SPONSOR(S): Appropriations Committee, Trumbull

FINAL HOUSE FLOOR ACTION: 105 Y's 3 N's **GOVERNOR'S ACTION:** Approved

SUMMARY ANALYSIS

HB 5003 passed the House on March 14, 2022, as amended by the conference committee, and subsequently passed the Senate on March 14, 2022.

The bill provides the statutory authority necessary to implement and execute the General Appropriations Act (GAA) for Fiscal Year 2022-2023. The statutory changes are effective for only one year and either expire on July 1, 2023, or revert to the language as it existed before the changes made by the bill.

Because this bill implements provisions of the General Appropriations Act for Fiscal Year 2022-2023, there are no direct fiscal impacts created by this bill.

The bill was approved by the Governor on June 2, 2022, ch. 2022-157, L.O.F., and will become effective on July 1, 2022, except as otherwise provided.

I. SUBSTANTIVE INFORMATION

A. EFFECT OF CHANGES:

Background

Section 12 of Article III of the Florida Constitution states that “[l]aws making appropriations for salaries of public officers and other current expenses of the state shall contain provisions on no other subject.” This language has been interpreted to defeat proviso language attached to appropriations that have the effect of amending general law. For this reason, when general law changes are required to effectuate appropriations, those changes are placed in a general bill implementing the appropriations act instead of in the General Appropriations Act (GAA). The changes made in the “implementing bill” are effective for only one year and either expire on July 1 of the next fiscal year or revert to the language as it existed before the changes made by the bill.

Effect of the Bill

Section 1 provides legislative intent that the implementing and administering provisions of this act apply to the GAA for Fiscal Year 2022-2023.

Section 2 incorporates the Florida Education Finance Program (FEFP) work papers by reference for the purpose of displaying the calculations used by the Legislature.

Section 3 provides that funds appropriated for instructional materials shall be released and expended as required in the GAA.

Section 15 authorizes AHCA to submit a budget amendment to realign funding within the Medicaid program appropriation categories to address any projected surpluses and deficits and maximize the use of state trust funds. A single budget amendment must be submitted in the last quarter of the 2022-2023 fiscal year only.

Section 16 authorizes AHCA and DOH to each submit a budget amendment to realign funding within the Florida KidCare program appropriation categories, or to increase budget authority in the Children's Medical Services Network category, to address projected surpluses and deficits within the program or to maximize the use of state trust funds. A single budget amendment must be submitted by each agency in the last quarter of the 2022-2023 fiscal year only.

Section 18 reenacts and amends s. 14(1) of chapter 2017-232, L.O.F., to provide limited emergency rulemaking authority to the DOH and applicable boards to adopt emergency rules to implement the Medical Use of Marijuana Act. Section 27 requires ACHA, in consultation with DOH, APD, DCF, DOC, to competitively procure a contract with a vendor to negotiate prices for prescription drugs, including insulin and epinephrine, for all participating agencies. The contract must require the vendor be compensated on a contingency basis paid from a portion of the savings achieved through the negotiation and purchase of prescription drugs.

Section 28 provides that the unexpended balance of funds provided to DCF for the Family Support Services of Suncoast Community Based Care lead agency must be carried forward and made available to the lead agency for the same purpose.

Section 34 requires the Department of Juvenile Justice (DJJ) to ensure that counties are fulfilling their financial responsibilities required in s. 985.6865, F.S., and to report any deficiencies to the Department of Revenue. If DJJ determines that a county has not met its obligations, it must direct the Department of Revenue to deduct the amount owed to DJJ from shared revenue funds provided to the county under s. 218.23, F.S. to be deposited into the Shared County/State Juvenile Detention Trust Fund in DJJ. The section also includes procedures to provide assurance to holders of bonds for which shared revenue fund distributions are pledged.

Sections 35 reenacts s. 27.40, F.S., relating to criminal case conflicts to require written certification of conflict by a public defender. If the office of criminal conflict and civil regional counsel cannot accept a case from the public defender due to conflict, the office of civil regional counsel is required to specifically identify and describe the conflict of interest and certify the conflict to the court before a court-appointed counsel may be assigned. Each public defender and regional counsel must report, in the aggregate, the basis of all conflicts of interest certified to the court on a quarterly basis.

In addition, contracts with appointed counsel and forms used in billing by court-appointed counsel are required to be consistent with ss. 27.5304 and 216.311, F.S. A contract with court-appointed counsel must specify that payment is contingent upon an appropriation by the Legislature. The flat fee established in s. 27.5304, F.S., is required to be presumed to be sufficient compensation.

The Justice Administrative Commission (JAC) also is required to review appointed counsel billings, and objections by the JAC are required to be presumed correct unless a court determines, in writing, that competent and substantial evidence exists to justify overcoming the presumption. If an attorney does

not permit the JAC or the Auditor General to review billing documentation, the attorney waives the claim for attorney fees. A finding by the JAC that the appointed counsel waived the right to seek compensation above the flat fee is required to be presumed correct, unless a court determines, in written findings, that competent and substantial evidence exists to overcome the presumption.

The Legislature is authorized to establish the actual amounts paid to attorneys in these categories in the GAA for Fiscal Year 2022-2023.

In addition, court-appointed counsel may be compensated only in compliance with ss. 27.40(1), (2)(a), (7) and 27.5304, F.S., and the GAA. The JAC is required to review all billings and must contemporaneously document its review before authorizing payment to an attorney. Objections by the JAC to billings by an attorney are required to be presumed correct by a court unless the court determines, in writing, that competent and substantial evidence supports overcoming the presumption. Motions to exceed the flat fee are required to be served on the JAC at least 20 business days before the hearing date, and the JAC may appear at the hearing in person or telephonically.

Section 38 provides that the amendments to s. 27.5304, F.S., expire July 1, 2023.
