

HB 7081

2012

1 A bill to be entitled  
2 An act relating to growth management; amending s.  
3 163.3167, F.S.; authorizing a local government to  
4 retain certain charter provisions that were in effect  
5 as of a specified date and that relate to an  
6 initiative or referendum process; amending s.  
7 163.3174, F.S.; requiring a local land planning agency  
8 to periodically evaluate and appraise a comprehensive  
9 plan; amending s. 163.3177, F.S.; revising the housing  
10 and intergovernmental coordination elements of  
11 comprehensive plans; amending s. 163.31777, F.S.;  
12 exempting certain municipalities from public schools  
13 interlocal-agreement requirements; providing  
14 requirements for municipalities meeting the exemption  
15 criteria; amending s. 163.3178, F.S.; replacing a  
16 reference to the Department of Community Affairs with  
17 the state land planning agency; deleting provisions  
18 relating to the Coastal Resources Interagency  
19 Management Committee; amending s. 163.3180, F.S.,  
20 relating to concurrency; revising and providing  
21 requirements relating to public facilities and  
22 services, public education facilities, and local  
23 school concurrency system requirements; deleting  
24 provisions excluding a municipality that is not a  
25 signatory to a certain interlocal agreement from  
26 participating in a school concurrency system; amending  
27 s. 163.3184, F.S.; revising provisions relating to the  
28 expedited state review process for adoption of

HB 7081

2012

29 comprehensive plan amendments; clarifying the time in  
30 which a local government must transmit an amendment to  
31 a comprehensive plan and supporting data and analyses  
32 to the reviewing agencies; revising the deadlines in  
33 administrative challenges to comprehensive plans and  
34 plan amendments for the entry of final orders and  
35 referrals of recommended orders; specifying a deadline  
36 for the state land planning agency to issue a notice  
37 of intent after receiving a complete comprehensive  
38 plan or plan amendment adopted pursuant to a  
39 compliance agreement; amending s. 163.3191, F.S.;  
40 conforming a cross-reference to changes made by the  
41 act; amending s. 163.3245, F.S.; deleting an obsolete  
42 cross-reference; deleting a reporting requirement  
43 relating to optional sector plans; amending s.  
44 186.002, F.S.; deleting a requirement for the Governor  
45 to consider certain evaluation and appraisal reports  
46 in preparing certain plans and amendments; amending s.  
47 186.007, F.S.; deleting a requirement for the Governor  
48 to consider certain evaluation and appraisal reports  
49 when reviewing the state comprehensive plan; amending  
50 s. 186.508, F.S.; requiring regional planning councils  
51 to coordinate implementation of the strategic regional  
52 policy plans with the evaluation and appraisal  
53 process; amending s. 189.415, F.S.; requiring an  
54 independent special district to update its public  
55 facilities report every 7 years and at least 12 months  
56 before the submission date of the evaluation and

Page 2 of 61

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

hb7081-00

HB 7081

2012

57 appraisal notification letter; requiring the  
58 Department of Economic Opportunity to post a schedule  
59 of the due dates for public facilities reports and  
60 updates that independent special districts must  
61 provide to local governments; amending s. 288.975,  
62 F.S.; deleting a provision exempting local government  
63 plan amendments necessary to initially adopt the  
64 military base reuse plan from a limitation on the  
65 frequency of plan amendments; amending s. 380.06,  
66 F.S.; correcting cross-references; amending s.  
67 380.115, F.S.; subjecting certain developments exempt  
68 from or no longer required to undergo development-of-  
69 regional-impact review to certain procedures; amending  
70 s. 1013.33, F.S.; deleting redundant requirements for  
71 interlocal agreements relating to public education  
72 facilities; revising cross-references to conform to  
73 changes made by the act; amending s. 1013.35, F.S.;  
74 revising a cross-reference to conform to changes made  
75 by the act; amending s. 1013.351, F.S.; deleting  
76 redundant requirements for the submission of certain  
77 interlocal agreements with the Office of Educational  
78 Facilities and the state land planning agency and for  
79 review of the interlocal agreement by the office and  
80 the agency; amending s. 1013.36, F.S.; deleting an  
81 obsolete cross-reference; providing an effective date.

82  
83 Be It Enacted by the Legislature of the State of Florida:  
84

HB 7081

2012

85 Section 1. Subsection (8) of section 163.3167, Florida  
 86 Statutes, is amended to read:

87 163.3167 Scope of act.—

88 (8) An initiative or referendum process in regard to any  
 89 development order or in regard to any local comprehensive plan  
 90 amendment or map amendment is prohibited. However, any local  
 91 government charter provision that was in effect as of June 1,  
 92 2011, for an initiative or referendum process in regard to  
 93 development orders or in regard to local comprehensive plan  
 94 amendments or map amendments may be retained and implemented.

95 Section 2. Paragraph (b) of subsection (4) of section  
 96 163.3174, Florida Statutes, is amended to read:

97 163.3174 Local planning agency.—

98 (4) The local planning agency shall have the general  
 99 responsibility for the conduct of the comprehensive planning  
 100 program. Specifically, the local planning agency shall:

101 (b) Monitor and oversee the effectiveness and status of  
 102 the comprehensive plan and recommend to the governing body such  
 103 changes in the comprehensive plan as may from time to time be  
 104 required, including the periodic evaluation and appraisal of the  
 105 comprehensive plan ~~preparation of the periodic reports~~ required  
 106 by s. 163.3191.

107 Section 3. Paragraphs (f) and (h) of subsection (6) of  
 108 section 163.3177, Florida Statutes, are amended to read:

109 163.3177 Required and optional elements of comprehensive  
 110 plan; studies and surveys.—

111 (6) In addition to the requirements of subsections (1)-  
 112 (5), the comprehensive plan shall include the following

113 elements:

114 (f)1. A housing element consisting of principles,  
115 guidelines, standards, and strategies to be followed in:

116 a. The provision of housing for all current and  
117 anticipated future residents of the jurisdiction.

118 b. The elimination of substandard dwelling conditions.

119 c. The structural and aesthetic improvement of existing  
120 housing.

121 d. The provision of adequate sites for future housing,  
122 including affordable workforce housing as defined in s.  
123 380.0651(3)(h), housing for low-income, very low-income, and  
124 moderate-income families, mobile homes, and group home  
125 facilities and foster care facilities, with supporting  
126 infrastructure and public facilities. The element may include  
127 provisions that specifically address affordable housing for  
128 persons 60 years of age or older. Real property that is conveyed  
129 to a local government for affordable housing under this sub-  
130 subparagraph shall be disposed of by the local government  
131 pursuant to s. 125.379 or s. 166.0451.

132 e. Provision for relocation housing and identification of  
133 historically significant and other housing for purposes of  
134 conservation, rehabilitation, or replacement.

135 f. The formulation of housing implementation programs.

136 g. The creation or preservation of affordable housing to  
137 minimize the need for additional local services and avoid the  
138 concentration of affordable housing units only in specific areas  
139 of the jurisdiction.

140 2. The principles, guidelines, standards, and strategies

HB 7081

2012

141 of the housing element must be based on ~~the~~ data and analysis  
142 prepared on housing needs, ~~including an inventory taken from the~~  
143 ~~latest decennial United States Census or more recent estimates,~~  
144 which shall include the number and distribution of dwelling  
145 units by type, tenure, age, rent, value, monthly cost of owner-  
146 occupied units, and rent or cost to income ratio, and shall show  
147 the number of dwelling units that are substandard. The data and  
148 analysis ~~inventory~~ shall also include the methodology used to  
149 estimate the condition of housing, a projection of the  
150 anticipated number of households by size, income range, and age  
151 of residents derived from the population projections, and the  
152 minimum housing need of the current and anticipated future  
153 residents of the jurisdiction.

154 3. The housing element must express principles,  
155 guidelines, standards, and strategies that reflect, as needed,  
156 the creation and preservation of affordable housing for all  
157 current and anticipated future residents of the jurisdiction,  
158 elimination of substandard housing conditions, adequate sites,  
159 and distribution of housing for a range of incomes and types,  
160 including mobile and manufactured homes. The element must  
161 provide for specific programs and actions to partner with  
162 private and nonprofit sectors to address housing needs in the  
163 jurisdiction, streamline the permitting process, and minimize  
164 costs and delays for affordable housing, establish standards to  
165 address the quality of housing, stabilization of neighborhoods,  
166 and identification and improvement of historically significant  
167 housing.

168 4. State and federal housing plans prepared on behalf of

HB 7081

2012

169 the local government must be consistent with the goals,  
170 objectives, and policies of the housing element. Local  
171 governments are encouraged to use job training, job creation,  
172 and economic solutions to address a portion of their affordable  
173 housing concerns.

174 (h)1. An intergovernmental coordination element showing  
175 relationships and stating principles and guidelines to be used  
176 in coordinating the adopted comprehensive plan with the plans of  
177 school boards, regional water supply authorities, and other  
178 units of local government providing services but not having  
179 regulatory authority over the use of land, with the  
180 comprehensive plans of adjacent municipalities, the county,  
181 adjacent counties, or the region, with the state comprehensive  
182 plan and with the applicable regional water supply plan approved  
183 pursuant to s. 373.709, as the case may require and as such  
184 adopted plans or plans in preparation may exist. This element of  
185 the local comprehensive plan must demonstrate consideration of  
186 the particular effects of the local plan, when adopted, upon the  
187 development of adjacent municipalities, the county, adjacent  
188 counties, or the region, or upon the state comprehensive plan,  
189 as the case may require.

190 a. The intergovernmental coordination element must provide  
191 procedures for identifying and implementing joint planning  
192 areas, especially for the purpose of annexation, municipal  
193 incorporation, and joint infrastructure service areas.

194 b. The intergovernmental coordination element shall  
195 provide for a dispute resolution process, as established  
196 pursuant to s. 186.509, for bringing intergovernmental disputes

197 to closure in a timely manner.

198 c. The intergovernmental coordination element shall  
 199 provide for interlocal agreements as established pursuant to s.  
 200 333.03(1)(b).

201 2. The intergovernmental coordination element shall also  
 202 state principles and guidelines to be used in coordinating the  
 203 adopted comprehensive plan with the plans of school boards and  
 204 other units of local government providing facilities and  
 205 services but not having regulatory authority over the use of  
 206 land. In addition, the intergovernmental coordination element  
 207 must describe joint processes for collaborative planning and  
 208 decisionmaking on population projections and public school  
 209 siting, the location and extension of public facilities subject  
 210 to concurrency, and siting facilities with countywide  
 211 significance, including locally unwanted land uses whose nature  
 212 and identity are established in an agreement.

213 3. Within 1 year after adopting their intergovernmental  
 214 coordination elements, each county, all the municipalities  
 215 within that county, the district school board, and any unit of  
 216 local government service providers in that county shall  
 217 establish by interlocal or other formal agreement executed by  
 218 all affected entities, the joint processes described in this  
 219 subparagraph consistent with their adopted intergovernmental  
 220 coordination elements. The agreement ~~element~~ must:

221 a. Ensure that the local government addresses through  
 222 coordination mechanisms the impacts of development proposed in  
 223 the local comprehensive plan upon development in adjacent  
 224 municipalities, the county, adjacent counties, the region, and

225 the state. The area of concern for municipalities shall include  
 226 adjacent municipalities, the county, and counties adjacent to  
 227 the municipality. The area of concern for counties shall include  
 228 all municipalities within the county, adjacent counties, and  
 229 adjacent municipalities.

230 b. Ensure coordination in establishing level of service  
 231 standards for public facilities with any state, regional, or  
 232 local entity having operational and maintenance responsibility  
 233 for such facilities.

234 Section 4. Subsections (3) and (4) are added to section  
 235 163.31777, Florida Statutes, to read:

236 163.31777 Public schools interlocal agreement.—

237 (3) A municipality is exempt from the requirements of  
 238 subsections (1) and (2) if the municipality meets all of the  
 239 following criteria for having no significant impact on school  
 240 attendance:

241 (a) The municipality has issued development orders for  
 242 fewer than 50 residential dwelling units during the preceding 5  
 243 years, or the municipality has generated fewer than 25  
 244 additional public school students during the preceding 5 years.

245 (b) The municipality has not annexed new land during the  
 246 preceding 5 years in land use categories that permit residential  
 247 uses that will affect school attendance rates.

248 (c) The municipality has no public schools located within  
 249 its boundaries.

250 (d) At least 80 percent of the developable land within the  
 251 boundaries of the municipality has been built upon.

252 (4) At the time of the evaluation and appraisal of its

253 comprehensive plan pursuant to s. 163.3191, each exempt  
 254 municipality shall assess the extent to which it continues to  
 255 meet the criteria for exemption under subsection (3). If the  
 256 municipality continues to meet the criteria for exemption under  
 257 subsection (3), the municipality shall continue to be exempt  
 258 from the interlocal-agreement requirement. Each municipality  
 259 exempt under subsection (3) must comply with this section within  
 260 1 year after the district school board proposes, in its 5-year  
 261 district facilities work program, a new school within the  
 262 municipality's jurisdiction.

263 Section 5. Subsections (3) and (6) of section 163.3178,  
 264 Florida Statutes, are amended to read:

265 163.3178 Coastal management.—

266 (3) Expansions to port harbors, spoil disposal sites,  
 267 navigation channels, turning basins, harbor berths, and other  
 268 related inwater harbor facilities of ports listed in s.  
 269 403.021(9); port transportation facilities and projects listed  
 270 in s. 311.07(3)(b); intermodal transportation facilities  
 271 identified pursuant to s. 311.09(3); and facilities determined  
 272 by the state land planning agency ~~Department of Community~~  
 273 ~~Affairs~~ and applicable general-purpose local government to be  
 274 port-related industrial or commercial projects located within 3  
 275 miles of or in a port master plan area which rely upon the use  
 276 of port and intermodal transportation facilities shall not be  
 277 designated as developments of regional impact if such  
 278 expansions, projects, or facilities are consistent with  
 279 comprehensive master plans that are in compliance with this  
 280 section.

HB 7081

2012

281           (6) Local governments are encouraged to adopt countywide  
 282 marina siting plans to designate sites for existing and future  
 283 marinas. ~~The Coastal Resources Interagency Management Committee,~~  
 284 ~~at the direction of the Legislature, shall identify incentives~~  
 285 ~~to encourage local governments to adopt such siting plans and~~  
 286 ~~uniform criteria and standards to be used by local governments~~  
 287 ~~to implement state goals, objectives, and policies relating to~~  
 288 ~~marina siting. These criteria must ensure that priority is given~~  
 289 ~~to water-dependent land uses.~~ Countywide marina siting plans  
 290 must be consistent with state and regional environmental  
 291 planning policies and standards. Each local government in the  
 292 coastal area which participates in adoption of a countywide  
 293 marina siting plan shall incorporate the plan into the coastal  
 294 management element of its local comprehensive plan.

295           Section 6. Paragraph (a) of subsection (1) and paragraphs  
 296 (a), (i), (j), and (k) of subsection (6) of section 163.3180,  
 297 Florida Statutes, are amended to read:

298           163.3180 Concurrency.—

299           (1) Sanitary sewer, solid waste, drainage, and potable  
 300 water are the only public facilities and services subject to the  
 301 concurrency requirement on a statewide basis. Additional public  
 302 facilities and services may not be made subject to concurrency  
 303 on a statewide basis without approval by the Legislature;  
 304 however, any local government may extend the concurrency  
 305 requirement so that it applies to additional public facilities  
 306 within its jurisdiction.

307           (a) If concurrency is applied to other public facilities,  
 308 the local government comprehensive plan must provide the

HB 7081

2012

309 principles, guidelines, standards, and strategies, including  
310 adopted levels of service, to guide its application. In order  
311 for a local government to rescind any optional concurrency  
312 provisions, a comprehensive plan amendment is required. An  
313 amendment rescinding optional concurrency issues shall be  
314 processed under the expedited state review process in s.  
315 163.3184(3), but the amendment is not subject to state review  
316 and is not required to be transmitted to the reviewing agencies  
317 for comments, except that the local government shall transmit  
318 the amendment to any local government or government agency that  
319 has filed a request with the governing body and, for municipal  
320 amendments, the amendment shall be transmitted to the county in  
321 which the municipality is located. For informational purposes  
322 only, a copy of the adopted amendment shall be provided to the  
323 state land planning agency. A copy of the adopted amendment  
324 shall also be provided to the Department of Transportation if  
325 the amendment rescinds transportation concurrency and to the  
326 Department of Education if the amendment rescinds school  
327 concurrency.

328 (6) (a) Local governments that apply ~~If concurrency is~~  
329 ~~applied to public education facilities, all local governments~~  
330 ~~within a county, except as provided in paragraph (i), shall~~  
331 include principles, guidelines, standards, and strategies,  
332 including adopted levels of service, in their comprehensive  
333 plans and interlocal agreements. The choice of one or more  
334 municipalities to not adopt school concurrency and enter into  
335 the interlocal agreement does not preclude implementation of  
336 school concurrency within other jurisdictions of the school

HB 7081

2012

337 district if the county and one or more municipalities have  
338 adopted school concurrency into their comprehensive plan and  
339 interlocal agreement that represents at least 80 percent of the  
340 total countywide population, ~~the failure of one or more~~  
341 ~~municipalities to adopt the concurrency and enter into the~~  
342 ~~interlocal agreement does not preclude implementation of school~~  
343 ~~concurrency within jurisdictions of the school district that~~  
344 ~~have opted to implement concurrency.~~ All local government  
345 provisions included in comprehensive plans regarding school  
346 concurrency within a county must be consistent with each other  
347 and ~~as well as~~ the requirements of this part.

348 ~~(i) A municipality is not required to be a signatory to~~  
349 ~~the interlocal agreement required by paragraph (j), as a~~  
350 ~~prerequisite for imposition of school concurrency, and as a~~  
351 ~~nonsignatory, may not participate in the adopted local school~~  
352 ~~concurrency system, if the municipality meets all of the~~  
353 ~~following criteria for having no significant impact on school~~  
354 ~~attendance:~~

355 1. ~~The municipality has issued development orders for~~  
356 ~~fewer than 50 residential dwelling units during the preceding 5~~  
357 ~~years, or the municipality has generated fewer than 25~~  
358 ~~additional public school students during the preceding 5 years.~~

359 2. ~~The municipality has not annexed new land during the~~  
360 ~~preceding 5 years in land use categories which permit~~  
361 ~~residential uses that will affect school attendance rates.~~

362 3. ~~The municipality has no public schools located within~~  
363 ~~its boundaries.~~

364 4. ~~At least 80 percent of the developable land within the~~

365 ~~boundaries of the municipality has been built upon.~~

366 (i)~~(j)~~ When establishing concurrency requirements for  
 367 public schools, a local government must enter into an interlocal  
 368 agreement that satisfies the requirements in ss.  
 369 163.3177(6)(h)1. and 2. and 163.31777 and the requirements of  
 370 this subsection. The interlocal agreement shall acknowledge both  
 371 the school board's constitutional and statutory obligations to  
 372 provide a uniform system of free public schools on a countywide  
 373 basis, and the land use authority of local governments,  
 374 including their authority to approve or deny comprehensive plan  
 375 amendments and development orders. The interlocal agreement  
 376 shall meet the following requirements:

377 1. Establish the mechanisms for coordinating the  
 378 development, adoption, and amendment of each local government's  
 379 school concurrency related provisions of the comprehensive plan  
 380 with each other and the plans of the school board to ensure a  
 381 uniform districtwide school concurrency system.

382 2. Specify uniform, districtwide level-of-service  
 383 standards for public schools of the same type and the process  
 384 for modifying the adopted level-of-service standards.

385 3. Define the geographic application of school  
 386 concurrency. If school concurrency is to be applied on a less  
 387 than districtwide basis in the form of concurrency service  
 388 areas, the agreement shall establish criteria and standards for  
 389 the establishment and modification of school concurrency service  
 390 areas. The agreement shall ensure maximum utilization of school  
 391 capacity, taking into account transportation costs and court-  
 392 approved desegregation plans, as well as other factors.

393 4. Establish a uniform districtwide procedure for  
 394 implementing school concurrency which provides for:  
 395 a. The evaluation of development applications for  
 396 compliance with school concurrency requirements, including  
 397 information provided by the school board on affected schools,  
 398 impact on levels of service, and programmed improvements for  
 399 affected schools and any options to provide sufficient capacity;  
 400 b. An opportunity for the school board to review and  
 401 comment on the effect of comprehensive plan amendments and  
 402 rezonings on the public school facilities plan; and  
 403 c. The monitoring and evaluation of the school concurrency  
 404 system.

405 5. A process and uniform methodology for determining  
 406 proportionate-share mitigation pursuant to paragraph (h).

407 (j)~~(k)~~ This subsection does not limit the authority of a  
 408 local government to grant or deny a development permit or its  
 409 functional equivalent prior to the implementation of school  
 410 concurrency.

411 Section 7. Paragraphs (b) and (c) of subsection (3),  
 412 paragraphs (b) and (e) of subsection (4), paragraphs (b), (d),  
 413 and (e) of subsection (5), paragraph (f) of subsection (6), and  
 414 subsection (12) of section 163.3184, Florida Statutes, are  
 415 amended to read:

416 163.3184 Process for adoption of comprehensive plan or  
 417 plan amendment.—

418 (3) EXPEDITED STATE REVIEW PROCESS FOR ADOPTION OF  
 419 COMPREHENSIVE PLAN AMENDMENTS.—

420 (b)1. The local government, after the initial public

HB 7081

2012

421 hearing held pursuant to subsection (11), shall transmit within  
422 10 calendar days the amendment or amendments and appropriate  
423 supporting data and analyses to the reviewing agencies. The  
424 local governing body shall also transmit a copy of the  
425 amendments and supporting data and analyses to any other local  
426 government or governmental agency that has filed a written  
427 request with the governing body.

428 2. The reviewing agencies and any other local government  
429 or governmental agency specified in subparagraph 1. may provide  
430 comments regarding the amendment or amendments to the local  
431 government. State agencies shall only comment on important state  
432 resources and facilities that will be adversely impacted by the  
433 amendment if adopted. Comments provided by state agencies shall  
434 state with specificity how the plan amendment will adversely  
435 impact an important state resource or facility and shall  
436 identify measures the local government may take to eliminate,  
437 reduce, or mitigate the adverse impacts. Such comments, if not  
438 resolved, may result in a challenge by the state land planning  
439 agency to the plan amendment. Agencies and local governments  
440 must transmit their comments to the affected local government  
441 such that they are received by the local government not later  
442 than 30 days after ~~from~~ the date on which the agency or  
443 government received the amendment or amendments. Reviewing  
444 agencies shall also send a copy of their comments to the state  
445 land planning agency.

446 3. Comments to the local government from a regional  
447 planning council, county, or municipality shall be limited as  
448 follows:

HB 7081

2012

449           a. The regional planning council review and comments shall  
450 be limited to adverse effects on regional resources or  
451 facilities identified in the strategic regional policy plan and  
452 extrajurisdictional impacts that would be inconsistent with the  
453 comprehensive plan of any affected local government within the  
454 region. A regional planning council may not review and comment  
455 on a proposed comprehensive plan amendment prepared by such  
456 council unless the plan amendment has been changed by the local  
457 government subsequent to the preparation of the plan amendment  
458 by the regional planning council.

459           b. County comments shall be in the context of the  
460 relationship and effect of the proposed plan amendments on the  
461 county plan.

462           c. Municipal comments shall be in the context of the  
463 relationship and effect of the proposed plan amendments on the  
464 municipal plan.

465           d. Military installation comments shall be provided in  
466 accordance with s. 163.3175.

467           4. Comments to the local government from state agencies  
468 shall be limited to the following subjects as they relate to  
469 important state resources and facilities that will be adversely  
470 impacted by the amendment if adopted:

471           a. The Department of Environmental Protection shall limit  
472 its comments to the subjects of air and water pollution;  
473 wetlands and other surface waters of the state; federal and  
474 state-owned lands and interest in lands, including state parks,  
475 greenways and trails, and conservation easements; solid waste;  
476 water and wastewater treatment; and the Everglades ecosystem

HB 7081

2012

477 restoration.

478       b. The Department of State shall limit its comments to the  
479 subjects of historic and archaeological resources.

480       c. The Department of Transportation shall limit its  
481 comments to issues within the agency's jurisdiction as it  
482 relates to transportation resources and facilities of state  
483 importance.

484       d. The Fish and Wildlife Conservation Commission shall  
485 limit its comments to subjects relating to fish and wildlife  
486 habitat and listed species and their habitat.

487       e. The Department of Agriculture and Consumer Services  
488 shall limit its comments to the subjects of agriculture,  
489 forestry, and aquaculture issues.

490       f. The Department of Education shall limit its comments to  
491 the subject of public school facilities.

492       g. The appropriate water management district shall limit  
493 its comments to flood protection and floodplain management,  
494 wetlands and other surface waters, and regional water supply.

495       h. The state land planning agency shall limit its comments  
496 to important state resources and facilities outside the  
497 jurisdiction of other commenting state agencies and may include  
498 comments on countervailing planning policies and objectives  
499 served by the plan amendment that should be balanced against  
500 potential adverse impacts to important state resources and  
501 facilities.

502       (c)1. The local government shall hold its second public  
503 hearing, which shall be a hearing on whether to adopt one or  
504 more comprehensive plan amendments pursuant to subsection (11).

HB 7081

2012

505 If the local government fails, within 180 days after receipt of  
506 agency comments, to hold the second public hearing, the  
507 amendments shall be deemed withdrawn unless extended by  
508 agreement with notice to the state land planning agency and any  
509 affected person that provided comments on the amendment. The  
510 180-day limitation does not apply to amendments processed  
511 pursuant to s. 380.06.

512 2. All comprehensive plan amendments adopted by the  
513 governing body, along with the supporting data and analysis,  
514 shall be transmitted within 10 calendar days after the second  
515 public hearing to the state land planning agency and any other  
516 agency or local government that provided timely comments under  
517 subparagraph (b)2.

518 3. The state land planning agency shall notify the local  
519 government of any deficiencies within 5 working days after  
520 receipt of an amendment package. For purposes of completeness,  
521 an amendment shall be deemed complete if it contains a full,  
522 executed copy of the adoption ordinance or ordinances; in the  
523 case of a text amendment, a full copy of the amended language in  
524 legislative format with new words inserted in the text  
525 underlined, and words deleted stricken with hyphens; in the case  
526 of a future land use map amendment, a copy of the future land  
527 use map clearly depicting the parcel, its existing future land  
528 use designation, and its adopted designation; and a copy of any  
529 data and analyses the local government deems appropriate.

530 4. An amendment adopted under this paragraph does not  
531 become effective until 31 days after the state land planning  
532 agency notifies the local government that the plan amendment

HB 7081

2012

533 package is complete. If timely challenged, an amendment does not  
 534 become effective until the state land planning agency or the  
 535 Administration Commission enters a final order determining the  
 536 adopted amendment to be in compliance.

537 (4) STATE COORDINATED REVIEW PROCESS.—

538 (b) Local government transmittal of proposed plan or  
 539 amendment.—Each local governing body proposing a plan or plan  
 540 amendment specified in paragraph (2)(c) shall transmit the  
 541 complete proposed comprehensive plan or plan amendment to the  
 542 reviewing agencies within 10 calendar days after ~~immediately~~  
 543 ~~following~~ the first public hearing pursuant to subsection (11).  
 544 The transmitted document shall clearly indicate on the cover  
 545 sheet that this plan amendment is subject to the state  
 546 coordinated review process of this subsection. The local  
 547 governing body shall also transmit a copy of the complete  
 548 proposed comprehensive plan or plan amendment to any other unit  
 549 of local government or government agency in the state that has  
 550 filed a written request with the governing body for the plan or  
 551 plan amendment.

552 (e) Local government review of comments; adoption of plan  
 553 or amendments and transmittal.—

554 1. The local government shall review the report submitted  
 555 to it by the state land planning agency, if any, and written  
 556 comments submitted to it by any other person, agency, or  
 557 government. The local government, upon receipt of the report  
 558 from the state land planning agency, shall hold its second  
 559 public hearing, which shall be a hearing to determine whether to  
 560 adopt the comprehensive plan or one or more comprehensive plan

HB 7081

2012

561 amendments pursuant to subsection (11). If the local government  
562 fails to hold the second hearing within 180 days after receipt  
563 of the state land planning agency's report, the amendments shall  
564 be deemed withdrawn unless extended by agreement with notice to  
565 the state land planning agency and any affected person that  
566 provided comments on the amendment. The 180-day limitation does  
567 not apply to amendments processed pursuant to s. 380.06.

568 2. All comprehensive plan amendments adopted by the  
569 governing body, along with the supporting data and analysis,  
570 shall be transmitted within 10 calendar days after the second  
571 public hearing to the state land planning agency and any other  
572 agency or local government that provided timely comments under  
573 paragraph (c).

574 3. The state land planning agency shall notify the local  
575 government of any deficiencies within 5 working days after  
576 receipt of a plan or plan amendment package. For purposes of  
577 completeness, a plan or plan amendment shall be deemed complete  
578 if it contains a full, executed copy of the adoption ordinance  
579 or ordinances; in the case of a text amendment, a full copy of  
580 the amended language in legislative format with new words  
581 inserted in the text underlined, and words deleted stricken with  
582 hyphens; in the case of a future land use map amendment, a copy  
583 of the future land use map clearly depicting the parcel, its  
584 existing future land use designation, and its adopted  
585 designation; and a copy of any data and analyses the local  
586 government deems appropriate.

587 4. After the state land planning agency makes a  
588 determination of completeness regarding the adopted plan or plan

HB 7081

2012

589 amendment, the state land planning agency shall have 45 days to  
590 determine if the plan or plan amendment is in compliance with  
591 this act. Unless the plan or plan amendment is substantially  
592 changed from the one commented on, the state land planning  
593 agency's compliance determination shall be limited to objections  
594 raised in the objections, recommendations, and comments report.  
595 During the period provided for in this subparagraph, the state  
596 land planning agency shall issue, through a senior administrator  
597 or the secretary, a notice of intent to find that the plan or  
598 plan amendment is in compliance or not in compliance. The state  
599 land planning agency shall post a copy of the notice of intent  
600 on the agency's Internet website. Publication by the state land  
601 planning agency of the notice of intent on the state land  
602 planning agency's Internet site shall be prima facie evidence of  
603 compliance with the publication requirements of this  
604 subparagraph.

605 5. A plan or plan amendment adopted under the state  
606 coordinated review process shall go into effect pursuant to the  
607 state land planning agency's notice of intent. If timely  
608 challenged, an amendment does not become effective until the  
609 state land planning agency or the Administration Commission  
610 enters a final order determining the adopted amendment to be in  
611 compliance.

612 (5) ADMINISTRATIVE CHALLENGES TO PLANS AND PLAN  
613 AMENDMENTS.—

614 (b) The state land planning agency may file a petition  
615 with the Division of Administrative Hearings pursuant to ss.  
616 120.569 and 120.57, with a copy served on the affected local

HB 7081

2012

617 government, to request a formal hearing to challenge whether the  
618 plan or plan amendment is in compliance as defined in paragraph  
619 (1) (b). The state land planning agency's petition must clearly  
620 state the reasons for the challenge. Under the expedited state  
621 review process, this petition must be filed with the division  
622 within 30 days after the state land planning agency notifies the  
623 local government that the plan amendment package is complete  
624 according to subparagraph (3) (c)3. Under the state coordinated  
625 review process, this petition must be filed with the division  
626 within 45 days after the state land planning agency notifies the  
627 local government that the plan amendment package is complete  
628 according to subparagraph (4) (e)3. ~~(3) (e)3.~~

629 1. The state land planning agency's challenge to plan  
630 amendments adopted under the expedited state review process  
631 shall be limited to the comments provided by the reviewing  
632 agencies pursuant to subparagraphs (3) (b)2.-4., upon a  
633 determination by the state land planning agency that an  
634 important state resource or facility will be adversely impacted  
635 by the adopted plan amendment. The state land planning agency's  
636 petition shall state with specificity how the plan amendment  
637 will adversely impact the important state resource or facility.  
638 The state land planning agency may challenge a plan amendment  
639 that has substantially changed from the version on which the  
640 agencies provided comments but only upon a determination by the  
641 state land planning agency that an important state resource or  
642 facility will be adversely impacted.

643 2. If the state land planning agency issues a notice of  
644 intent to find the comprehensive plan or plan amendment not in

HB 7081

2012

645 compliance with this act, the notice of intent shall be  
646 forwarded to the Division of Administrative Hearings of the  
647 Department of Management Services, which shall conduct a  
648 proceeding under ss. 120.569 and 120.57 in the county of and  
649 convenient to the affected local jurisdiction. The parties to  
650 the proceeding shall be the state land planning agency, the  
651 affected local government, and any affected person who  
652 intervenes. No new issue may be alleged as a reason to find a  
653 plan or plan amendment not in compliance in an administrative  
654 pleading filed more than 21 days after publication of notice  
655 unless the party seeking that issue establishes good cause for  
656 not alleging the issue within that time period. Good cause does  
657 not include excusable neglect.

658 (d) If the administrative law judge recommends that the  
659 amendment be found not in compliance, the judge shall submit the  
660 recommended order to the Administration Commission for final  
661 agency action. The Administration Commission shall make every  
662 effort to enter a final order expeditiously, but at a minimum  
663 within the time period provided by s. 120.569 ~~45 days after its~~  
664 ~~receipt of the recommended order.~~

665 (e) If the administrative law judge recommends that the  
666 amendment be found in compliance, the judge shall submit the  
667 recommended order to the state land planning agency.

668 1. If the state land planning agency determines that the  
669 plan amendment should be found not in compliance, the agency  
670 shall make every effort to refer, ~~within 30 days after receipt~~  
671 ~~of the recommended order,~~ the recommended order and its  
672 determination expeditiously to the Administration Commission for

673 | final agency action, but at a minimum within the time period  
 674 | provided by s. 120.569.

675 | 2. If the state land planning agency determines that the  
 676 | plan amendment should be found in compliance, the agency shall  
 677 | make every effort to enter its final order expeditiously, but at  
 678 | a minimum within the time period provided by s. 120.569 ~~not~~  
 679 | ~~later than 30 days after receipt of the recommended order.~~

680 | (6) COMPLIANCE AGREEMENT.—

681 | (f) For challenges to amendments adopted under the state  
 682 | coordinated process, the state land planning agency, ~~upon~~  
 683 | ~~receipt of a plan or plan amendment adopted pursuant to a~~  
 684 | ~~compliance agreement,~~ shall issue a cumulative notice of intent  
 685 | addressing both the remedial amendment and the plan or plan  
 686 | amendment that was the subject of the agreement within 20 days  
 687 | after receiving a complete plan or plan amendment adopted  
 688 | pursuant to a compliance agreement.

689 | 1. If the local government adopts a comprehensive plan or  
 690 | plan amendment pursuant to a compliance agreement and a notice  
 691 | of intent to find the plan amendment in compliance is issued,  
 692 | the state land planning agency shall forward the notice of  
 693 | intent to the Division of Administrative Hearings and the  
 694 | administrative law judge shall realign the parties in the  
 695 | pending proceeding under ss. 120.569 and 120.57, which shall  
 696 | thereafter be governed by the process contained in paragraph  
 697 | (5)(a) and subparagraph (5)(c)1., including provisions relating  
 698 | to challenges by an affected person, burden of proof, and issues  
 699 | of a recommended order and a final order. Parties to the  
 700 | original proceeding at the time of realignment may continue as

HB 7081

2012

701 parties without being required to file additional pleadings to  
702 initiate a proceeding, but may timely amend their pleadings to  
703 raise any challenge to the amendment that is the subject of the  
704 cumulative notice of intent, and must otherwise conform to the  
705 rules of procedure of the Division of Administrative Hearings.  
706 Any affected person not a party to the realigned proceeding may  
707 challenge the plan amendment that is the subject of the  
708 cumulative notice of intent by filing a petition with the agency  
709 as provided in subsection (5). The agency shall forward the  
710 petition filed by the affected person not a party to the  
711 realigned proceeding to the Division of Administrative Hearings  
712 for consolidation with the realigned proceeding. If the  
713 cumulative notice of intent is not challenged, the state land  
714 planning agency shall request that the Division of  
715 Administrative Hearings relinquish jurisdiction to the state  
716 land planning agency for issuance of a final order.

717 2. If the local government adopts a comprehensive plan  
718 amendment pursuant to a compliance agreement and a notice of  
719 intent is issued that finds the plan amendment not in  
720 compliance, the state land planning agency shall forward the  
721 notice of intent to the Division of Administrative Hearings,  
722 which shall consolidate the proceeding with the pending  
723 proceeding and immediately set a date for a hearing in the  
724 pending proceeding under ss. 120.569 and 120.57. Affected  
725 persons who are not a party to the underlying proceeding under  
726 ss. 120.569 and 120.57 may challenge the plan amendment adopted  
727 pursuant to the compliance agreement by filing a petition  
728 pursuant to paragraph (5) (a).

HB 7081

2012

729 (12) CONCURRENT ZONING.—At the request of an applicant, a  
 730 local government shall consider an application for zoning  
 731 changes that would be required to properly enact any proposed  
 732 plan amendment transmitted pursuant to this section ~~subsection~~.  
 733 Zoning changes approved by the local government are contingent  
 734 upon the comprehensive plan or plan amendment transmitted  
 735 becoming effective.

736 Section 8. Subsection (3) of section 163.3191, Florida  
 737 Statutes, is amended to read:

738 163.3191 Evaluation and appraisal of comprehensive plan.—

739 (3) Local governments are encouraged to comprehensively  
 740 evaluate and, as necessary, update comprehensive plans to  
 741 reflect changes in local conditions. Plan amendments transmitted  
 742 pursuant to this section shall be reviewed pursuant to ~~in~~  
 743 ~~accordance with~~ s. 163.3184(4).

744 Section 9. Subsections (8) through (14) of section  
 745 163.3245, Florida Statutes, are redesignated as subsections (7)  
 746 through (13), respectively, and present subsections (1) and (7)  
 747 of that section are amended to read:

748 163.3245 Sector plans.—

749 (1) In recognition of the benefits of long-range planning  
 750 for specific areas, local governments or combinations of local  
 751 governments may adopt into their comprehensive plans a sector  
 752 plan in accordance with this section. This section is intended  
 753 to promote and encourage long-term planning for conservation,  
 754 development, and agriculture on a landscape scale; to further  
 755 support ~~the intent of s. 163.3177(11), which supports~~ innovative  
 756 and flexible planning and development strategies, and the

HB 7081

2012

757 purposes of this part and part I of chapter 380; to facilitate  
758 protection of regionally significant resources, including, but  
759 not limited to, regionally significant water courses and  
760 wildlife corridors; and to avoid duplication of effort in terms  
761 of the level of data and analysis required for a development of  
762 regional impact, while ensuring the adequate mitigation of  
763 impacts to applicable regional resources and facilities,  
764 including those within the jurisdiction of other local  
765 governments, as would otherwise be provided. Sector plans are  
766 intended for substantial geographic areas that include at least  
767 15,000 acres of one or more local governmental jurisdictions and  
768 are to emphasize urban form and protection of regionally  
769 significant resources and public facilities. A sector plan may  
770 not be adopted in an area of critical state concern.

771 ~~(7) Beginning December 1, 1999, and each year thereafter,~~  
772 ~~the department shall provide a status report to the President of~~  
773 ~~the Senate and the Speaker of the House of Representatives~~  
774 ~~regarding each optional sector plan authorized under this~~  
775 ~~section.~~

776 Section 10. Paragraph (d) of subsection (2) of section  
777 186.002, Florida Statutes, is amended to read:

778 186.002 Findings and intent.—

779 (2) It is the intent of the Legislature that:

780 (d) The state planning process shall be informed and  
781 guided by the experience of public officials at all levels of  
782 government. ~~In preparing any plans or proposed revisions or~~  
783 ~~amendments required by this chapter, the Governor shall consider~~  
784 ~~the experience of and information provided by local governments~~

HB 7081

2012

785 ~~in their evaluation and appraisal reports pursuant to s.~~  
 786 ~~163.3191.~~

787 Section 11. Subsection (8) of section 186.007, Florida  
 788 Statutes, is amended to read:

789 186.007 State comprehensive plan; preparation; revision.—

790 (8) The revision of the state comprehensive plan is a  
 791 continuing process. Each section of the plan shall be reviewed  
 792 and analyzed biennially by the Executive Office of the Governor  
 793 in conjunction with the planning officers of other state  
 794 agencies significantly affected by the provisions of the  
 795 particular section under review. In conducting this review and  
 796 analysis, the Executive Office of the Governor shall review and  
 797 consider, with the assistance of the state land planning agency  
 798 and regional planning councils, ~~the evaluation and appraisal~~  
 799 ~~reports submitted pursuant to s. 163.3191~~ and the evaluation and  
 800 appraisal reports prepared pursuant to s. 186.511. Any necessary  
 801 revisions of the state comprehensive plan shall be proposed by  
 802 the Governor in a written report and be accompanied by an  
 803 explanation of the need for such changes. If the Governor  
 804 determines that changes are unnecessary, the written report must  
 805 explain why changes are unnecessary. The proposed revisions and  
 806 accompanying explanations may be submitted in the report  
 807 required by s. 186.031. Any proposed revisions to the plan shall  
 808 be submitted to the Legislature as provided in s. 186.008(2) at  
 809 least 30 days prior to the regular legislative session occurring  
 810 in each even-numbered year.

811 Section 12. Subsection (1) of section 186.508, Florida  
 812 Statutes, is amended to read:

HB 7081

2012

813 186.508 Strategic regional policy plan adoption;  
 814 consistency with state comprehensive plan.—

815 (1) Each regional planning council shall submit to the  
 816 Executive Office of the Governor its proposed strategic regional  
 817 policy plan on a schedule established by the Executive Office of  
 818 the Governor to coordinate implementation of the strategic  
 819 regional policy plans with the evaluation and appraisal process  
 820 ~~reports~~ required by s. 163.3191. The Executive Office of the  
 821 Governor, or its designee, shall review the proposed strategic  
 822 regional policy plan to ensure consistency with the adopted  
 823 state comprehensive plan and shall, within 60 days, provide any  
 824 recommended revisions. The Governor's recommended revisions  
 825 shall be included in the plans in a comment section. However,  
 826 nothing in this section precludes ~~herein shall preclude~~ a  
 827 regional planning council from adopting or rejecting any or all  
 828 of the revisions as a part of its plan before ~~prior to~~ the  
 829 effective date of the plan. The rules adopting the strategic  
 830 regional policy plan are ~~shall~~ not be subject to rule challenge  
 831 under s. 120.56(2) or to drawout proceedings under s.  
 832 120.54(3)(c)2., but, once adopted, are ~~shall be~~ subject to an  
 833 invalidity challenge under s. 120.56(3) by substantially  
 834 affected persons, including the Executive Office of the  
 835 Governor. The rules shall be adopted by the regional planning  
 836 councils, and ~~shall~~ become effective upon filing with the  
 837 Department of State, notwithstanding the provisions of s.  
 838 120.54(3)(e)6.

839 Section 13. Subsections (2) and (3) of section 189.415,  
 840 Florida Statutes, are amended to read:

HB 7081

2012

841 189.415 Special district public facilities report.—

842 (2) Each independent special district shall submit to each  
843 local general-purpose government in which it is located a public  
844 facilities report and an annual notice of any changes. The  
845 public facilities report shall specify the following  
846 information:

847 (a) A description of existing public facilities owned or  
848 operated by the special district, and each public facility that  
849 is operated by another entity, except a local general-purpose  
850 government, through a lease or other agreement with the special  
851 district. This description shall include the current capacity of  
852 the facility, the current demands placed upon it, and its  
853 location. This information shall be required in the initial  
854 report and updated every 7 ~~5~~ years at least 12 months before  
855 ~~prior to~~ the submission date of the evaluation and appraisal  
856 notification letter report of the appropriate local government  
857 required by s. 163.3191. The department shall post a schedule on  
858 its website, based on the evaluation and appraisal notification  
859 schedule prepared pursuant to s. 163.3191(5), for use by a  
860 special district to determine when its public facilities report  
861 and updates to that report are due to the local general-purpose  
862 governments in which the special district is located. At least  
863 ~~12 months prior to the date on which each special district's~~  
864 ~~first updated report is due, the department shall notify each~~  
865 ~~independent district on the official list of special districts~~  
866 ~~compiled pursuant to s. 189.4035 of the schedule for submission~~  
867 ~~of the evaluation and appraisal report by each local government~~  
868 ~~within the special district's jurisdiction.~~

HB 7081

2012

869 (b) A description of each public facility the district is  
 870 building, improving, or expanding, or is currently proposing to  
 871 build, improve, or expand within at least the next 7 ~~5~~ years,  
 872 including any facilities that the district is assisting another  
 873 entity, except a local general-purpose government, to build,  
 874 improve, or expand through a lease or other agreement with the  
 875 district. For each public facility identified, the report shall  
 876 describe how the district currently proposes to finance the  
 877 facility.

878 (c) If the special district currently proposes to replace  
 879 any facilities identified in paragraph (a) or paragraph (b)  
 880 within the next 10 years, the date when such facility will be  
 881 replaced.

882 (d) The anticipated time the construction, improvement, or  
 883 expansion of each facility will be completed.

884 (e) The anticipated capacity of and demands on each public  
 885 facility when completed. In the case of an improvement or  
 886 expansion of a public facility, both the existing and  
 887 anticipated capacity must be listed.

888 (3) A special district proposing to build, improve, or  
 889 expand a public facility which requires a certificate of need  
 890 pursuant to chapter 408 shall elect to notify the appropriate  
 891 local general-purpose government of its plans either in its 7-  
 892 year ~~5-year~~ plan or at the time the letter of intent is filed  
 893 with the Agency for Health Care Administration pursuant to s.  
 894 408.039.

895 Section 14. Subsection (5) of section 288.975, Florida  
 896 Statutes, is amended to read:

HB 7081

2012

897 288.975 Military base reuse plans.—

898 (5) At the discretion of the host local government, the  
 899 provisions of this act may be complied with through the adoption  
 900 of the military base reuse plan as a separate component of the  
 901 local government comprehensive plan or through simultaneous  
 902 amendments to all pertinent portions of the local government  
 903 comprehensive plan. Once adopted and approved in accordance with  
 904 this section, the military base reuse plan shall be considered  
 905 to be part of the host local government's comprehensive plan and  
 906 shall be thereafter implemented, amended, and reviewed pursuant  
 907 to ~~in accordance with the provisions of~~ part II of chapter 163.  
 908 ~~Local government comprehensive plan amendments necessary to~~  
 909 ~~initially adopt the military base reuse plan shall be exempt~~  
 910 ~~from the limitation on the frequency of plan amendments~~  
 911 ~~contained in s. 163.3187(1).~~

912 Section 15. Paragraph (b) of subsection (6), paragraph (e)  
 913 of subsection (19), paragraphs (l) and (q) of subsection (24),  
 914 and paragraph (b) of subsection (29) of section 380.06, Florida  
 915 Statutes, are amended to read:

916 380.06 Developments of regional impact.—

917 (6) APPLICATION FOR APPROVAL OF DEVELOPMENT; CONCURRENT  
 918 PLAN AMENDMENTS.—

919 (b) Any local government comprehensive plan amendments  
 920 related to a proposed development of regional impact, including  
 921 any changes proposed under subsection (19), may be initiated by  
 922 a local planning agency or the developer and must be considered  
 923 by the local governing body at the same time as the application  
 924 for development approval using the procedures provided for local

HB 7081

2012

925 plan amendment in s. 163.3184 ~~163.3187~~ and applicable local  
926 ordinances, without regard to local limits on the frequency of  
927 consideration of amendments to the local comprehensive plan.  
928 This paragraph does not require favorable consideration of a  
929 plan amendment solely because it is related to a development of  
930 regional impact. The procedure for processing such comprehensive  
931 plan amendments is as follows:

932 1. If a developer seeks a comprehensive plan amendment  
933 related to a development of regional impact, the developer must  
934 so notify in writing the regional planning agency, the  
935 applicable local government, and the state land planning agency  
936 no later than the date of preapplication conference or the  
937 submission of the proposed change under subsection (19).

938 2. When filing the application for development approval or  
939 the proposed change, the developer must include a written  
940 request for comprehensive plan amendments that would be  
941 necessitated by the development-of-regional-impact approvals  
942 sought. That request must include data and analysis upon which  
943 the applicable local government can determine whether to  
944 transmit the comprehensive plan amendment pursuant to s.  
945 163.3184.

946 3. The local government must advertise a public hearing on  
947 the transmittal within 30 days after filing the application for  
948 development approval or the proposed change and must make a  
949 determination on the transmittal within 60 days after the  
950 initial filing unless that time is extended by the developer.

951 4. If the local government approves the transmittal,  
952 procedures set forth in s. 163.3184 ~~(4)(b)-(d)~~ must be followed.

953 5. Notwithstanding subsection (11) or subsection (19), the  
 954 local government may not hold a public hearing on the  
 955 application for development approval or the proposed change or  
 956 on the comprehensive plan amendments sooner than 30 days after  
 957 reviewing agency comments are due to the local government ~~from~~  
 958 ~~receipt of the response from the state land planning agency~~  
 959 pursuant to s. 163.3184(4)(d).

960 6. The local government must hear both the application for  
 961 development approval or the proposed change and the  
 962 comprehensive plan amendments at the same hearing. However, the  
 963 local government must take action separately on the application  
 964 for development approval or the proposed change and on the  
 965 comprehensive plan amendments.

966 7. Thereafter, the appeal process for the local government  
 967 development order must follow the provisions of s. 380.07, and  
 968 the compliance process for the comprehensive plan amendments  
 969 must follow the provisions of s. 163.3184.

970 (19) SUBSTANTIAL DEVIATIONS.—

971 (e)1. Except for a development order rendered pursuant to  
 972 subsection (22) or subsection (25), a proposed change to a  
 973 development order that individually or cumulatively with any  
 974 previous change is less than any numerical criterion contained  
 975 in subparagraphs (b)1.-10. and does not exceed any other  
 976 criterion, or that involves an extension of the buildout date of  
 977 a development, or any phase thereof, of less than 5 years is not  
 978 subject to the public hearing requirements of subparagraph  
 979 (f)3., and is not subject to a determination pursuant to  
 980 subparagraph (f)5. Notice of the proposed change shall be made

981 to the regional planning council and the state land planning  
 982 agency. Such notice shall include a description of previous  
 983 individual changes made to the development, including changes  
 984 previously approved by the local government, and shall include  
 985 appropriate amendments to the development order.

986 2. The following changes, individually or cumulatively  
 987 with any previous changes, are not substantial deviations:

988 a. Changes in the name of the project, developer, owner,  
 989 or monitoring official.

990 b. Changes to a setback that do not affect noise buffers,  
 991 environmental protection or mitigation areas, or archaeological  
 992 or historical resources.

993 c. Changes to minimum lot sizes.

994 d. Changes in the configuration of internal roads that do  
 995 not affect external access points.

996 e. Changes to the building design or orientation that stay  
 997 approximately within the approved area designated for such  
 998 building and parking lot, and which do not affect historical  
 999 buildings designated as significant by the Division of  
 1000 Historical Resources of the Department of State.

1001 f. Changes to increase the acreage in the development,  
 1002 provided that no development is proposed on the acreage to be  
 1003 added.

1004 g. Changes to eliminate an approved land use, provided  
 1005 that there are no additional regional impacts.

1006 h. Changes required to conform to permits approved by any  
 1007 federal, state, or regional permitting agency, provided that  
 1008 these changes do not create additional regional impacts.

HB 7081

2012

1009 i. Any renovation or redevelopment of development within a  
1010 previously approved development of regional impact which does  
1011 not change land use or increase density or intensity of use.

1012 j. Changes that modify boundaries and configuration of  
1013 areas described in subparagraph (b)11. due to science-based  
1014 refinement of such areas by survey, by habitat evaluation, by  
1015 other recognized assessment methodology, or by an environmental  
1016 assessment. In order for changes to qualify under this sub-  
1017 subparagraph, the survey, habitat evaluation, or assessment must  
1018 occur prior to the time a conservation easement protecting such  
1019 lands is recorded and must not result in any net decrease in the  
1020 total acreage of the lands specifically set aside for permanent  
1021 preservation in the final development order.

1022 k. Any other change which the state land planning agency,  
1023 in consultation with the regional planning council, agrees in  
1024 writing is similar in nature, impact, or character to the  
1025 changes enumerated in sub-subparagraphs a.-j. and which does not  
1026 create the likelihood of any additional regional impact.

1027  
1028 This subsection does not require the filing of a notice of  
1029 proposed change but shall require an application to the local  
1030 government to amend the development order in accordance with the  
1031 local government's procedures for amendment of a development  
1032 order. In accordance with the local government's procedures,  
1033 including requirements for notice to the applicant and the  
1034 public, the local government shall either deny the application  
1035 for amendment or adopt an amendment to the development order  
1036 which approves the application with or without conditions.

HB 7081

2012

1037 Following adoption, the local government shall render to the  
 1038 state land planning agency the amendment to the development  
 1039 order. The state land planning agency may appeal, pursuant to s.  
 1040 380.07(3), the amendment to the development order if the  
 1041 amendment involves sub-subparagraph g., sub-subparagraph h.,  
 1042 sub-subparagraph j., or sub-subparagraph k., and it believes the  
 1043 change creates a reasonable likelihood of new or additional  
 1044 regional impacts.

1045 3. Except for the change authorized by sub-subparagraph  
 1046 2.f., any addition of land not previously reviewed or any change  
 1047 not specified in paragraph (b) or paragraph (c) shall be  
 1048 presumed to create a substantial deviation. This presumption may  
 1049 be rebutted by clear and convincing evidence.

1050 4. Any submittal of a proposed change to a previously  
 1051 approved development shall include a description of individual  
 1052 changes previously made to the development, including changes  
 1053 previously approved by the local government. The local  
 1054 government shall consider the previous and current proposed  
 1055 changes in deciding whether such changes cumulatively constitute  
 1056 a substantial deviation requiring further development-of-  
 1057 regional-impact review.

1058 5. The following changes to an approved development of  
 1059 regional impact shall be presumed to create a substantial  
 1060 deviation. Such presumption may be rebutted by clear and  
 1061 convincing evidence.

1062 a. A change proposed for 15 percent or more of the acreage  
 1063 to a land use not previously approved in the development order.  
 1064 Changes of less than 15 percent shall be presumed not to create

HB 7081

2012

1065 a substantial deviation.

1066 b. Notwithstanding any provision of paragraph (b) to the  
 1067 contrary, a proposed change consisting of simultaneous increases  
 1068 and decreases of at least two of the uses within an authorized  
 1069 multiuse development of regional impact which was originally  
 1070 approved with three or more uses specified in s. 380.0651(3)(c)  
 1071 and (d) ~~380.0651(3)(e), (d), and (e)~~ and residential use.

1072 6. If a local government agrees to a proposed change, a  
 1073 change in the transportation proportionate share calculation and  
 1074 mitigation plan in an adopted development order as a result of  
 1075 recalculation of the proportionate share contribution meeting  
 1076 the requirements of s. 163.3180(5)(h) in effect as of the date  
 1077 of such change shall be presumed not to create a substantial  
 1078 deviation. For purposes of this subsection, the proposed change  
 1079 in the proportionate share calculation or mitigation plan shall  
 1080 not be considered an additional regional transportation impact.

1081 (24) STATUTORY EXEMPTIONS.—

1082 (l) Any proposed development within an urban service  
 1083 boundary established under s. 163.3177(14), Florida Statutes  
 1084 2010, which is not otherwise exempt pursuant to subsection (29),  
 1085 is exempt from this section if the local government having  
 1086 jurisdiction over the area where the development is proposed has  
 1087 adopted the urban service boundary and has entered into a  
 1088 binding agreement with jurisdictions that would be impacted and  
 1089 with the Department of Transportation regarding the mitigation  
 1090 of impacts on state and regional transportation facilities.

1091 (q) Any development identified in an airport master plan  
 1092 and adopted into the comprehensive plan pursuant to s.

HB 7081

2012

1093 163.3177(6)(b)4. ~~163.3177(6)(k)~~ is exempt from this section.

1094

1095 If a use is exempt from review as a development of regional  
 1096 impact under paragraphs (a)-(u), but will be part of a larger  
 1097 project that is subject to review as a development of regional  
 1098 impact, the impact of the exempt use must be included in the  
 1099 review of the larger project, unless such exempt use involves a  
 1100 development of regional impact that includes a landowner,  
 1101 tenant, or user that has entered into a funding agreement with  
 1102 the Department of Economic Opportunity under the Innovation  
 1103 Incentive Program and the agreement contemplates a state award  
 1104 of at least \$50 million.

1105 (29) EXEMPTIONS FOR DENSE URBAN LAND AREAS.—

1106 (b) If a municipality that does not qualify as a dense  
 1107 urban land area pursuant to paragraph (a) ~~s. 163.3164~~ designates  
 1108 any of the following areas in its comprehensive plan, any  
 1109 proposed development within the designated area is exempt from  
 1110 the development-of-regional-impact process:

- 1111 1. Urban infill as defined in s. 163.3164;
- 1112 2. Community redevelopment areas as defined in s. 163.340;
- 1113 3. Downtown revitalization areas as defined in s.  
 1114 163.3164;
- 1115 4. Urban infill and redevelopment under s. 163.2517; or
- 1116 5. Urban service areas as defined in s. 163.3164 or areas  
 1117 within a designated urban service boundary under s.  
 1118 163.3177(14).

1119 Section 16. Subsection (1) of section 380.115, Florida  
 1120 Statutes, is amended to read:

HB 7081

2012

1121 380.115 Vested rights and duties; effect of size  
 1122 reduction, changes in guidelines and standards.—

1123 (1) A change in a development-of-regional-impact guideline  
 1124 and standard does not abridge or modify any vested or other  
 1125 right or any duty or obligation pursuant to any development  
 1126 order or agreement that is applicable to a development of  
 1127 regional impact. A development that has received a development-  
 1128 of-regional-impact development order pursuant to s. 380.06, but  
 1129 is no longer required to undergo development-of-regional-impact  
 1130 review by operation of a change in the guidelines and standards  
 1131 or has reduced its size below the thresholds in s. 380.0651, or  
 1132 a development that is exempt pursuant to s. 380.06(24) or (29)  
 1133 ~~380.06(29)~~ shall be governed by the following procedures:

1134 (a) The development shall continue to be governed by the  
 1135 development-of-regional-impact development order and may be  
 1136 completed in reliance upon and pursuant to the development order  
 1137 unless the developer or landowner has followed the procedures  
 1138 for rescission in paragraph (b). Any proposed changes to those  
 1139 developments which continue to be governed by a development  
 1140 order shall be approved pursuant to s. 380.06(19) as it existed  
 1141 prior to a change in the development-of-regional-impact  
 1142 guidelines and standards, except that all percentage criteria  
 1143 shall be doubled and all other criteria shall be increased by 10  
 1144 percent. The development-of-regional-impact development order  
 1145 may be enforced by the local government as provided by ss.  
 1146 380.06(17) and 380.11.

1147 (b) If requested by the developer or landowner, the  
 1148 development-of-regional-impact development order shall be

HB 7081

2012

1149 rescinded by the local government having jurisdiction upon a  
1150 showing that all required mitigation related to the amount of  
1151 development that existed on the date of rescission has been  
1152 completed.

1153 Section 17. Section 1013.33, Florida Statutes, is amended  
1154 to read:

1155 1013.33 Coordination of planning with local governing  
1156 bodies.—

1157 (1) It is the policy of this state to require the  
1158 coordination of planning between boards and local governing  
1159 bodies to ensure that plans for the construction and opening of  
1160 public educational facilities are facilitated and coordinated in  
1161 time and place with plans for residential development,  
1162 concurrently with other necessary services. Such planning shall  
1163 include the integration of the educational facilities plan and  
1164 applicable policies and procedures of a board with the local  
1165 comprehensive plan and land development regulations of local  
1166 governments. The planning must include the consideration of  
1167 allowing students to attend the school located nearest their  
1168 homes when a new housing development is constructed near a  
1169 county boundary and it is more feasible to transport the  
1170 students a short distance to an existing facility in an adjacent  
1171 county than to construct a new facility or transport students  
1172 longer distances in their county of residence. The planning must  
1173 also consider the effects of the location of public education  
1174 facilities, including the feasibility of keeping central city  
1175 facilities viable, in order to encourage central city  
1176 redevelopment and the efficient use of infrastructure and to

HB 7081

2012

1177 discourage uncontrolled urban sprawl. In addition, all parties  
 1178 to the planning process must consult with state and local road  
 1179 departments to assist in implementing the Safe Paths to Schools  
 1180 program administered by the Department of Transportation.

1181 (2)(a) The school board, county, and nonexempt  
 1182 municipalities located within the geographic area of a school  
 1183 district shall enter into an interlocal agreement according to  
 1184 s. 163.31777 that jointly establishes the specific ways in which  
 1185 the plans and processes of the district school board and the  
 1186 local governments are to be coordinated. ~~The interlocal~~  
 1187 ~~agreements shall be submitted to the state land planning agency~~  
 1188 ~~and the Office of Educational Facilities in accordance with a~~  
 1189 ~~schedule published by the state land planning agency.~~

1190 ~~(b) The schedule must establish staggered due dates for~~  
 1191 ~~submission of interlocal agreements that are executed by both~~  
 1192 ~~the local government and district school board, commencing on~~  
 1193 ~~March 1, 2003, and concluding by December 1, 2004, and must set~~  
 1194 ~~the same date for all governmental entities within a school~~  
 1195 ~~district. However, if the county where the school district is~~  
 1196 ~~located contains more than 20 municipalities, the state land~~  
 1197 ~~planning agency may establish staggered due dates for the~~  
 1198 ~~submission of interlocal agreements by these municipalities. The~~  
 1199 ~~schedule must begin with those areas where both the number of~~  
 1200 ~~districtwide capital-outlay full-time-equivalent students equals~~  
 1201 ~~80 percent or more of the current year's school capacity and the~~  
 1202 ~~projected 5-year student growth rate is 1,000 or greater, or~~  
 1203 ~~where the projected 5-year student growth rate is 10 percent or~~  
 1204 ~~greater.~~

HB 7081

2012

1205 ~~(c) If the student population has declined over the 5-year~~  
 1206 ~~period preceding the due date for submittal of an interlocal~~  
 1207 ~~agreement by the local government and the district school board,~~  
 1208 ~~the local government and district school board may petition the~~  
 1209 ~~state land planning agency for a waiver of one or more of the~~  
 1210 ~~requirements of subsection (3). The waiver must be granted if~~  
 1211 ~~the procedures called for in subsection (3) are unnecessary~~  
 1212 ~~because of the school district's declining school age~~  
 1213 ~~population, considering the district's 5-year work program~~  
 1214 ~~prepared pursuant to s. 1013.35. The state land planning agency~~  
 1215 ~~may modify or revoke the waiver upon a finding that the~~  
 1216 ~~conditions upon which the waiver was granted no longer exist.~~  
 1217 ~~The district school board and local governments must submit an~~  
 1218 ~~interlocal agreement within 1 year after notification by the~~  
 1219 ~~state land planning agency that the conditions for a waiver no~~  
 1220 ~~longer exist.~~

1221 ~~(d) Interlocal agreements between local governments and~~  
 1222 ~~district school boards adopted pursuant to s. 163.3177 before~~  
 1223 ~~the effective date of subsections (2)-(7) must be updated and~~  
 1224 ~~executed pursuant to the requirements of subsections (2)-(7), if~~  
 1225 ~~necessary. Amendments to interlocal agreements adopted pursuant~~  
 1226 ~~to subsections (2)-(7) must be submitted to the state land~~  
 1227 ~~planning agency within 30 days after execution by the parties~~  
 1228 ~~for review consistent with subsections (3) and (4). Local~~  
 1229 ~~governments and the district school board in each school~~  
 1230 ~~district are encouraged to adopt a single interlocal agreement~~  
 1231 ~~in which all join as parties. The state land planning agency~~  
 1232 ~~shall assemble and make available model interlocal agreements~~

1233 ~~meeting the requirements of subsections (2)–(7) and shall notify~~  
 1234 ~~local governments and, jointly with the Department of Education,~~  
 1235 ~~the district school boards of the requirements of subsections~~  
 1236 ~~(2)–(7), the dates for compliance, and the sanctions for~~  
 1237 ~~noncompliance. The state land planning agency shall be available~~  
 1238 ~~to informally review proposed interlocal agreements. If the~~  
 1239 ~~state land planning agency has not received a proposed~~  
 1240 ~~interlocal agreement for informal review, the state land~~  
 1241 ~~planning agency shall, at least 60 days before the deadline for~~  
 1242 ~~submission of the executed agreement, renotify the local~~  
 1243 ~~government and the district school board of the upcoming~~  
 1244 ~~deadline and the potential for sanctions.~~

1245 ~~(3) At a minimum, the interlocal agreement must address~~  
 1246 ~~interlocal agreement requirements in s. 163.31777 and, if~~  
 1247 ~~applicable, s. 163.3180(6), and must address the following~~  
 1248 ~~issues:~~

1249 ~~(a) A process by which each local government and the~~  
 1250 ~~district school board agree and base their plans on consistent~~  
 1251 ~~projections of the amount, type, and distribution of population~~  
 1252 ~~growth and student enrollment. The geographic distribution of~~  
 1253 ~~jurisdiction-wide growth forecasts is a major objective of the~~  
 1254 ~~process.~~

1255 ~~(b) A process to coordinate and share information relating~~  
 1256 ~~to existing and planned public school facilities, including~~  
 1257 ~~school renovations and closures, and local government plans for~~  
 1258 ~~development and redevelopment.~~

1259 ~~(c) Participation by affected local governments with the~~  
 1260 ~~district school board in the process of evaluating potential~~

1261 ~~school closures, significant renovations to existing schools,~~  
 1262 ~~and new school site selection before land acquisition. Local~~  
 1263 ~~governments shall advise the district school board as to the~~  
 1264 ~~consistency of the proposed closure, renovation, or new site~~  
 1265 ~~with the local comprehensive plan, including appropriate~~  
 1266 ~~circumstances and criteria under which a district school board~~  
 1267 ~~may request an amendment to the comprehensive plan for school~~  
 1268 ~~siting.~~

1269 ~~(d) A process for determining the need for and timing of~~  
 1270 ~~onsite and offsite improvements to support new construction,~~  
 1271 ~~proposed expansion, or redevelopment of existing schools. The~~  
 1272 ~~process shall address identification of the party or parties~~  
 1273 ~~responsible for the improvements.~~

1274 ~~(e) A process for the school board to inform the local~~  
 1275 ~~government regarding the effect of comprehensive plan amendments~~  
 1276 ~~on school capacity. The capacity reporting must be consistent~~  
 1277 ~~with laws and rules regarding measurement of school facility~~  
 1278 ~~capacity and must also identify how the district school board~~  
 1279 ~~will meet the public school demand based on the facilities work~~  
 1280 ~~program adopted pursuant to s. 1013.35.~~

1281 ~~(f) Participation of the local governments in the~~  
 1282 ~~preparation of the annual update to the school board's 5-year~~  
 1283 ~~district facilities work program and educational plant survey~~  
 1284 ~~prepared pursuant to s. 1013.35.~~

1285 ~~(g) A process for determining where and how joint use of~~  
 1286 ~~either school board or local government facilities can be shared~~  
 1287 ~~for mutual benefit and efficiency.~~

1288 ~~(h) A procedure for the resolution of disputes between the~~

HB 7081

2012

1289 ~~district school board and local governments, which may include~~  
1290 ~~the dispute resolution processes contained in chapters 164 and~~  
1291 ~~186.~~

1292 ~~(i) An oversight process, including an opportunity for~~  
1293 ~~public participation, for the implementation of the interlocal~~  
1294 ~~agreement.~~

1295 ~~(4)(a) The Office of Educational Facilities shall submit~~  
1296 ~~any comments or concerns regarding the executed interlocal~~  
1297 ~~agreement to the state land planning agency within 30 days after~~  
1298 ~~receipt of the executed interlocal agreement. The state land~~  
1299 ~~planning agency shall review the executed interlocal agreement~~  
1300 ~~to determine whether it is consistent with the requirements of~~  
1301 ~~subsection (3), the adopted local government comprehensive plan,~~  
1302 ~~and other requirements of law. Within 60 days after receipt of~~  
1303 ~~an executed interlocal agreement, the state land planning agency~~  
1304 ~~shall publish a notice of intent in the Florida Administrative~~  
1305 ~~Weekly and shall post a copy of the notice on the agency's~~  
1306 ~~Internet site. The notice of intent must state that the~~  
1307 ~~interlocal agreement is consistent or inconsistent with the~~  
1308 ~~requirements of subsection (3) and this subsection as~~  
1309 ~~appropriate.~~

1310 ~~(b) The state land planning agency's notice is subject to~~  
1311 ~~challenge under chapter 120; however, an affected person, as~~  
1312 ~~defined in s. 163.3184(1)(a), has standing to initiate the~~  
1313 ~~administrative proceeding, and this proceeding is the sole means~~  
1314 ~~available to challenge the consistency of an interlocal~~  
1315 ~~agreement required by this section with the criteria contained~~  
1316 ~~in subsection (3) and this subsection. In order to have~~

HB 7081

2012

1317 ~~standing, each person must have submitted oral or written~~  
1318 ~~comments, recommendations, or objections to the local government~~  
1319 ~~or the school board before the adoption of the interlocal~~  
1320 ~~agreement by the district school board and local government. The~~  
1321 ~~district school board and local governments are parties to any~~  
1322 ~~such proceeding. In this proceeding, when the state land~~  
1323 ~~planning agency finds the interlocal agreement to be consistent~~  
1324 ~~with the criteria in subsection (3) and this subsection, the~~  
1325 ~~interlocal agreement must be determined to be consistent with~~  
1326 ~~subsection (3) and this subsection if the local government's and~~  
1327 ~~school board's determination of consistency is fairly debatable.~~  
1328 ~~When the state land planning agency finds the interlocal~~  
1329 ~~agreement to be inconsistent with the requirements of subsection~~  
1330 ~~(3) and this subsection, the local government's and school~~  
1331 ~~board's determination of consistency shall be sustained unless~~  
1332 ~~it is shown by a preponderance of the evidence that the~~  
1333 ~~interlocal agreement is inconsistent.~~

1334 ~~(c) If the state land planning agency enters a final order~~  
1335 ~~that finds that the interlocal agreement is inconsistent with~~  
1336 ~~the requirements of subsection (3) or this subsection, the state~~  
1337 ~~land planning agency shall forward it to the Administration~~  
1338 ~~Commission, which may impose sanctions against the local~~  
1339 ~~government pursuant to s. 163.3184(11) and may impose sanctions~~  
1340 ~~against the district school board by directing the Department of~~  
1341 ~~Education to withhold an equivalent amount of funds for school~~  
1342 ~~construction available pursuant to ss. 1013.65, 1013.68,~~  
1343 ~~1013.70, and 1013.72.~~

1344 ~~(5) If an executed interlocal agreement is not timely~~

1345 ~~submitted to the state land planning agency for review, the~~  
 1346 ~~state land planning agency shall, within 15 working days after~~  
 1347 ~~the deadline for submittal, issue to the local government and~~  
 1348 ~~the district school board a notice to show cause why sanctions~~  
 1349 ~~should not be imposed for failure to submit an executed~~  
 1350 ~~interlocal agreement by the deadline established by the agency.~~  
 1351 ~~The agency shall forward the notice and the responses to the~~  
 1352 ~~Administration Commission, which may enter a final order citing~~  
 1353 ~~the failure to comply and imposing sanctions against the local~~  
 1354 ~~government and district school board by directing the~~  
 1355 ~~appropriate agencies to withhold at least 5 percent of state~~  
 1356 ~~funds pursuant to s. 163.3184(11) and by directing the~~  
 1357 ~~Department of Education to withhold from the district school~~  
 1358 ~~board at least 5 percent of funds for school construction~~  
 1359 ~~available pursuant to ss. 1013.65, 1013.68, 1013.70, and~~  
 1360 ~~1013.72.~~

1361 ~~(6) Any local government transmitting a public school~~  
 1362 ~~element to implement school concurrency pursuant to the~~  
 1363 ~~requirements of s. 163.3180 before the effective date of this~~  
 1364 ~~section is not required to amend the element or any interlocal~~  
 1365 ~~agreement to conform with the provisions of subsections (2)-(6)~~  
 1366 ~~if the element is adopted prior to or within 1 year after the~~  
 1367 ~~effective date of subsections (2)-(6) and remains in effect.~~

1368 (3)~~(7)~~ A board and the local governing body must share and  
 1369 coordinate information related to existing and planned school  
 1370 facilities; proposals for development, redevelopment, or  
 1371 additional development; and infrastructure required to support  
 1372 the school facilities, concurrent with proposed development. A

HB 7081

2012

1373 school board shall use information produced by the demographic,  
 1374 revenue, and education estimating conferences pursuant to s.  
 1375 216.136 when preparing the district educational facilities plan  
 1376 pursuant to s. 1013.35, as modified and agreed to by the local  
 1377 governments, when provided by interlocal agreement, and the  
 1378 Office of Educational Facilities, in consideration of local  
 1379 governments' population projections, to ensure that the district  
 1380 educational facilities plan not only reflects enrollment  
 1381 projections but also considers applicable municipal and county  
 1382 growth and development projections. The projections must be  
 1383 apportioned geographically with assistance from the local  
 1384 governments using local government trend data and the school  
 1385 district student enrollment data. A school board is precluded  
 1386 from siting a new school in a jurisdiction where the school  
 1387 board has failed to provide the annual educational facilities  
 1388 plan for the prior year required pursuant to s. 1013.35 unless  
 1389 the failure is corrected.

1390 (4)~~(8)~~ The location of educational facilities shall be  
 1391 consistent with the comprehensive plan of the appropriate local  
 1392 governing body developed under part II of chapter 163 and  
 1393 consistent with the plan's implementing land development  
 1394 regulations.

1395 (5)~~(9)~~ To improve coordination relative to potential  
 1396 educational facility sites, a board shall provide written notice  
 1397 to the local government that has regulatory authority over the  
 1398 use of the land consistent with an interlocal agreement entered  
 1399 pursuant to s. 163.31777 ~~subsections (2) (6)~~ at least 60 days  
 1400 prior to acquiring or leasing property that may be used for a

HB 7081

2012

1401 new public educational facility. The local government, upon  
1402 receipt of this notice, shall notify the board within 45 days if  
1403 the site proposed for acquisition or lease is consistent with  
1404 the land use categories and policies of the local government's  
1405 comprehensive plan. This preliminary notice does not constitute  
1406 the local government's determination of consistency pursuant to  
1407 subsection (6) ~~(10)~~.

1408 ~~(6)~~ ~~(10)~~ As early in the design phase as feasible and  
1409 consistent with an interlocal agreement entered pursuant to s.  
1410 163.31777 ~~subsections (2) (6)~~, but no later than 90 days before  
1411 commencing construction, the district school board shall in  
1412 writing request a determination of consistency with the local  
1413 government's comprehensive plan. The local governing body that  
1414 regulates the use of land shall determine, in writing within 45  
1415 days after receiving the necessary information and a school  
1416 board's request for a determination, whether a proposed  
1417 educational facility is consistent with the local comprehensive  
1418 plan and consistent with local land development regulations. If  
1419 the determination is affirmative, school construction may  
1420 commence and further local government approvals are not  
1421 required, except as provided in this section. Failure of the  
1422 local governing body to make a determination in writing within  
1423 90 days after a district school board's request for a  
1424 determination of consistency shall be considered an approval of  
1425 the district school board's application. Campus master plans and  
1426 development agreements must comply with the provisions of s.  
1427 1013.30.

1428 ~~(7)~~ ~~(11)~~ A local governing body may not deny the site

HB 7081

2012

1429 applicant based on adequacy of the site plan as it relates  
 1430 solely to the needs of the school. If the site is consistent  
 1431 with the comprehensive plan's land use policies and categories  
 1432 in which public schools are identified as allowable uses, the  
 1433 local government may not deny the application but it may impose  
 1434 reasonable development standards and conditions in accordance  
 1435 with s. 1013.51(1) and consider the site plan and its adequacy  
 1436 as it relates to environmental concerns, health, safety and  
 1437 welfare, and effects on adjacent property. Standards and  
 1438 conditions may not be imposed which conflict with those  
 1439 established in this chapter or the Florida Building Code, unless  
 1440 mutually agreed and consistent with the interlocal agreement  
 1441 required by s. 163.31777 ~~subsections (2)-(6)~~.

1442 (8) ~~(12)~~ This section does not prohibit a local governing  
 1443 body and district school board from agreeing and establishing an  
 1444 alternative process for reviewing a proposed educational  
 1445 facility and site plan, and offsite impacts, pursuant to an  
 1446 interlocal agreement adopted in accordance with s. 163.31777  
 1447 ~~subsections (2)-(6)~~.

1448 (9) ~~(13)~~ Existing schools shall be considered consistent  
 1449 with the applicable local government comprehensive plan adopted  
 1450 under part II of chapter 163. If a board submits an application  
 1451 to expand an existing school site, the local governing body may  
 1452 impose reasonable development standards and conditions on the  
 1453 expansion only, and in a manner consistent with s. 1013.51(1).  
 1454 Standards and conditions may not be imposed which conflict with  
 1455 those established in this chapter or the Florida Building Code,  
 1456 unless mutually agreed. Local government review or approval is

HB 7081

2012

1457 not required for:

1458 (a) The placement of temporary or portable classroom  
1459 facilities; or

1460 (b) Proposed renovation or construction on existing school  
1461 sites, with the exception of construction that changes the  
1462 primary use of a facility, includes stadiums, or results in a  
1463 greater than 5 percent increase in student capacity, or as  
1464 mutually agreed upon, pursuant to an interlocal agreement  
1465 adopted in accordance with s. 163.31777 ~~subsections (2)-(6)~~.

1466 Section 18. Paragraph (b) of subsection (2) of section  
1467 1013.35, Florida Statutes, is amended to read:

1468 1013.35 School district educational facilities plan;  
1469 definitions; preparation, adoption, and amendment; long-term  
1470 work programs.—

1471 (2) PREPARATION OF TENTATIVE DISTRICT EDUCATIONAL  
1472 FACILITIES PLAN.—

1473 (b) The plan must also include a financially feasible  
1474 district facilities work program for a 5-year period. The work  
1475 program must include:

1476 1. A schedule of major repair and renovation projects  
1477 necessary to maintain the educational facilities and ancillary  
1478 facilities of the district.

1479 2. A schedule of capital outlay projects necessary to  
1480 ensure the availability of satisfactory student stations for the  
1481 projected student enrollment in K-12 programs. This schedule  
1482 shall consider:

1483 a. The locations, capacities, and planned utilization  
1484 rates of current educational facilities of the district. The

1485 capacity of existing satisfactory facilities, as reported in the  
 1486 Florida Inventory of School Houses must be compared to the  
 1487 capital outlay full-time-equivalent student enrollment as  
 1488 determined by the department, including all enrollment used in  
 1489 the calculation of the distribution formula in s. 1013.64.

1490 b. The proposed locations of planned facilities, whether  
 1491 those locations are consistent with the comprehensive plans of  
 1492 all affected local governments, and recommendations for  
 1493 infrastructure and other improvements to land adjacent to  
 1494 existing facilities. The provisions of ss. 1013.33(6), (7), and  
 1495 (8) ~~1013.33(10), (11), and (12)~~ and 1013.36 must be addressed  
 1496 for new facilities planned within the first 3 years of the work  
 1497 plan, as appropriate.

1498 c. Plans for the use and location of relocatable  
 1499 facilities, leased facilities, and charter school facilities.

1500 d. Plans for multitrack scheduling, grade level  
 1501 organization, block scheduling, or other alternatives that  
 1502 reduce the need for additional permanent student stations.

1503 e. Information concerning average class size and  
 1504 utilization rate by grade level within the district which will  
 1505 result if the tentative district facilities work program is  
 1506 fully implemented.

1507 f. The number and percentage of district students planned  
 1508 to be educated in relocatable facilities during each year of the  
 1509 tentative district facilities work program. For determining  
 1510 future needs, student capacity may not be assigned to any  
 1511 relocatable classroom that is scheduled for elimination or  
 1512 replacement with a permanent educational facility in the current

HB 7081

2012

1513 year of the adopted district educational facilities plan and in  
1514 the district facilities work program adopted under this section.  
1515 Those relocatable classrooms clearly identified and scheduled  
1516 for replacement in a school-board-adopted, financially feasible,  
1517 5-year district facilities work program shall be counted at zero  
1518 capacity at the time the work program is adopted and approved by  
1519 the school board. However, if the district facilities work  
1520 program is changed and the relocatable classrooms are not  
1521 replaced as scheduled in the work program, the classrooms must  
1522 be reentered into the system and be counted at actual capacity.  
1523 Relocatable classrooms may not be perpetually added to the work  
1524 program or continually extended for purposes of circumventing  
1525 this section. All relocatable classrooms not identified and  
1526 scheduled for replacement, including those owned, lease-  
1527 purchased, or leased by the school district, must be counted at  
1528 actual student capacity. The district educational facilities  
1529 plan must identify the number of relocatable student stations  
1530 scheduled for replacement during the 5-year survey period and  
1531 the total dollar amount needed for that replacement.

1532 g. Plans for the closure of any school, including plans  
1533 for disposition of the facility or usage of facility space, and  
1534 anticipated revenues.

1535 h. Projects for which capital outlay and debt service  
1536 funds accruing under s. 9(d), Art. XII of the State Constitution  
1537 are to be used shall be identified separately in priority order  
1538 on a project priority list within the district facilities work  
1539 program.

1540 3. The projected cost for each project identified in the

HB 7081

2012

1541 district facilities work program. For proposed projects for new  
 1542 student stations, a schedule shall be prepared comparing the  
 1543 planned cost and square footage for each new student station, by  
 1544 elementary, middle, and high school levels, to the low, average,  
 1545 and high cost of facilities constructed throughout the state  
 1546 during the most recent fiscal year for which data is available  
 1547 from the Department of Education.

1548 4. A schedule of estimated capital outlay revenues from  
 1549 each currently approved source which is estimated to be  
 1550 available for expenditure on the projects included in the  
 1551 district facilities work program.

1552 5. A schedule indicating which projects included in the  
 1553 district facilities work program will be funded from current  
 1554 revenues projected in subparagraph 4.

1555 6. A schedule of options for the generation of additional  
 1556 revenues by the district for expenditure on projects identified  
 1557 in the district facilities work program which are not funded  
 1558 under subparagraph 5. Additional anticipated revenues may  
 1559 include effort index grants, SIT Program awards, and Classrooms  
 1560 First funds.

1561 Section 19. Subsections (3), (5), (6), (7), (8), (9),  
 1562 (10), and (11) of section 1013.351, Florida Statutes, are  
 1563 amended to read:

1564 1013.351 Coordination of planning between the Florida  
 1565 School for the Deaf and the Blind and local governing bodies.—

1566 (3) The board of trustees and the municipality in which  
 1567 the school is located may enter into an interlocal agreement to  
 1568 establish the specific ways in which the plans and processes of

HB 7081

2012

1569 the board of trustees and the local government are to be  
1570 coordinated. ~~If the school and local government enter into an~~  
1571 ~~interlocal agreement, the agreement must be submitted to the~~  
1572 ~~state land planning agency and the Office of Educational~~  
1573 ~~Facilities.~~

1574 ~~(5) (a) The Office of Educational Facilities shall submit~~  
1575 ~~any comments or concerns regarding the executed interlocal~~  
1576 ~~agreements to the state land planning agency no later than 30~~  
1577 ~~days after receipt of the executed interlocal agreements. The~~  
1578 ~~state land planning agency shall review the executed interlocal~~  
1579 ~~agreements to determine whether they are consistent with the~~  
1580 ~~requirements of subsection (4), the adopted local government~~  
1581 ~~comprehensive plans, and other requirements of law. Not later~~  
1582 ~~than 60 days after receipt of an executed interlocal agreement,~~  
1583 ~~the state land planning agency shall publish a notice of intent~~  
1584 ~~in the Florida Administrative Weekly. The notice of intent must~~  
1585 ~~state that the interlocal agreement is consistent or~~  
1586 ~~inconsistent with the requirements of subsection (4) and this~~  
1587 ~~subsection as appropriate.~~

1588 ~~(b)1. The state land planning agency's notice is subject~~  
1589 ~~to challenge under chapter 120. However, an affected person, as~~  
1590 ~~defined in s. 163.3184, has standing to initiate the~~  
1591 ~~administrative proceeding, and this proceeding is the sole means~~  
1592 ~~available to challenge the consistency of an interlocal~~  
1593 ~~agreement with the criteria contained in subsection (4) and this~~  
1594 ~~subsection. In order to have standing, a person must have~~  
1595 ~~submitted oral or written comments, recommendations, or~~  
1596 ~~objections to the appropriate local government or the board of~~

1597 ~~trustees before the adoption of the interlocal agreement by the~~  
 1598 ~~board of trustees and local government. The board of trustees~~  
 1599 ~~and the appropriate local government are parties to any such~~  
 1600 ~~proceeding.~~

1601 ~~2. In the administrative proceeding, if the state land~~  
 1602 ~~planning agency finds the interlocal agreement to be consistent~~  
 1603 ~~with the criteria in subsection (4) and this subsection, the~~  
 1604 ~~interlocal agreement must be determined to be consistent with~~  
 1605 ~~subsection (4) and this subsection if the local government and~~  
 1606 ~~board of trustees is fairly debatable.~~

1607 ~~3. If the state land planning agency finds the interlocal~~  
 1608 ~~agreement to be inconsistent with the requirements of subsection~~  
 1609 ~~(4) and this subsection, the determination of consistency by the~~  
 1610 ~~local government and board of trustees shall be sustained unless~~  
 1611 ~~it is shown by a preponderance of the evidence that the~~  
 1612 ~~interlocal agreement is inconsistent.~~

1613 ~~(c) If the state land planning agency enters a final order~~  
 1614 ~~that finds that the interlocal agreement is inconsistent with~~  
 1615 ~~the requirements of subsection (4) or this subsection, the state~~  
 1616 ~~land planning agency shall identify the issues in dispute and~~  
 1617 ~~submit the matter to the Administration Commission for final~~  
 1618 ~~action. The report to the Administration Commission must list~~  
 1619 ~~each issue in dispute, describe the nature and basis for each~~  
 1620 ~~dispute, identify alternative resolutions of each dispute, and~~  
 1621 ~~make recommendations. After receiving the report from the state~~  
 1622 ~~land planning agency, the Administration Commission shall take~~  
 1623 ~~action to resolve the issues. In deciding upon a proper~~  
 1624 ~~resolution, the Administration Commission shall consider the~~

1625 ~~nature of the issues in dispute, the compliance of the parties~~  
 1626 ~~with this section, the extent of the conflict between the~~  
 1627 ~~parties, the comparative hardships, and the public interest~~  
 1628 ~~involved. In resolving the matter, the Administration Commission~~  
 1629 ~~may prescribe, by order, the contents of the interlocal~~  
 1630 ~~agreement which shall be executed by the board of trustees and~~  
 1631 ~~the local government.~~

1632 (5)~~(6)~~ An interlocal agreement may be amended under  
 1633 subsections (2)-(4) ~~(2)-(5)~~:

1634 (a) In conjunction with updates to the school's  
 1635 educational plant survey prepared under s. 1013.31; or

1636 (b) If either party delays by more than 12 months the  
 1637 construction of a capital improvement identified in the  
 1638 agreement.

1639 (6)~~(7)~~ This section does not prohibit a local governing  
 1640 body and the board of trustees from agreeing and establishing an  
 1641 alternative process for reviewing proposed expansions to the  
 1642 school's campus and offsite impacts, under the interlocal  
 1643 agreement adopted in accordance with subsections (2)-(5) ~~(2)-~~  
 1644 ~~(6)~~.

1645 (7)~~(8)~~ School facilities within the geographic area or the  
 1646 campus of the school as it existed on or before January 1, 1998,  
 1647 are consistent with the local government's comprehensive plan  
 1648 developed under part II of chapter 163 and consistent with the  
 1649 plan's implementing land development regulations.

1650 (8)~~(9)~~ To improve coordination relative to potential  
 1651 educational facility sites, the board of trustees shall provide  
 1652 written notice to the local governments consistent with the

HB 7081

2012

1653 interlocal agreements entered under subsections (2)-(5) ~~(2)-(6)~~  
 1654 at least 60 days before the board of trustees acquires any  
 1655 additional property. The local government shall notify the board  
 1656 of trustees no later than 45 days after receipt of this notice  
 1657 if the site proposed for acquisition is consistent with the land  
 1658 use categories and policies of the local government's  
 1659 comprehensive plan. This preliminary notice does not constitute  
 1660 the local government's determination of consistency under  
 1661 subsection (9) ~~(10)~~.

1662 (9) ~~(10)~~ As early in the design phase as feasible, but no  
 1663 later than 90 days before commencing construction, the board of  
 1664 trustees shall request in writing a determination of consistency  
 1665 with the local government's comprehensive plan and local  
 1666 development regulations for the proposed use of any property  
 1667 acquired by the board of trustees on or after January 1, 1998.  
 1668 The local governing body that regulates the use of land shall  
 1669 determine, in writing, no later than 45 days after receiving the  
 1670 necessary information and a school board's request for a  
 1671 determination, whether a proposed use of the property is  
 1672 consistent with the local comprehensive plan and consistent with  
 1673 local land development regulations. If the local governing body  
 1674 determines the proposed use is consistent, construction may  
 1675 commence and additional local government approvals are not  
 1676 required, except as provided in this section. Failure of the  
 1677 local governing body to make a determination in writing within  
 1678 90 days after receiving the board of trustees' request for a  
 1679 determination of consistency shall be considered an approval of  
 1680 the board of trustees' application. This subsection does not

HB 7081

2012

1681 apply to facilities to be located on the property if a contract  
 1682 for construction of the facilities was entered on or before the  
 1683 effective date of this act.

1684 (10)~~(11)~~ Disputes that arise in the implementation of an  
 1685 executed interlocal agreement or in the determinations required  
 1686 pursuant to subsection (8) ~~(9)~~ or subsection (9) ~~(10)~~ must be  
 1687 resolved in accordance with chapter 164.

1688 Section 20. Subsection (6) of section 1013.36, Florida  
 1689 Statutes, is amended to read:

1690 1013.36 Site planning and selection.—

1691 (6) If the school board and local government have entered  
 1692 into an interlocal agreement pursuant to ss. s. 1013.33(2) and  
 1693 ~~either s. 163.3177(6)(h)4. or s. 163.31777~~ or have developed a  
 1694 process to ensure consistency between the local government  
 1695 comprehensive plan and the school district educational  
 1696 facilities plan, site planning and selection must be consistent  
 1697 with the interlocal agreements and the plans.

1698 Section 21. This act shall take effect upon becoming a  
 1699 law.
