AN ACT

1 To provide for the composition and number of state house districts; to provide for a short  
2 title; to provide for the continuation of present members; to provide that the provisions of this  
3 Act shall supersede and replace a districting plan and certain changes thereto; to provide for  
4 related matters; to provide an effective date; to repeal a specific Act; to repeal conflicting  
5 laws; and for other purposes.

6 BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

7 **SECTION 1.**

8 This Act shall be known and may be cited as the "Georgia House of Representatives  
9 Redistricting Act of 2023."

10 **SECTION 2.**

11 (a) For the purpose of electing members of the House of Representatives, the State of  
12 Georgia is divided into 180 representative districts. Such representative districts shall be  
13 and correspond to those 180 numbered districts described in Appendix A, incorporated into  
14 and made a part of this Act and further identified as "User: H143 Plan Name:

16 (b) For the purposes of such plan:

17 (1) The term "VTD" shall mean and describe the same geographical boundaries as  
18 provided in the report of the Bureau of the Census for the United States decennial census  
19 of 2020 for the State of Georgia. The separate numeric designations in a district  
20 description which are underneath a "VTD" heading shall mean and describe individual  
21 Blocks within a VTD as provided in the report of the Bureau of the Census for the United  
22 States decennial census of 2020 for the State of Georgia; and

23 (2) Whenever the description of any representative district refers to a named county  
24 without any additional VTD, it shall mean the geographical boundaries of that county as  
25 shown on the census maps for the United States decennial census of 2020 for the State  
26 of Georgia.

27 (c) Any part of the State of Georgia which is not included in any representative district  
28 described in subsection (a) of this section shall be included within that district contiguous  
29 to such part which contains the least population according to the United States decennial  
30 census of 2020 for the State of Georgia.

31 (d) Any part of the State of Georgia which is described in subsection (a) of this section as  
32 being included in a particular representative district shall nevertheless not be included  
33 within such representative district if such part is not contiguous to such representative  
34 district. Such noncontiguous part shall instead be included within that representative  
35 district contiguous to such part which contains the least population according to the United  
36 States decennial census of 2020 for the State of Georgia.

37 (e) The members of the House of Representatives elected in 2022 shall continue to serve  
38 the terms to which they were elected.

39 (f) Any special election to fill a vacancy in the 157th General Assembly shall use the  
40 composition of districts provided for in this Act.

41 **SECTION 3.**

42 The redistricting of the House of Representatives and the description of House Districts 1  
43 through 180 provided for pursuant to this Act shall supersede and replace the redistricting  
44 of the House of Representatives and the description of House Districts 1 through 180  
45 provided in the Georgia House of Representatives Redistricting Act of 2021, approved  
46 December 30, 2021 (Ga. L. 2021, Ex. Sess., p. 5).

47 **SECTION 4.**

48 This Act shall become effective upon its approval by the Governor or upon its becoming law  
49 without such approval.

50 **SECTION 5.**

51 An Act to provide for the composition and number of state representative districts, approved  
52 December 30, 2021 (Ga. L. 2021, Ex. Sess., p. 5), is hereby repealed in its entirety.

53 **SECTION 6.**

54 All laws and parts of laws in conflict with this Act are repealed.
