20	term occurs in:
21	(1) Code Section 33-52-1, relating to applicability of chapter;
22	(2) Code Section 33-52-2, relating to definitions; and

31	This article is adopted to provide options to address the limitations in the current methods

36	this state an attractive home jurisdiction for insurance companies; encourages economic
37	growth and increased investment in the financial services sector; and increases the
38	availability of quality insurance industry jobs in this state. These purposes are
39	accomplished by providing a basis and procedures for the transfer and novation of policies

42	effected by court order. This article establishes the requirements for notice and disclosure
