2021-F-0061 with Microsoft Corporation
Approval and Payment Authorization Emergency Declaration Resolution of 2021".

Sec. 2. (a) The Child and Family Services Agency ("Agency") proposes to enter into
multiyear Contract No. DCRL-2021-F-0061 with Microsoft Corporation to provide a
comprehensive child-welfare-information system ("CCWIS") to the Agency.

(b) The contract value for the term of this multiyear contract with the Microsoft
Corporation is $18,664,595.54. The term will be for 2 years from the date of award, with
$11,087,665.92 allocated to the first year and $7,576,929.62 allocated to the second year.

(c) Council approval is necessary because the term of the contract is for more than 1 year
and involves the expenditure of more than $1 million in a 12-month period.

(d) CCWIS will assist the Agency with complying with the federal mandates that regulate
foster care and adoption-data collection under 45 CFR § 1355.40 and the funding authority for
statewide or Tribal automated child-welfare-information systems under 45 CFR § 1355.52.

(e) This procurement is also a federally reimbursed project. The federal
government has agreed to reimburse the District for approximately 50% of the total cost of the
project.

Sec 3. The Council determines that the circumstances enumerated in section 2 constitute
emergency circumstances making it necessary that the Contract No. DCRL-2021-F-0061 with
the Microsoft Corporation Emergency Approval and Payment Authorization Emergency Act of
2021 be adopted after a single reading.

Sec. 4. This resolution shall take effect immediately.
