1003.457 Automated external defibrillators on school grounds.—

- (1) (a) No later than July 1, 2026, each public school, including charter schools, must have at least one operational automated external defibrillator on school grounds. The defibrillator must be available in a clearly marked and publicized location. Schools must maintain the defibrillator according to the manufacturer's recommendations and maintain all verification records for such defibrillator.
- (b) The location of each defibrillator must be registered with a local emergency medical services medical director.
- (c) The use of defibrillators by school employees and volunteers is covered under ss. 768.13 and 768.1325.
- (2) Annually, beginning June 30, 2027, each school district and charter school must report to the Commissioner of Education the number of instances a defibrillator was used on school grounds and the survival rate of individuals experiencing cardiac arrest.
- (3) Compliance with the requirements of s. 1006.165 does not constitute compliance with this section.
- (4) Subject to an appropriation, the department may reimburse each school district and charter school up to 50 percent of the total automated external defibrillator purchase price.
 - (5) The State Board of Education shall adopt rules to
