**SUMMARY ANALYSIS**

The Florida Department of Business and Professional Regulation (DBPR) regulates and licenses businesses and professionals in Florida under the Divisions of Professions, Regulation, Real Estate, and Certified Public Accounting.

For each professional licensed, DBPR charges an initial license fee and license renewal fee set by statute and the applicable board, or by DBPR if there is no board for the profession. DBPR also imposes a \$5 unlicensed activity fee on each occupational license, in order to fund efforts to combat unlicensed activity. Certain professions also require background checks, which requires a separate fee to an outside contractor.

The bill requires DBPR to waive, for the 2023-2024 and 2024-2025 fiscal years:

- 50 percent of the initial licensing fee for an applicant applying for an initial license, with such waiver limited to a maximum of \$200 per year per license.
- 50 percent of a licensee's license renewal fee, with such waiver limited to a maximum of \$200 per year per license.

Such fee waivers may not include any applicable unlicensed activity or background check fees. This waiver expires July 1, 2025.

The bill provides an appropriation to implement for such waiver in the sum of \$50 million in nonrecurring funds from the General Revenue Fund to DBPR to be deposited into the Professional Regulation Trust Fund for the 2023-2024 fiscal year. Any unexpended balance of funds from this appropriation remaining on June 30, 2024, shall revert and is appropriated to DBPR for the 2024-2025 fiscal year for the same purpose.

The appropriation provided in the bill will offset the loss of revenue to implement the specified reduction in licenses. See Fiscal Comments.

The bill provides an effective date of July 1, 2023.
