606 available to other member states.

607 (d) The Commission shall promptly notify all member states of any adverse action taken

615 from the data system.

616 SECTION 10.

617 RULEMAKING

618 (a) The Commission shall exercise its rulemaking powers pursuant to the criteria set forth
619 in this Section and the rules adopted thereunder. Rules and amendments shall become
620 binding as of the date specified in each rule or amendment.

621 (b) If a majority of the legislatures of the member states rejects a rule, by enactment of a
622 statute or resolution in the same manner used to adopt the Compact within 4 years of the
623 date of adoption of the rule, the rule shall have no further force and effect in any member
624 state.

625 (c) Rules or amendments to the rules shall be adopted at a regular or special meeting of the
626 Commission.

627 (d) Prior to promulgation and adoption of a final rule or rules by the Commission, and at
628 least thirty (30) days in advance of the meeting at which the rule shall be considered and
629 voted upon, the Commission shall file a Notice of Proposed Rulemaking:

630 (1) On the website of the Commission or other publicly accessible platform; and

631 (2) On the website of each member state audiology or speech-language pathology
632 licensing board or other publicly accessible platform or the publication in which each
633 state would otherwise publish proposed rules.

634 (e) The Notice of Proposed Rulemaking shall include:

635 (1) The proposed time, date, and location of the meeting in which the rule shall be
636 considered and voted upon;

637 (2) The text of the proposed rule or amendment and the reason for the proposed rule;

638 (3) A request for comments on the proposed rule from any interested person; and

639 (4) The manner in which interested persons may submit notice to the Commission of
640 their intention to attend the public hearing and any written comments.

641 (f) Prior to the adoption of a proposed rule, the Commission shall allow persons to submit
642 written data, facts, opinions and arguments, which shall be made available to the public.

643 (g) The Commission shall grant an opportunity for a public hearing before it adopts a rule
644 or amendment if a hearing is requested by:

645 (1) At least twenty-five (25) persons;

646 (2) A state or federal governmental subdivision or agency; or

647 (3) An association having at least twenty-five (25) members.

648 (h) If a hearing is held on the proposed rule or amendment, the Commission shall publish

650 electronic means, the Commission shall publish the mechanism for access to the electronic
651 hearing.

652 (1) All persons wishing to be heard at the hearing shall notify the executive director of
653 the Commission or other designated member in writing of their desire to appear and

654 testify at the hearing not less than five (5) business days before the scheduled date of the
655 hearing.

656 (2) Hearings shall be conducted in a manner providing each person who wishes to
657 comment a fair and reasonable opportunity to comment orally or in writing.

658 (3) All hearings shall be recorded. A copy of the recording shall be made available to
659 any person upon request and at the requesting person's expense.

660 (4) Nothing in this section shall be construed as requiring a separate hearing on each
661 rule. Rules may be grouped for the convenience of the Commission at hearings required
662 by this section.

663 (i) Following the scheduled hearing date, or by the close of business on the scheduled
664 hearing date if the hearing was not held, the Commission shall consider all written and oral
665 comments received.

666 (j) If no written notice of intent to attend the public hearing by interested parties is
667 received, the Commission may proceed with promulgation of the proposed rule without a
668 public hearing.

669 (k) The Commission shall, by majority vote of all members, take final action on the
670 proposed rule and shall determine the effective date of the rule, if any, based on the
671 rulemaking record and the full text of the rule.

672 (l) Upon determination that an emergency exists, the Commission may consider and adopt
673 an emergency rule without prior notice, opportunity for comment, or hearing, provided that
674 the usual rulemaking procedures provided in the Compact and in this section shall be
675 retroactively applied to the rule as soon as reasonably possible, in no event later than
676 ninety (90) days after the effective date of the rule. For the purposes of this provision, an
677 emergency rule is one that must be adopted immediately in order to:

678 (1) Meet an imminent threat to public health, safety, or welfare;

679 (2) Prevent a loss of Commission or member state funds; or

680 (3) Meet a deadline for the promulgation of an administrative rule that is established by
681 federal law or rule.
682 (m) The Commission or an authorized committee of the Commission may direct revisions
683 to a previously adopted rule or amendment for purposes of correcting typographical errors,
684 errors in format, errors in consistency, or grammatical errors. Public notice of any
685 revisions shall be posted on the website of the Commission. The revision shall be subject
686 to challenge by any person for a period of thirty (30) days after posting. The revision may
687 be challenged only on grounds that the revision results in a material change to a rule. A
688 challenge shall be made in writing and delivered to the chair of the Commission prior to
689 the end of the notice period. If no challenge is made, the revision shall take effect without
690 further action. If the revision is challenged, the revision may not take effect without the
691 approval of the Commission.

692 SECTION 11.

693 DISPUTE RESOLUTION AND ENFORCEMENT

694 (a) Dispute Resolution

695 (1) Upon request by a member state, the Commission shall attempt to resolve disputes
696 related to the Compact that arise among member states and between member and
697 non-member states.

698 (2) The Commission shall promulgate a rule providing for both mediation and binding
699 dispute resolution for disputes as appropriate.

700 (b) Enforcement

701 (1) The Commission, in the reasonable exercise of its discretion, shall enforce the
702 provisions and rules of this Compact.

703 (2) By majority vote, the Commission may initiate legal action in the United States
704 District Court for the District of Columbia or the federal district where the Commission

705 has its principal offices against a member state in default to enforce compliance with the
706 provisions of the Compact and its promulgated rules and bylaws. The relief sought may
707 include both injunctive relief and damages. In the event judicial enforcement is
708 necessary, the prevailing member shall be awarded all costs of litigation, including
709 reasonable attorney's fees.

710 (3) The remedies herein shall not be the exclusive remedies of the Commission. The
711 Commission may pursue any other remedies available under federal or state law.

712 SECTION 12.

713 DATE OF IMPLEMENTATION OF THE INTERSTATE COMMISSION FOR 714 AUDIOLOGY AND SPEECH-LANGUAGE PATHOLOGY PRACTICE 715 AND ASSOCIATED RULES, WITHDRAWAL, AND AMENDMENT

716 (a) The Compact shall come into effect on the date on which the Compact statute is
717 enacted into law in the 10th member state. The provisions, which become effective at that
718 time, shall be limited to the powers granted to the Commission relating to assembly and the
719 promulgation of rules. Thereafter, the Commission shall meet and exercise rulemaking
720 powers necessary to the implementation and administration of the Compact.

721 (b) Any state that joins the Compact subsequent to the Commission's initial adoption of
722 the rules shall be subject to the rules as they exist on the date on which the Compact
723 becomes law in that state. Any rule that has been previously adopted by the Commission
724 shall have the full force and effect of law on the day the Compact becomes law in that state.

725 (c) Any member state may withdraw from this Compact by enacting a statute repealing the
726 same.

727 (1) A member state's withdrawal shall not take effect until six (6) months after enactment
728 of the repealing statute.

729 (2) Withdrawal shall not affect the continuing requirement of the withdrawing state's
730 audiology or speech-language pathology licensing board to comply with the investigative
731 and adverse action reporting requirements of this act prior to the effective date of
732 withdrawal.

733 (d) Nothing contained in this Compact shall be construed to invalidate or prevent any
734 audiology or speech-language pathology licensure agreement or other cooperative
735 arrangement between a member state and a non-member state that does not conflict with
736 the provisions of this Compact.

737 (e) This Compact may be amended by the member states. No amendment to this Compact
738 shall become effective and binding upon any member state until it is enacted into the laws
739 of all member states.

740 SECTION 13.

741 CONSTRUCTION AND SEVERABILITY

742 This Compact shall be liberally construed so as to effectuate the purposes thereof. The
743 provisions of this Compact shall be severable and if any phrase, clause, sentence or
744 provision of this Compact is declared to be contrary to the constitution of any member state
745 or of the United States or the applicability thereof to any government, agency, person or
746 circumstance is held invalid, the validity of the remainder of this Compact and the
747 applicability thereof to any government, agency, person or circumstance shall not be
748 affected thereby. If this Compact shall be held contrary to the constitution of any member
749 state, the Compact shall remain in full force and effect as to the remaining member states
750 and in full force and effect as to the member state affected as to all severable matters.

751

SECTION 14.

752

BINDING EFFECT OF COMPACT AND OTHER LAWS

753

(a) Nothing herein prevents the enforcement of any other law of a member state that is not inconsistent with the Compact.

754

755

(b) All laws in a member state in conflict with the Compact are superseded to the extent of the conflict.

756

757

(c) All lawful actions of the Commission, including all rules and bylaws promulgated by the Commission, are binding upon the member states.

758

759

(d) All agreements between the Commission and the member states are binding in accordance with their terms.

760

761

(e) In the event any provision of the Compact exceeds the constitutional limits imposed on the legislature of any member state, the provision shall be ineffective to the extent of the conflict with the constitutional provision in question in that member state."

762

763

764

SECTION 5.

765

All laws and parts of laws in conflict with this Act are repealed.
