1	GENERAL
2	Section 2. Any previous act inconsistent with the provisions of this Act is hereby suspended to the extent of such
3	inconsistency.
4	Section 3. If any provision of this Act, or of any rule, regulation or order thereunder, or the application of such
5	provision to any person or circumstances, shall be invalid, the remainder of this Act and the application of such provisions of
6	this Act or of such rule, regulation or order to persons or circumstances other than those to which it is held invalid shall not be
7	affected thereby.
8	Section 4. The monies appropriated in Section 1 of this Act shall be paid by the State Treasurer from the General
9	Fund, except as otherwise referenced in Section 1.
10	Section 5. The provisions of this Act to the contrary notwithstanding, any section, chapter or title of the Delaware
11	Code and any Laws of Delaware providing for the application of "Sunset" shall be operative for those agencies, commissions
12	or boards effective during the current fiscal year.
13	Section 6. Due to the budget format, the restructuring of divisions into programs within divisions has created more
14	exempt positions per division than allowed by law for the participating departments; therefore, all exempt positions
15	authorized by 29 Del. C. § 5903, prior to July 1, 1987, shall remain exempt for this current fiscal year, except as otherwise
16	specified in this Act.
17	Section 7. (a) Notwithstanding the provisions of 29 Del. C. § 6334(c), for Fiscal Year 2020 2021, the proposed
18	budget plan, as prepared by the Director of the Office of Management and Budget, shall be in such a format that it can readily
19	be analyzed and comprehensive in nature.
20	(b) This Act has been prepared in conformance with 78 Del. Laws, c. 90. For all sections with the exception of
21	Section 1, all comparisons to the previous year's Budget Act are shown noting insertions by underlining and deletions by
22	strikethrough.
23	(c) Notwithstanding the provisions of 29 Del. C. § 6340(a), Section 1 of this Act summarizes salary and wage and
24	other employment costs into a single line entitled Personnel Costs.
25	(d) For Fiscal Year 2020 2021, the payroll recovery rate for the Workers' Compensation Program shall be 1.55
26	percent unless a separate memorandum of agreement exists.
27	(e) Notwithstanding 29 Del. C. c. 60A or any other provision of the Delaware Code or this Act to the contrary, the
28	employer contribution from state agencies and non-state entities to qualified participants of the Deferred Compensation

- Program shall be suspended beginning July 1, 2008. It is the intent of the General Assembly that this program be reinstated
- when funding becomes available.
- 3 (f) Section 1 of this Act provides funding for a state employee pension rate of $\frac{23.02}{22.95}$ percent. The components
- of the rate are 13.06 13.43 percent for pension liability, 9.33 9.16 percent for retiree health insurance costs, and 0.36 percent
- 5 for the Other Post-Employment Benefits fund and 0.27 percent for the Post Retirement Increase fund.
- 6 (g) Section 1 of this Act provides funding for a judicial pension rate of 23.73 21.36 percent.
- 7 (h) Section 1 of this Act provides funding for a New State Police pension rate of 25.36 29.04 percent.
- 8 (i) The abbreviations set forth in this Act for authorized positions or funding mean the following:

C. § 1311A or 19 Del. C. c. 16. The 18 19 effective dates of agreements pursuant to 19 Del. C. § 1311A or 19 Del. C. c. 16 shall occur simultaneously with the fiscal year following final agreement between the State of Delaware and ratification of that agreement by the respective certified 20 bargaining unit, provided funds are appropriated in Section 1 of this Act for said agreements. All pay changes, in future 21 22 agreements, shall become effective on the first day of a full pay cycle. Section 1 of this Act makes no appropriation, and no subsequent appropriation shall be made during the fiscal year, for any compensation items as defined in 19 Del. C. § 1311A 23 reached as a result of negotiations, mediation or interest arbitration. Should a bargaining agreement not be finalized by 24
- 25 December 1 or May 1 of each fiscal year, employees represented by the bargaining unit negotiating said agreement shall receive
- 26 compensation pursuant to the provisions of this section until such time as an agreement takes effect. A final bargaining
- 27 agreement shall be defined as an agreement between the State of Delaware and a certified bargaining unit, which is not

- 1 retroactive and in which the agreement's completion is achieved through ratification by the respective bargaining unit,
- 2 mediation or binding interest arbitration.

- 3 (1) Effective the first day of the first full pay period of the fiscal year, the following pay plans are established

- (a) The salary of employees shall be comparable to salaries and wage rates paid from funds appropriated by the State to employees with similar training and experience who serve in similar positions in the Merit System. In the event that there are no similar positions in the Merit System, the Secretary of the Department of Human Resources shall establish an exempt position classification only for the purpose of assigning a salary or wage rate to said position. On or before August 15, the Secretary of the Department of Human Resources shall publish a list of exempt positions and the comparable Merit System class and/or pay grade for each position. In addition, such listing shall show the name of the incumbent, if the position is filled, and shall show the statutory citation that authorizes the establishment of the exempt position(s). The Secretary of the Department of Human Resources shall provide copies of such listing to members of the Joint Finance Committee, the Director of the Office of Management and Budget and the Controller General. No exempt employee shall be hired until an approved comparability has been assigned to the position. No reclassification/regrading change in pay grade comparability of a filled or vacant exempt position, or change of a Merit System position to an exempt position otherwise permitted under Delaware Law shall become effective unless approved by the Secretary of the Department of Human Resources, the Director of the Office of Management and Budget and the Controller General. In order to permit the development of the comparability list, state agencies shall provide to the Secretary of the Department of Human Resources job descriptions of all exempt positions and position classification questionnaires describing the duties and responsibilities of each of the positions. The certification of comparability by the Secretary of the Department of Human Resources shall not be withheld unreasonably. Those positions assigned on a list of comparability that are assigned a comparable class and/or pay grade in the Merit System shall be paid in accordance with Sections 8(b) and (c) of this Act and Merit System Rules 4.4.3, 4.5, 4.6, 4.12 and 4.13.6; no other salary increases shall be given to such employees unless specifically authorized in this Act.
 - (b) The salary of employees whose salary is below the minimum salary of the assigned pay grade of the pay plan shall be raised to the minimum salary.
 - (c) Notwithstanding any other provision of the Delaware Law or this Act to the contrary, civilian employees of the Delaware National Guard shall be compensated at a salary and wage rate established by the Federal Civil Service Commission.

General. Any agency seeking exemption from this requirement must submit a request to the Chief Information Officer clearly
stating the reasons why migrating to an alternative platform is necessary.
Section 74. (a) The Department of Technology and Information (11-00-00) shall receive a lump sum amount which
shall be the product of the general salary increase in Section 8 of this Act and Personnel Costs lines less non-salary driven
Other Employment Cost components. Overtime and casual/seasonal components of the Personnel Costs line shall not be part

awarded amounts be given retroactively.
(b) Structural adjustments to the ranges of the Department of Technology and Information pay scale will mirror

OTHER ELECTIVE

Section 77. For the purpose of the audits contracted by the Auditor of Accounts, agencies will be responsible for the
cost of the audit written into the signed contract, if the agency was consulted and agreed to the costs prior to the contract
being signed. Any overages billed by the contracted audit will be the responsibility of the Auditor of Accounts office unless

Section 79. The Office of the State Treasurer shall develop a rate for the purpose of recovering costs associated with
the State's acceptance of funds through the use of credit, debit and purchasing cards. Cost recoverable activities shall include
online transactions as well as traditional card transactions. The initial rate and periodic necessary adjustments to the rate shall
be approved by the Office of Management and Budget. The Office of the State Treasurer may initiate an automated revenue
reduction process, equal to the approved rate, for all cash receipts received by the aforementioned methods. The Office of the
State Treasurer shall provide the agency with a statement of total revenue or payment, less transaction costs and net revenue.
In lieu of an automated revenue reduction process, the Office of the State Treasurer may invoice a state agency for necessary

25	year.
26	Section 85. Section 1 of this Act includes Personnel Costs in Consumer Protection and 3.0 ASF FTEs in Legal,

8	(a) The Commit	tee shall suggest efficiencies, improvements and cost savings to the criminal justice system. The
9	Chair and Co-Chair of th	e Joint Finance Committee shall appoint a Committee Chair. The Committee shall also include the
10	following membership:	
11	a. <u>i.</u>	The Attorney General or designee;
12	b. <u>ii.</u>	The Chief Defender or designee;
13	e. <u>iii.</u>	The Commissioner of Correction or designee;

7	Delaware Justice Reinvestment Oversight Group and the Supreme Court's Access to Justice Commission. In recognition that
8	many important criminal justice issues fall within overlapping jurisdictions of various commissions, task forces and other
9	bodies overseeing criminal justice areas, and that this overlap creates a strain on scarce staff resources, risks inefficiency and
10	potential inconsistency in policies, the Committee shall also recommend steps to reduce the number of bodies dealing with
11	common criminal justice issues, so that fewer and more effective bodies develop and help implement criminal justice
12	policies.

25	Chief of the Office of Conflicts Counsel, Assistant Public Defender V/Chief Conflicts Counsel (BP# 85743), may decide
26	upon, but are not limited to, the following options: implementing new contract rates, including setting regional or market-

grievance shall be tolled pending the completion of mediation. If an employee has filed a formal grievance, subsequent
mutual consent to mediation will cause the grievance to be held in abeyance pending completion of mediation and the
timelines that would otherwise have applied to the grievance shall likewise be tolled pending completion of mediation. Upon
completion of mediation, an employee may continue to grieve and the normal timelines provided for grievances shall then
apply. The Mediation Program is not intended to limit other dispute resolution procedures available to an agency or an

Initiatives shall include, but

1 not be limited to, tiered reimbursement and onsite support and assessment of providers in the Stars program, professional

Section 313. Notwithstanding the provisions of the Department of Education's Administrative Code, Delaware non-public school (private and home school) students shall not be subject to a tuition-based driver education program for the program's initial offering at rates approved by the Co-Chairs of the Joint Finance Committee. The fee for the current fiscal year shall be zero.

Section 314. (a) The Public School Transportation Committee, consisting of representatives from the Department of Education, the Office of the Controller General, the Office of Management and Budget and representatives for bus contractors and school district transportation supervisors shall make recommendations to the Director of the Office of Management and Budget and the Controller General for revisions to components of the transportation formula no later than April 1 of each fiscal year.

- (b) Public School Transportation funds are allocated in the amount of \$112,969.7 \$124,235.1 in accordance with the transportation formula, as adopted by the State Board of Education on July 23, 1987, subject to the following amendments and procedural modifications:
 - (1) The per gallon price used to calculate the fuel allowance shall be based on the state contract bid price for fuel plus \$0.07 per gallon for districts and plus \$0.31 per gallon for contractors. For districts and contractors north of the Chesapeake and Delaware Canal, the per gallon price shall be based on delivery to a large-sized tank (5,000 or more gallons). In the case of contractors located south of the Chesapeake and Delaware Canal, the per gallon price shall be based on delivery to a small-sized tank (275 1,900 gallons). Upon determination by the Department of Education that a contractor located north of the Chesapeake and Delaware Canal and operating five or fewer buses does not have existing storage capacity in the large tank range, the per gallon price shall be based on the smaller tank size.

The initial fuel rates shall be based on the state contract bid price as of June 1 of the preceding fiscal year. Funding adjustment will be made when the annual average price increases or decreases by at least \$0.05 per gallon. The first review will be based on the annual averages through December 31 of each year and additional reviews will be conducted each month thereafter until April 30. Timing and frequency of fuel adjustments shall be determined by the Department of Education, in collaboration with the Public School Transportation Committee. Reviews may also be conducted at any time upon the request of the Director of the Office of Management and Budget and the Controller General. Propane school buses will receive the same fuel allowances and be subject to the same adjustment as diesel school buses;

- (2) For the current fiscal year, the operating allowance shall provide a two percent pay increase for bus drivers commensurate with the general salary increase enumerated in Section 8, which shall be passed directly to district employed bus drivers as an increase in total compensation. For district operated pupil transportation services, bus driver and driver aide salaries shall receive an increase commensurate with the general salary increase enumerated in Section 8 of this Act in years in which one is provided;
- (3) For the current fiscal year, the allowable cost of a new unused bus that was purchased by a contractor and put on contract and that was produced between January 1, 2019 2020 and December 31, 2019 2020 (as noted on the school bus identification plate) shall begin its seven-year capital allowance schedule using the 2018 2019 state bid price for new school buses, minus 2 percent for salvage value, plus 11 percent to account for dealer charges and profits not reflected in the state bid price due to the higher number of buses being purchased and the lag time between ordering and delivery. Any bus produced on or after January 1, 2019 2020 must meet the current federal emissions requirements in order to receive a capital allowance. Any bus produced and placed in service after January 1, 2019 2020 shall be entitled to an allowance based on the 2019 2020 state bid price.

A used bus placed in service shall utilize the allowance schedule which would have been allowed had the bus been placed in service when new based on its production date. The bus shall receive the remaining years of capital allowance. The Department of Education shall continue to utilize the procedures developed in Fiscal Year 1989 for determining the allowable cost for any size bus that it did not bid in Fiscal Year 2019 2020. In addition to the procedure for establishing the allowable cost of a new bus specified above, the Department of Education is requested to structure its bids for buses in Fiscal Year

2020 2021 in such a manner that public school bus contractors will be permitted to purchase buses from the successful lower bidder at the same price as the State of Delaware. If a contractor elects to purchase a bus at the bid price, the lowest base bid of an awarded contract minus 2 percent for salvage value will be the allowable cost in subsequent reimbursements to the contractor; (4) For the current fiscal year, the school bus contractor insurance allowance shall remain the same; and

- (d) The Department of Education shall calculate the formula amounts for each district as provided herein but shall only provide 90 percent of such calculation to each school district. These factors include, but are not limited to, environmental compliance requirements for school bus maintenance, maintenance costs of advanced technology on school buses and school bus driver training requirements.
