(f) Beginning January 1, 2016, to the extent that this Code section requires benefits that 155 156 exceed the essential health benefits required under Section 1302(b) of the federal Patient 157 Protection and Affordable Care Act, P. L. 111-148, the specific benefits that exceed the 158 required essential health benefits shall not be required of a 'qualified health plan' as defined 159 in such act when the qualified health plan is offered in this state through the exchange. 160 Nothing in this subsection shall nullify the application of this Code section to plans offered 161 outside the state's exchange. 162 (g) This Code section shall not apply to any accident and sickness contract, policy, or 163 benefit plan offered by any employer with ten or fewer employees. 164 (h) Nothing in this Code section shall be construed to limit any coverage under any 165 accident and sickness contract policy or benefit plan, including, but not limited to, speech 166 therapy, occupational therapy, or physical therapy otherwise available under such plan. 167 (i) By January 15, 2017, and every January 15 thereafter, the department shall submit a 168 report to the General Assembly regarding the implementation of the coverage required under this Code section.
