SUMMARY ANALYSIS

Continuing Florida’s commitment to safe and fair middle and high school athletics, the bill requires that the FHSAA adopt bylaws prohibiting a student who has been sentenced as an adult for a homicide, sexual battery, or lewd or lascivious offense from participating in high school athletic competition at its member schools. The prohibition must apply to a student regardless of the disposition of his or her case, including adjudication of guilt, withholding of adjudication, or sentencing as a youthful offender.

The bill has an indeterminate but significant negative fiscal impact. See Fiscal Comments, *infra*.

The bill has an effective date of July 1, 2024.

FULL ANALYSIS

I. SUBSTANTIVE ANALYSIS

A. EFFECT OF PROPOSED CHANGES:

Present Situation

Florida High School Athletic Association

The Florida High School Athletic Association (FHSAA) is statutorily designated as the governing nonprofit organization for interscholastic athletics for grades 6 through 12 in Florida public schools.¹ Any high school, middle school, or combination school,² including charter schools, virtual schools, private schools, and home education cooperatives,³ may become a member of the FHSAA.⁴ However, membership in the FHSAA is not mandatory and the FHSAA must allow private schools the option of maintaining full membership or membership by sport.⁵ The FHSAA may not deny or discourage a private school from simultaneously maintaining membership in another athletic association.⁶ The FHSAA is prohibited from denying or discouraging interscholastic competition between its member schools and non-FHSAA member schools in Florida and may not take discriminatory or retributory action against a member school that engages in interscholastic competition with non-FHSAA member schools.⁷

The FHSAA is required to adopt bylaws regulating student eligibility, recruiting, and member schools' interscholastic competition in accordance with applicable law.⁸ If the FHSAA fails to meet its obligations and responsibilities, the Commissioner of Education (commissioner) is directed to designate a nonprofit organization to manage interscholastic athletics with the approval of the State Board of Education (SBE).⁹

Student Extracurricular Activities and Athletics

Florida law outlines numerous standards and requirements relating to student extracurricular activities and athletics.¹⁰ Current law provides that "eligible to participate," for purposes of extracurricular activities and athletics, includes a student participating in tryouts, off-season conditioning, summer workouts, preseason conditioning, in-season practice, or contests.¹¹ Additionally, a student must satisfy the following requirements to be deemed eligible to participate:¹²

- Maintain a grade point average of 2.0 or above on a 4.0 scale, or its equivalent, in the previous semester or a cumulative grade point average of 2.0 or above on a 4.0 scale, or its equivalent, in the courses required for a standard high school diploma.
- Execute and fulfill the requirements of an academic performance contract between the student, the district school board, the appropriate governing association, and the student's parents, if the

² A "combination school" is any school that provides instruction to students in high school and the middle school grades; elementary, middle or high school grades combined; or elementary and middle grades combined (e.g. K-12; K-8; 6-12; or 7-12). Bylaw 3.2.2.3, FHSAA.

³ A "home education cooperative" is a parent-directed group of individual home education students that provides opportunities for interscholastic athletic competition to those students and may include students in grades 6-12. Bylaw 3.2.2.4, FHSAA.

student's cumulative grade point average falls below 2.0, or its equivalent, on a 4.0 scale in the courses required for a standard high school diploma.¹³

- Have a cumulative grade point average of 2.0 or above on a 4.0 scale, or its equivalent, in the courses required for a standard high school diploma during their junior or senior year.
- Maintain satisfactory conduct, including adherence to appropriate dress and other codes of student conduct.

Continued participation in extracurricular activities by a student convicted of a felony or a delinquent act that would be a felony if committed by an adult, regardless of whether adjudication is withheld, shall be governed by published school district policies.¹⁴

Any student who is exempt from attending a full school day based on rules adopted by the district school board must maintain the grade point average required of full school day students and pass each class for which he or she is enrolled.¹⁵

Any entity that governs interscholastic extracurricular activities of public schools is prohibited from discriminating against any eligible student based on their education choice of public, private, or home education.¹⁶ No public school may join an organization that regulates interscholastic activities and discriminates against otherwise eligible students in public, private, or home education.¹⁷

Prosecution of a Minor as an Adult

The juvenile delinquency system focuses on treating and rehabilitating children who violate criminal laws. Children in the delinquency system may complete a civil citation or diversion program,¹⁸ probationary sentence, or be committed to one of the Department of Juvenile Justice's (DJJ) commitment programs.¹⁹ The juvenile process is less harsh than the adult court process, for example:

- A judge decides the facts in a juvenile adjudicatory hearing rather than a jury;²⁰
- Juveniles are not subject to monetary bail;²¹ and
- Probation may only last until age 19, and commitment until age 21.²²

Subject to limited exceptions, a juvenile record is automatically expunged at either age 21 or 26, obliterating the record and allowing the subject of the record to lawfully deny it in most circumstances.²³ Expunction of an adult criminal record, on the other hand, has much more stringent requirements.²⁴

A child may be transferred to adult court through one of three ways:

- Judicial waiver, in which the court transfers the child upon the state's motion after holding a waiver hearing;²⁵
- Direct file, in which the state attorney files an information to transfer the child;²⁶ or
- Indictment, in which the grand jury charges the child by indictment for a capital offense or offense punishable by life in prison.²⁷

¹³ Any such academic performance contract must, at a minimum, require that the student attend summer school between grades 9 and 10 or grades 10 and 11, as appropriate. Section 1006.15(3)(a)2., F.S.

¹⁴ Section 1006.15(3)(a)4., F.S.

¹⁵ Section 1006.15(3)(b), F.S. Examples of such programs include double session schools or programs, experimental schools, or schools operating under emergency conditions.

¹⁶ Section 1006.15(5), F.S.

¹⁷ Section 1006.15(6), F.S.

¹⁸ Sections 985.12, 985.125, 985.15, 985.155, and 985.16, F.S.

¹⁹ Section 985.433, F.S.

²⁰ Section 985.35, F.S.

²¹ Section 985.245, F.S.

²² Section 985.0301, F.S.

²³ Section 943.0515, F.S.

²⁴ Section 943.0585, F.S.

²⁵ Section 985.556, F.S.

²⁶ Section 985.557, F.S.

²⁷ Section 985.56, F.S.

The only transfer method receiving judicial review is judicial waiver. A court must conduct a hearing on a motion for waiver and consider:

- The seriousness of the offense.
- Whether the community is best served by transferring the child to adult court.
- Whether the offense was against persons or property.
- The probable cause as found in the report, affidavit, or complaint.
- Whether the child’s associates are adults or children who are to be tried as adults.
- The sophistication and maturity of the child.
- The child’s criminal and other history.
- The protection of the community and likelihood of rehabilitation if the child remains in juvenile court.²⁸

Judicial waiver and direct file transfer methods include the following discretionary criteria for transfer:

Transfer Method	Discretionary
Judicial Waiver	Child was 14 or older when he or she committed a crime.
Direct File	Child was 14 or 15 when he or she committed an enumerated offense. ²⁹
	Child was 16 or 17 when he or she committed: <ul style="list-style-type: none"> • A felony offense; or • A misdemeanor, if the child has two prior adjudications or withheld adjudications, one of which is a felony.

A child transferred to adult court is treated like an adult in most ways. With the exception of the death penalty and a life sentence without the possibility of parole,³⁰ a child faces the same exposure to penalty as an adult. A court may, however, sentence a child prosecuted as an adult to juvenile sanctions.³¹ The adult court procedural rules apply, including trial by jury.

In 2019, the Legislature repealed all statutes related to mandatory direct file against juveniles.³²

Effect of Proposed Changes

The bill requires that the FHSA adopt bylaws prohibiting a student who has been sentenced as an adult for a homicide, sexual battery, or lewd or lascivious offense from participating in high school athletic competition at its member schools. The prohibition must apply to a student regardless of the disposition of his or her case, including adjudication of guilt, withholding of adjudication, or sentencing as a youthful offender.

D. FISCAL COMMENTS:

The bill has an indeterminate but significant negative fiscal impact. In order to verify athlete eligibility a background screening would need to be conducted. Either the FHSAA member institutions or the families of the student athletes would bear the cost of these background screenings. A general state and federal background check would cost \$37.25.³³ The FHSAA reports serving over 800,000 student athletes annually.³⁴
