471 regulations of the corporation. A licensee shall submit the nonrefundable application fee
472 prescribed under paragraph (10) of subsection (c) of Code Section 50-27-130 with its
473 application for license renewal.

474 (b) For each application for licensure or renewal of a license approved under this Code
475 section, the amount of the application fee shall be credited toward the licensee's annual
476 licensing fee and the licensee shall remit the balance of the annual fee to the corporation
477 upon approval of a license.

485 required to obtain any approval or other form of authorization from the corporation to enter
486 into such commercial agreements or to lawfully accept such amounts or revenues. The
487 corporation shall not prescribe any terms or conditions that are required to be included into
488 such commercial agreements.

489 (e) A person that holds a license or permit to engage in sports betting issued by another
490 jurisdiction may submit a request to the corporation for a temporary license for such person
491 to immediately commence engagement in this state in sports betting. Such request shall

498 licensing fee, the chief executive officer may authorize such person to engage in sports
499 betting pursuant to this article under a temporary license for up to one year or until a final
500 determination on such person's application is made, whichever is later.

574 provider from obtaining a Type 1 sports betting license.

575 (e) A Type 1 sports betting licensee shall not offer online sports betting until the

806 (e) Each online sports betting services provider licensee, in addition to complying with
807 state and federal law pertaining to the protection of the private, personal information of
808 registered bettors, shall use all other commercially and technologically reasonable means

817 Further, and pursuant to rules promulgated by the corporation, licensees shall establish
818 safeguards, including, but not limited to, access notifications and similar security
819 safeguards, to protect each bettor's account.
- 820 (2) If a licensee determines that the information provided by a bettor to make a deposit
821 or process a withdrawal is inaccurate or incapable of verification or violates the policies
822 and procedures of the licensee, the licensee shall, within ten days, require the submission
823 of additional information that can be used to verify the identity of such bettor.

841 betting via online sports betting.

842 50-27-171.

843 (a) Licensees shall allow bettors to limit their betting activity with the licensee by, at a
844 minimum, giving bettors the opportunity to place limits on the amounts deposited, the
845 amounts wagered, and the amount of time spent wagering. Licensees shall take reasonable
846 steps to prevent bettors from overriding their self-imposed responsible gambling limits.
847 At the request of a bettor, a licensee may share the requested limitations with the
848 corporation for the sole purpose of disseminating the request to other licensees.

849 (b) The corporation shall promulgate rules and regulations that require a licensee to
850 implement responsible sports betting programs that include comprehensive training on

870 50-27-172.

871 (a) Each licensee shall adopt and adhere to a written, comprehensive policy outlining its
872 rules governing the acceptance of wagers and payouts. Such policy and rules must be
873 approved by the corporation prior to the acceptance of a wager by a licensee. Such policy

875 (b) The corporation shall promulgate rules and regulations regarding:

876 (1) The manner in which a licensee accepts wagers from and issues payouts to bettors,
877 including payouts in excess of \$10,000.00; and

879 Part 6

880 50-27-180.

881 (a) Licensees are not required to use official league data or official event data for
882 determining the results of:

883 (1) Tier 1 sports wagers on events of any organization, whether headquartered in the
884 United States or elsewhere; or

885 (2) Tier 2 sports wagers on events of organizations that are not headquartered in the
886 United States.

887 (b)(1) A professional sports governing body or sporting events operator headquartered
888 in the United States may notify the corporation that it desires licensees to use official
889 league data or official event data for determining the results of tier 2 sports wagers on its
890 sporting events. A notification under this subsection shall be made in the form and
891 manner as the corporation shall require. The corporation shall notify each licensee within
892 five days after receipt of such notification from a professional sports governing body or
893 sporting events operator. If a professional sports governing body or sporting events
894 operator does not notify the corporation of its desire to supply official league data or
895 official event data, licensees are not required to use official league data or official event
896 data for determining the results of any tier 2 wagers on sporting events of that
897 professional sports governing body or sporting events operator.

898 (2) Within 60 days after the corporation notifies each licensee as provided under
899 paragraph (1) of this subsection, or within a longer period as may be agreed between such
900 professional sports governing body or sporting events operator and the applicable
901 licensee, each such licensee shall be required to use only official league data or official
902 event data, as applicable, to determine the results of tier 2 sports wagers on sporting
903 events sanctioned by such professional sports governing body or sporting events operator,
904 except when:

905 (A) The professional sports governing body or sporting events operator, or a designee
906 thereof, is unable to provide a feed of official league data or official event data to
907 determine the results of a particular type of tier 2 sports wager, in which case licensees
908 may use any data source for determining the results of the applicable tier 2 sports wager
909 until the data feed becomes available on commercially reasonable terms and conditions;
910 or

911 (B) A licensee is able to demonstrate to the corporation that the professional sports
912 governing body or sporting events operator, or a designee thereof, will not provide a
913 feed of official league data or official event data to the licensee on commercially
914 reasonable terms and conditions.

915 (3) The following is a nonexclusive list of factors the corporation may consider in
916 evaluating whether official league data or official event data is being offered on
917 commercially reasonable terms and conditions for purposes of subparagraphs (A) and (B)
918 of paragraph (2) of this subsection:

919 (A) The availability of tier 2 official league data of a professional sports governing
920 body or tier 2 official event data of a sporting events operator to a licensee from more
921 than one authorized source;

922 (B) Market information, including, without limitation, price and other terms and
923 conditions, regarding the purchase of comparable data by licensees for the purpose of
924 settling sports wagers, for use in this state or other jurisdictions;

925 (C) The nature and quantity of the official league data or official event data, including,
926 without limitation, its speed, accuracy, reliability, and overall quality as compared to
927 comparable nonofficial data;

928 (D) The quality and complexity of the process used to collect and distribute the official
929 league data or official event data as compared to comparable nonofficial data;

930 (E) The extent to which professional sports governing bodies or sporting events
931 operators, or designees thereof, have made available to licensees the data used to settle
932 the results of tier 2 sports wagers and any terms and conditions relating to the use of
933 such data; and

934 (F) The extent to which licensees have purchased the same or similar official league
935 data or official event data on the same or similar terms, particularly in jurisdictions
936 where such purchase was not required by law or was required by law but only if offered
937 on commercially reasonable terms.

938 (4) Notwithstanding any provisions to the contrary in this Code section, including,
939 without limitation, paragraph (2) of this subsection, while the corporation is evaluating
940 whether a professional sports governing body or a sporting events operator, or the
941 designee thereof, will provide a feed of official league data or official event data on
942 commercially reasonable terms and conditions pursuant to paragraph (3) of this
943 subsection, licensees are not required to use official league data or official event data for
944 determining the results of tier 2 sports wagers.

945 (5) The corporation shall make a determination under paragraph (3) of this subsection
946 within 60 days after the licensee notifies the corporation that it desires to demonstrate that
947 the professional sports governing body or sporting events operator, or a designee thereof,
948 will not provide a feed of official league data or official event data to such licensee on
949 commercially reasonable terms and conditions.

950 Part 7

951 50-27-190.

952 Members of the corporation or designated employees thereof may, during normal business
953 hours, enter the premises of any facility of a licensee, or a third party utilized by the
954 licensee to operate and conduct business in accordance with this article, for the purpose of
955 inspecting books and records kept as required by this article to ensure that the licensee is
956 in compliance with this article or to make any other inspection of the premises necessary
957 to protect the public interests of this state and its consumers.

958 50-27-191.

959 (a) The corporation, licensees, corporation vendors, and vendors shall use commercially
960 reasonable efforts to cooperate with investigations conducted by any professional sports
961 governing body, any sporting events operator, and law enforcement agencies, including,

962 but not limited to, using commercially reasonable efforts to provide or facilitate the
963 provision of betting information.

964 (b) Licensees shall promptly report to the corporation any information relating to:

965 (1) Abnormal betting activity or patterns that may indicate a concern with the integrity

974 time the bet was placed; the location of the bet, including the internet protocol address if
975 applicable; the outcome of the bet; and records of abnormal betting activity for three years
976 after the sporting event occurs. The corporation may request such information in the form
977 and manner required by rules and regulations of the corporation. For purposes of this
978 subsection, the term 'real time' means on a commercially reasonable periodic interval.

979 (e) All records, documents, and information received by the corporation pursuant to this
980 Code section shall be considered investigative records of a law enforcement agency, shall
981 not be subject to Article 4 of Chapter 18 of this title, and shall not be released under any
982 condition without the permission of the person providing such records, documents, or
983 information.

984 (f) Nothing in this Code section shall require a sports betting licensee to provide any
985 information that is prohibited by federal, state, or local laws or rules and regulations,
986 including, without limitation, laws and rules and regulations relating to privacy and
987 personally identifiable information.

988 (g) If a professional sports governing body or sporting events operator has notified the
989 corporation that access to the information described in subsection (d) of this Code section
990 for wagers placed on its sporting events is necessary to monitor the integrity of its sporting
991 events and represents to the corporation that it specifically uses such data for the purpose
992 of monitoring the integrity of sporting events of such professional sports governing body
993 or sporting events operator, then licensees shall share, in a commercially reasonable
994 frequency, form, and manner, with the professional sports governing body or sporting
995 events operator, or a designee thereof, the same information the licensee is required to
996 maintain under subsection (d) of this Code section with respect to sports wagers on such
997 a body's or operator's sporting events. A professional sports governing body or sporting

999 for integrity-monitoring purposes only and shall not use such information for commercial
1000 or any other purposes. Nothing in this subsection shall require a licensee to provide any
1001 information that is prohibited by federal, state, or local laws, rules, or regulations,

1013 credible complaint from any person that a licensee has violated this article. The
1014 corporation shall conduct investigations and hearings in accordance with rules and
1015 regulations adopted by the corporation.

1016 (b) If the corporation determines that a licensee has violated any provision of this article
1017 or any rules and regulations of the corporation, the corporation may suspend, revoke, or
1018 refuse to renew a license; impose an administrative fine not to exceed \$25,000.00 per
1019 violation; or both.

1020 (c) The corporation shall promulgate rules and regulations establishing a schedule of
1021 administrative fines that may be assessed in accordance with subsection (b) of this Code
1022 section for each violation of this article; provided, however, if the corporation finds that:

1037 of not more than \$5,000.00 per violation, not to exceed \$50,000.00 for violations arising

1038 out of the same transaction or occurrence, which shall accrue to the corporation and may
1039 be recovered in a civil action brought by or on behalf of the corporation.

1040 (b) The corporation may seek and obtain an injunction in a court of competent jurisdiction
1041 for purposes of enforcing this article.

1042 (c) Costs shall not be taxed against the corporation or this state for actions brought under
1043 this article.

1044 50-27-195.

1045 (a) Fines assessed under this article shall be accounted for separately for use by the
1046 corporation in a manner consistent with rules and regulations of the corporation.

1047 (b) The corporation may issue subpoenas to compel the attendance of witnesses and the

1050 50-27-196.

1051 (a) A licensee or other individual aggrieved by a final decision or action of the corporation
1052 may appeal such decision or action to the Superior Court of Fulton County.

1053 (b) The Superior Court of Fulton County shall hear appeals from decisions or actions of
1054 the corporation and, based upon the record of the proceedings before the corporation, may

1057 (1) Clearly erroneous;

1058 (2) Arbitrary and capricious;
