

ADOPTED

Senators Burke of the 11th, Walker III of the 20th, Kennedy of the 18th and Miller of the 49th offered the following amendment:

1 *Amend the substitute to SB 46 (LC 33 8609S) by striking lines 51 through 68 and inserting*
2 *in lieu thereof the following:*

3 "(e)(1) Individually identifiable vaccination information regarding a person may, without
4 the consent of the person or the person's parents or guardians, be provided to the
5 department by, or released by the department to, a:

6 (A) A local health department, hospital, physician, or other provider of medical
7 services to the person; or to

8 (B) A school or child care facility in which the person is enrolled if the person is 18
9 years of age or younger; or

10 (C) For vaccines administered pursuant to a declared public health emergency, a third
11 party that is authorized by law to collect or receive such information for the purpose of
12 averting a serious and imminent threat to life and safety, so long as such third party
13 adheres to state and federal privacy laws without the consent of the person or the
14 person's parents or guardians.

15 (2) All persons shall be enrolled unless a specific exemption is requested by the person or
16 the person's parent or guardian if the person is 18 years of age or younger; provided,
17 however, that no enrollment exemption shall be granted for the vaccination registry for
18 vaccinations administered as a result of a declared public health emergency. A parent or
19 guardian may obtain and upon request to the department shall be provided with all
20 individually identifiable vaccination registry information regarding his or her child or ward.
21 Except as provided otherwise by this Code section, individually identifiable vaccination
22 registry information shall be treated as confidential and shall not be released to a third party

23 without consent of the person or the person's parent or guardian if the person is 18 years
24 of age or younger."
