Dear Chairman Mendelson:

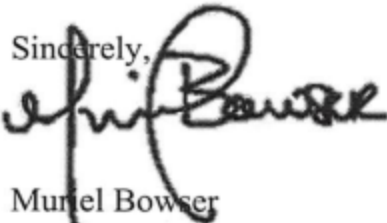

In accordance with section 2 of the Confirmation Act of 1978, effective March 3, 1979 (D.C. Law 2-142; D.C. Official Code § 1-523.01), and pursuant to section 203 of the District of Columbia Health Occupations Revision Act of 1985, effective March 25, 1986 (D.C. Law 6-99; D.C. Official Code § 3-1202.03), I am pleased to nominate the following person:

Dr. Karen George
Nebraska Avenue, NW
Washington, DC 20015
(Ward 4)

for appointment as a physician licensed to practice in the District member of the Board of Medicine, filling a vacant seat, for the remainder of an unexpired term to end August 3, 2022.

Enclosed you will find biographical information detailing the experience of the above-mentioned nominee, together with a proposed resolution to assist the Council during the confirmation process.

I would appreciate the Council's earliest consideration of this nomination for confirmation. Please do not hesitate to contact me, or Steven Walker, Director, Mayor's Office of Talent and Appointments, should the Council require additional information.

Sincerely,

Muriel Bowser

Chairman Phil Mendelson
at the request of the Mayor

A PROPOSED RESOLUTION

IN THE COUNCIL OF THE DISTRICT OF COLUMBIA

To confirm the appointment of Dr. Karen George to the Board of Medicine.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Board of Medicine Dr. Karen George Confirmation Resolution of 2021".

Sec. 2. The Council of the District of Columbia confirms the appointment of:

Dr. Karen George

ADVISORY AND SUPERVISORY RESPONSIBILITIES IN CLINICAL OR LABORATORY SETTING

- 2001 – 2016 Director, Residency Program in Obstetrics and Gynecology, Dartmouth-Hitchcock Medical Center
I assumed leadership of this residency program shortly after its inception. Major accomplishments include the development of a competency-based curriculum and assessment tools, education of the faculty and residents about the outcomes project and timeline, incorporation of milestones into the curriculum, and creation of a global medicine exchange program with Universidad Peruana Cayetano Heredia in Lima, Peru. I had ongoing responsibility for the training of 16 residents and faculty development on two campuses. I prepared for and executed 3 ACGME site visits. From 2001-16, we graduated 58 residents, 13 of whom secured competitive subspecialty fellowship positions.
- 2000 – 20001 Assistant Director, Residency Program in Obstetrics and Gynecology, Dartmouth-Hitchcock Medical Center
Prior to assuming directorship of the residency program, I served as assistant to Dr. Emily Baker, Director. My role during this time was to manage operations of the program including curriculum development, assessment of resident performance, and counseling to residents.
- 1993 – 1998 Medical Student Clerkship Co-Director, Department of Obstetrics and Gynecology, University of New Mexico School of Medicine. I met with students for 1-2 hours weekly and was a facilitator for Problem Based Learning sessions as part of the core curriculum for the clerkship. I developed an OSCE for student assessment of various skills on the rotation. I was also very active in the second-year curriculum including several lectures and small group sessions.

Karen George

Dr. Karen George is a Clinical Associate Professor at the George Washington University Department of Obstetrics and Gynecology, and a Staff Physician at George Washington University Hospital.

At George Washington University, Dr. George is the Director of Outpatient Safety, Quality Improvement and Clinical Operations in the Department of Obstetrics and Gynecology. She serves on the Peer Review Committee in Obstetrics and on the Patient Quality Improvement Committee at George Washington Hospital. At the local level, Dr. George the GW Hospital representative to the DC Perinatal Quality

Collaborative and serves on the Advisory Committee.

She serves nationally as the Chair of the Council on Resident Education in Obstetrics and Gynecology (CREOG) at the American College of Obstetrics and as an oral examiner for American Board of Obstetrics and Gynecology (ABOG). Her work through CREOG is focused on creating national curricular materials for residents in obstetrics and gynecology in patient safety and quality improvement, health equity, and improving diversity and inclusion in the specialty.

In addition to clinical work, Dr. George is a senior fellow for women's health policy at the Institute for Medicaid Innovation, a small nonprofit research firm in Washington, DC with focused interest on midwifery models and perinatal health worker support for the care for pregnant people enrolled in Medicaid.

A Ward 4 resident, Dr. George received a Bachelor of Science in Biology from Bates College, obtained her Masters of Public Health at the Dartmouth Institute for Public Health, and earned her medical degree from the Ohio State University School of Medicine.
