15 BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

16 style="text-align:center">**SECTION 1.**

17 style="text-align:center">Declaration of policy and necessity.

18 (a) The purpose of the Metropolitan Atlanta Aerotropolis Development Authority is to create  
19 the commercial, residential, office, logistics centered, hospitality, and convention  
20 development in metropolitan Atlanta. Such economic development also includes the concept  
21 of an aerotropolis. The creation of such economic authority may serve to bring  
22 unprecedented economic growth to the metropolitan Atlanta area and this state as a whole  
23 and would serve to further establish Atlanta as an international commercial city.

24 (b) Development of an aerotropolis will be most efficiently achieved through public and  
25 private collaboration that allows for cooperative planning and means of finance. Creation

26 of a metropolitan Atlanta aerotropolis in proximity to Hartsfield-Jackson Atlanta  
27 International Airport, including creation of the infrastructure that will be needed to serve and  
28 utilize it, will require the cooperation of the State of Georgia, Clayton County,  
29 Hartsfield-Jackson Atlanta International Airport, MARTA, other relevant governments and  
30 agencies, and the active participation of the private sector. An aerotropolis will be optimally  
31 realized if it is developed in a strategic, collaborative, and coordinated fashion. An  
32 aerotropolis is a system, and its development will be best accomplished through a joint  
33 instrumentality of various local governments within the metropolitan area collaborating with  
34 interested private parties.

35 (c) Establishment of the Metropolitan Atlanta Aerotropolis Development Authority will  
36 facilitate the interaction of governments and the private sector in the creation of an  
37 aerotropolis by providing the forum for collaborative planning among the respective  
38 governments, community and neighborhood leaders, and the private sector; coordination  
39 among the various governmental entities and interested private parties; development of  
40 projects agreed upon with the applicable governing authority; and facilitation of means of  
41 finance.

42 (d) The economic, social, and cultural well-being of the people in the metropolitan Atlanta  
43 area and development of the commercial, industrial, and educational resources thereof are  
44 matters of public interest and concern throughout this state. Accordingly, it is the public  
45 policy of this state, as a matter of public health, safety, convenience, and welfare, to promote  
46 the establishment of such a joint instrumentality in the form of the Metropolitan Atlanta  
47 Aerotropolis Development Authority, encourage participation therein by the local  
48 governments involved and by interested private parties, facilitate the accomplishment of its  
49 purposes, and bring about the realization of the opportunities afforded by such actions. It is  
50 declared that there exists in this state a need for an authority to function without profit in  
51 developing and promoting for the public good of the state the creation of an aerotropolis  
52 centered around and including Hartsfield-Jackson Atlanta International Airport for the  
53 purposes expressed in this section.

## 54 **SECTION 2.**

63 Hartsfield-Jackson Atlanta International Airport, along with attendant infrastructure, as  
64 developed according to the master plan developed by the authority.

77 expenses necessary or incident to determining the feasibility or practicability of the  
78 project; administrative expenses; and such other expenses as may be necessary or incident

80 of the same in operation. Any obligation or expense incurred for any of the foregoing

94 operation thereof, in the judgment of the authority, will result in the increased use of  
95 airport facilities or, in connection therewith, promote the agricultural, commercial,  
96 industrial, and natural resources of this state; provided, however, that no such building  
97 or facility shall be constructed by the authority unless the building or facility is located  
98 on or in the environs of property then owned by the authority, or thereafter acquired by  
99 the authority, for aerotropolis development purposes. Any project may include other  
100 structures and any and all facilities needful for the convenient use of the same in the aid  
101 of commerce, including facilities which provide public benefits by either enhancing  
102 mobility and safety, promoting economic development, or increasing the quality of life  
103 and general welfare of the public. The term project further includes mass transit systems,  
104 including, but not limited to, monorail and monobeam mass transit systems. There may

112 which the project is a part or from any other revenue producing facility under the  
113 ownership or control of the authority, including without limitation proceeds of grants,  
114 gifts, appropriations, and loans, including the proceeds of loans made by the project  
115 revolving fund, investment earnings, reserves for capital and current expenses, proceeds  
116 of insurance or condemnation, and proceeds from the sale or other disposition of  
117 property, and from any other source.

119 expenses, relocation advisory services, expenses incident to the transfer of real property,  
120 and litigation expenses of any individual, family, business, farm operation, or nonprofit  
121 organization displaced by authority projects to the extent authorized by the federal  
122 Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as  
123 amended by the federal Uniform Relocation Act Amendments of 1987, Title IV of Public  
124 Law 100-17.

125 (10) "Revenue bonds," "revenue bond," "bonds," or "bond" means any bonds, notes,  
126 interim certificates, bond anticipation notes, refunding bonds, or other evidences of

135 principal and interest of revenue bonds which may be issued for the cost of, such project,  
136 projects, or combination of projects. Any buildings or facilities acquired by the authority  
137 as projects for operation by a corporation, entity, or persons other than the authority, as  
138 distinguished from facilities acquired by the authority for operation by it and allied  
139 facilities for the direct use of the public, shall be acquired and financed under this Act  
140 only if, prior to the issuance of bonds therefor, the authority shall have entered into a  
141 lease or leases or an agreement or agreements for the sale thereof pursuant to the terms  
142 of which the lessees or purchasers shall pay to the authority such rentals or installment  
143 purchase payments, or both, as upon the basis of determinations and findings to be made  
144 by the authority will be fully sufficient to pay the principal of and interest on the bonds  
145 issued by the financing of the project, to build up and maintain any reserves deemed by  
146 the authority to be advisable in connection to the project, and to pay the cost of  
147 maintaining the buildings and facilities in good repair and of keeping them properly  
148 insured, unless the leases or agreements obligate the lessees or purchasers to pay for such  
149 insurance or maintenance. The authority is given full power and discretion to enter into  
150 any such leases or agreements as may in its judgment be desirable for the best interests  
151 of the authority. Any such lease or agreement may provide that any surplus capacity of  
152 the real property which is the subject matter thereof may be utilized by and for the benefit  
153 of the general public, in which event such surplus capacity may be maintained or  
154 operated, or both, by either the authority or by the lessee or purchaser under the lease or  
155 agreement, or in part by each, all as may be provided in the lease or agreement.

#### 156 **SECTION 4.**

#### 157 Creation of authority.

158 There is created a body corporate and politic, to be known as the Metropolitan Atlanta  
159 Aerotropolis Development Authority, as a joint public instrumentality of Clayton County and  
160 such other jurisdictions choosing to join the authority after enactment of this Act and a public  
161 corporation for the purposes provided by this Act.

**SECTION 5.**

## Board of directors and officers.

(a)(1) The board of directors of the authority shall be composed of a minimum of five voting members and a maximum of 19 voting members. Two members shall be appointees of Clayton County to be nominated by the chairperson of the county commission and elected by the county commission, one of whom shall be a member of the local business community; one member shall be appointed by the Clayton County legislative delegation; two members shall be appointed by the Governor; and two members from each such other jurisdiction choosing to join the authority after January 1, 2014, nominated by the chairperson of such governing body and elected by such governing body, one of whom shall be a member of the local business community. There shall be a minimum of four ex officio members. The four ex officio members shall be the general manager of Hartsfield-Jackson Atlanta International Airport; the general manager/chief executive officer of the Metropolitan Atlanta Rapid Transit Authority; the executive director of the Atlanta Regional Commission; and the commissioner of economic development. The chairperson of any local development authority of a jurisdiction choosing to join the authority after January 1, 2014, shall be an ex officio member.

(2) All appointments shall be for terms of four years except that a vacancy caused otherwise than by expiration of the term of office shall be filled for the unexpired portion thereof by the local governing body which made the original appointment to the vacant position, or its successor in office. A member of the board shall serve for one term. Appointments to fill expiring terms shall be made by the local governing body prior to the expiration of the term, but such appointments shall not be made more than 30 days prior to the expiration of the term. Members appointed to the board shall serve for the terms of office specified in this section and until their respective successors are appointed and qualified.

(b) A local governing body may remove any member of the board appointed by it for cause. No member shall be thus removed unless he or she has been given a copy of the charges against him or her and an opportunity to be publicly heard in his or her own defense in person or by counsel with at least ten days' written notice. A member thus removed from office shall have the right to a judicial review of his or her removal by an appeal to the superior court of the county of the local governing body which appointed him or her but only on the ground of error of law or abuse of discretion. In case of abandonment of a member's office, conviction of a crime involving moral turpitude or a plea of nolo contendere thereto, or removal from office, the office of a member shall be vacant upon the declaration of the

198 board. A member shall be deemed to have abandoned his or her office upon failure to attend  
199 any regular or special meeting of the board for a period of four months without excuse  
200 approved by a resolution of the board.

201 (c) Each appointed member of the board, except the chairperson, shall be paid by the  
202 authority a per diem allowance, in an amount equal to that provided by Code Section 45-7-21  
203 of the O.C.G.A., for each day on which that member attends an official meeting of the board  
204 or of any committee of the board; provided, however, that said per diem allowance shall not  
205 be paid to any such member for more than 130 days in any one calendar year. If the  
206 chairperson of the board is an appointed member of the board, the chairperson shall be paid  
207 by the authority a per diem allowance in the same amount for each day in which the  
208 chairperson engages in official business of the authority, including, but not limited to,  
209 attendance of any of the official meetings of the board or any committee of the board. A  
210 member of the board shall also be reimbursed for actual expenses incurred by such member  
211 in the performance of such member's duties as authorized by the board. A board member  
212 shall not be allowed employee benefits as may be authorized.

213 (d) The board shall elect one of its members as chairperson and another as vice chairperson  
214 for terms to expire on December 31 of each year to preside at meetings and perform such  
215 other duties as the board may prescribe. The presiding officer of the board may continue to  
216 vote as any other member, notwithstanding his or her duties as presiding officer, if the  
217 presiding officer so desires. The board shall also elect from its membership a secretary and  
218 a treasurer who shall serve terms expiring on December 31 of each year. A member of the  
219 board may hold only one office on the board at any one time.

220 (e) The board shall hold at least one meeting each month. The secretary of the board shall  
221 give written notice to each member of the board at least two days prior to any called meeting  
222 that may be scheduled, and the secretary shall be informed of the call of such meeting  
223 sufficiently in advance as to provide for the giving of such notice. A majority of the total  
224 membership of the board, as it may exist at the time, shall constitute a quorum. On any  
225 question presented, the number of members present shall be recorded. By affirmative vote  
226 of a majority of the members present, the board may exercise all the powers and perform all  
227 the duties of the board, except as otherwise provided by this Act or as limited by its bylaws,  
228 and no vacancy on the original membership of the board or thereafter shall impair the power  
229 of the board to act. All meetings of the board, its executive committee, and any committee  
230 appointed by the board shall be subject to all provisions of Chapter 14 of Title 50 of the  
231 O.C.G.A.

232 (f) Notwithstanding any other provisions of this Act to the contrary, the following actions  
233 by the board shall require the affirmative vote of one more than a majority of the total  
234 membership of the board as it may exist at the time:

- 235 (1) The issuance and sale of revenue bonds;
- 236 (2) The award of any contract involving \$100,000.00 or more for construction,  
237 alterations, supplies, equipment, repairs, maintenance, or services, other than professional  
238 services, or for the purchase, sale, or lease of any property. The board by appropriate  
239 resolution may delegate to the chairperson the general or specific authority to enter into  
240 contracts involving less than \$100,000.00 if such contracts are entered into in accordance  
241 with the provisions of this Act;
- 242 (3) The grant of any concession; and
- 243 (4) The award of any contract for the management of any authority owned property or  
244 facility.
- 245 (5) Invitation of a local government entity to join the authority or act upon a request by  
246 a local government entity to join the authority and provide for such membership in the  
247 same manner of such other local government authorities provided for in this section.
- 248 (g) The board shall appoint and employ, as needed, an executive director and a general  
249 counsel, neither of whom shall be a member of the board or a relative of a member of the  
250 board, and delegate to them such authority as it may deem appropriate. It may make such  
251 bylaws or rules and regulations as it may deem appropriate for its own government, not  
252 inconsistent with this Act, including the establishment of an executive committee to exercise  
253 such authority as its bylaws may prescribe.
- 254 (h) The treasurer of the authority and such other members of the board and such other  
255 officers and employees of the authority as the board may determine shall execute corporate  
256 surety bonds, conditioned upon the faithful performance of their respective duties. A blanket  
257 form of surety bond may be used for this purpose. Neither the obligation of the principal nor  
258 the surety shall extend to any loss sustained by the insolvency, failure, or closing of any  
259 depository which has been approved as a depository for public funds.
- 260 (i)(1) In addition to the requirements of subsection (h) of this section, each member of  
261 the board shall hold a meeting once each 12 months with the local governing body which  
262 appointed such member. The secretary of the board shall give written notice to each  
263 member of the board and to each local governing body at least two days prior to any  
264 meeting that may be scheduled, and the secretary shall be informed of the call of such  
265 meeting sufficiently in advance so as to provide for such notice. These meetings shall be  
266 for the purpose of reporting to the local governing bodies on the operations of the  
267 authority and on the activities of the board and making such information available to the  
268 general public. No activity which requires action by the board shall be initiated or  
269 undertaken at any meeting conducted under this subsection.

270 (2) The board shall submit once each three months a written report on the operations of  
 271 the authority and on the activities of the board to each local governing body which  
 272 appoints a member of the board.

273 **SECTION 6.**

274 Public purpose.

275 (a) The establishment of the Metropolitan Atlanta Aerotropolis Development Authority will  
 276 facilitate the interaction of governments and the private sector in the creation of an  
 277 aerotropolis centered around Hartsfield-Jackson Atlanta International Airport by providing  
 278 the forum for collaborative planning among the respective governments, community and  
 279 neighborhood leaders, and the private sector; coordination among the various governmental  
 280 entities and interested private parties; development of projects agreed upon with the  
 281 applicable governing authority; and facilitation of means of finance.

282 (b) It is found, determined, and declared that the creation of an aerotropolis through the acts  
 283 of the authority and the carrying out of its corporate purpose is in all respects for the benefit  
 284 of the people of this state, and in particular the citizens of Clayton County and such other  
 285 jurisdictions choosing to join the authority after January 1, 2014, and is a public purpose; and  
 286 that the authority will be performing an essential governmental function in the exercise of  
 287 the power conferred upon it by this Act.

288 (c) The authority shall not operate or construct any project for profit except insofar as any  
 289 such profit will inure to the benefit of the public. The authority shall fix the rates, fees, and  
 290 charges consistent with this declaration of policy such as will produce revenues only in  
 291 amounts sufficient, together with all other funds of the authority, to pay the principal of and  
 292 interest on bonds and obligations of the authority, to provide for maintenance and operation  
 293 of the authority and of its projects, and to maintain such reserves as shall have been created  
 294 in amounts sufficient in the judgment of the authority for the security of the bonds and for  
 295 the improvement, replacement, or expansion of the facilities or services of the authority.

296 **SECTION 7.**

297 Powers of authority generally.

298 The authority shall have all powers necessary or convenient to carry out and effectuate its  
 299 purpose and the provisions of this Act, including, but without limiting the generality of the  
 300 foregoing, the power:

- 301 (1) To sue and be sued in contract and in tort and to complain and defend in all courts;  
 302 (2) To have a seal and alter the same at pleasure;

303 (3) To acquire by purchase, lease, exchange, or otherwise and to hold, lease, and dispose  
304 of real and personal property of every kind and character for its corporate purposes;  
305 (4) To acquire in its own name by purchase, on such terms and conditions and in such  
306 manner as it may deem proper, or by condemnation in accordance with and subject to any  
307 and all existing laws applicable to the condemnation of property for public use real  
308 property or rights of easements therein or franchises necessary or convenient for its  
309 corporate purposes and to use the same so long as its corporate existence shall continue  
310 and to lease or make contracts with respect to the use of or to dispose of the same in any  
311 manner it deems to the best advantage of the authority in the fulfillment of its public  
312 purposes. The authority shall be under no obligation to accept and pay for any property  
313 condemned except from the funds provided under the authority of this Act. In any  
314 proceedings to condemn, such orders may be made by the court having jurisdiction of the  
315 suit, action, or proceeding as may be just to the authority and to the owners of the  
316 property to be condemned. No property shall be acquired under this Act upon which any  
317 lien or other encumbrance exists unless at the time the property is so acquired a sufficient  
318 sum of money is deposited in trust to pay and redeem the lien or encumbrance in full;  
319 provided, however, that nothing in this paragraph shall prohibit the authority from  
320 acquiring property, real or personal, tangible or intangible, from the City of Atlanta  
321 Department of Aviation or other governmental units as otherwise authorized under this  
322 Act and the laws of this state. Notwithstanding any other provision of law, the authority  
323 shall have no power of eminent domain, but Clayton County and such other jurisdictions  
324 choosing to join the authority after January 1, 2014, may, for the purposes of the  
325 authority, exercise the broadest power of eminent domain available to them or any agency  
326 or joint agency thereof, under any statute, and convey to the authority any property so  
327 acquired upon payment or credit for the total cost of any acquisition pursuant to this  
328 paragraph; provided, however, that no local governing body shall exercise any power of  
329 eminent domain pursuant to this paragraph against property located beyond its territorial  
330 limits;

331 (5) To exercise control and operation of Hartsfield-Jackson Atlanta International Airport  
332 and any and all ancillary operations that are adjacent to or in proximity to or that  
333 otherwise affect the day-to-day operations of the airport;

334 (6) To appoint, select, and employ officers, agents, and employees, including airport  
335 managers, engineers surveyors, architects, urban or city planners, construction experts,  
336 fiscal agents, attorneys, and others, and to fix their compensation and pay their expenses;

337 (6.1) To contract for or to provide for and maintain a security force with respect to the  
338 airport facilities and properties managed, operated, and maintained by the board. Except  
339 as otherwise provided by the federal Aviation and Transportation Security Act, Public

340 Law 107-71, such security force shall have the duty to protect persons and property  
341 located within the boundaries of the airport facilities and properties and to control  
342 pedestrian and vehicular traffic on such property, and to protect the public peace, health,  
343 and safety. For these purposes, members of the security force shall be peace officers and  
344 shall have authority equivalent to the authority of law enforcement officers of the county  
345 in which such officers are discharging their duties;

346 (7) By or through its authorized agents or employees, to enter upon any lands, waters,  
347 and premises in this state for the purpose of making surveys, soundings, drillings, and  
348 examinations as the authority may deem necessary or convenient for the purposes of this  
349 Act; and such entry shall not be deemed a trespass. The authority shall, however, make  
350 reimbursement for any actual damages resulting from such activities;

351 (8) To make such contracts, leases, or conveyances as the legitimate and necessary  
352 purposes of this Act shall require, including, but not limited to, contracts for construction  
353 or maintenance of projects with government units in the aerotropolis region and with  
354 private persons and corporations, provided that the authority shall consider the possible  
355 economic, social, and environmental benefits of each project, and the authority shall  
356 assure that possible adverse economic, social, and environmental effects relating to any  
357 proposed project have been fully considered in developing such project and that the final  
358 decision on the project is made in the best overall public interest;

359 (9) To construct, erect, acquire, own, repair, remodel, maintain, add to, extend, improve,  
360 equip, operate, and manage projects, as defined in paragraph (8) of Section 3 of this Act,  
361 and Hartsfield-Jackson Atlanta International Airport under paragraph (5) of this section,  
362 to be located on property owned by the authority, the cost of any such project to be paid  
363 from the proceeds of revenue bonds of the authority or from such proceeds and any grant  
364 from the State of Georgia or the United States of America or any agency or  
365 instrumentality thereof;

366 (10) To accept loans or grants, or both, of money or materials or property of any kind  
367 from the State of Georgia or the United States of America or any agency or  
368 instrumentality thereof upon such terms and conditions as the State of Georgia or the  
369 United States of America or such agency or instrumentality may impose;

370 (11) To borrow money for any of its corporate purposes. The authority may execute  
371 evidences of indebtedness therefor and may secure such indebtedness in such manner as  
372 the authority may provide by its resolution authorizing the indebtedness to be incurred,  
373 provided that the authority shall not pledge to the payment of the indebtedness revenue  
374 pledged to the payment of any other indebtedness then outstanding or encumber property  
375 in violation of the terms of any existing contract, agreement, or trust indenture securing  
376 existing indebtedness;

377 (12) To issue its revenue bonds as provided in this Act in evidence of its indebtedness  
 378 incurred pursuant to the powers described in this section, such bonds to be payable from  
 379 the revenues, receipts, and earnings of the projects and other available funds of the  
 380 authority; to execute trust agreements or indentures; to sell, convey, pledge, and assign  
 381 any and all of its funds, assets, property, and income as security for the payment of such  
 382 revenue bonds; and to provide for the payment of the same and for the rights of the  
 383 holders thereof pursuant to Article 3 of Chapter 82 of Title 36 of the O.C.G.A., the  
 384 "Revenue Bond Law";

385 (13)(A) To fix and to revise from time to time fees, rentals, and other charges for the  
 386 use of each project and for the services and facilities furnished by the same; to charge  
 387 and collect the same; and to lease and make contracts with any government unit,  
 388 person, firm, or corporation for the use of any project or part thereof.

389 (B) Such fees, rentals, and other charges shall be so fixed and adjusted so as to provide  
 390 a fund sufficient with other revenues of the project or projects, if any, to pay:

391 (i) The cost of new construction of projects;

392 (ii) The cost of maintaining, repairing, and operating the project or projects, including  
 393 reserves for extraordinary repairs and insurance and other reserves required by any  
 394 applicable resolution or trust indenture, unless such cost shall be otherwise provided  
 395 for; and

396 (iii) The principal of the revenue bonds and the interest thereon as the same shall  
 397 become due.

398 (C) The revenues and earnings derived from the projects for which a single issue of  
 399 bonds is issued, except such part thereof as may be required to pay the cost of  
 400 maintaining, repairing, and operating the project or projects and to provide such  
 401 reserves therefor as may be provided for in the resolution authorizing the issuance of  
 402 the revenue bonds or in the trust indenture, shall be set aside at such regular intervals  
 403 as may be provided in the resolution or the trust indenture in a sinking fund which is  
 404 pledged to, and charged with the payment of:

405 (i) The interest upon the revenue bonds as the interest falls due;

406 (ii) The principal of the bonds as the principal falls due;

407 (iii) The necessary charges of paying agents for paying the principal and interest; and

408 (iv) Any premium upon bonds retired by call or purchase.

409 The use and disposition of such sinking fund shall be subject to such regulations as may  
 410 be provided in the resolution authorizing the issuance of the revenue bonds or in the  
 411 trust indenture, but, except as may otherwise be provided in the resolution or trust  
 412 indenture, the sinking fund shall be a fund for the benefit of all revenue bonds without  
 413 distinction or priority of one over another. Subject to the provisions of the resolution

414 authorizing the issuance of the revenue bonds or the trust indenture, any moneys in such  
415 sinking fund in excess of an amount equal to one year's interest on all revenue bonds  
416 then outstanding may be applied to the purchase or redemption of bonds. All revenue  
417 bonds so purchased or redeemed shall forthwith be canceled and shall not again be  
418 issued;

419 (14) To pledge, mortgage, convey, assign, hypothecate, or otherwise encumber any  
420 property of the authority, including but not limited to real property, fixtures, personal  
421 property, intangible property, revenues, income, charges, fees, or other funds, and to  
422 execute any lease, trust indenture, trust agreement, resolution, agreement for the sale of  
423 the authority's bonds, loan agreement, mortgage, deed to secure debt, trust deed, security  
424 agreement, assignment, or other agreement or instrument as may be necessary or  
425 desirable, in the judgment of the authority, to secure its bonds;

426 (15) To sell or otherwise dispose of surplus personal property. The authority may sell  
427 or otherwise dispose of land and any improvements thereon acquired by the authority  
428 pursuant to law and which the authority may determine is not required for aerotropolis  
429 operations or for the future expansion and improvement of the aerotropolis, including  
430 property which is suitable for industrial development. Any such property may be sold,  
431 leased, or otherwise disposed of upon such terms and conditions as may be provided by  
432 resolution of the authority. The proceeds of any such sale shall be used by the authority  
433 for the purposes provided by law;

434 (16) To develop and execute a master plan for the development of an aerotropolis  
435 centered around Hartsfield-Jackson Atlanta International Airport;

436 (17) To exercise any power usually possessed by private corporations performing similar  
437 functions which is not in conflict with the Constitution and laws of this state;

438 (18) To do all things necessary or convenient to carry out the powers expressly given in  
439 this Act;

440 (19) To adopt, alter, or repeal its own bylaws, rules, and regulations governing the  
441 manner in which its business may be transacted and in which the power granted to it may  
442 be enjoyed, as the authority may deem necessary or expedient in facilitating its business;

443 (20) To do any and all other acts and things in this Act authorized or required to be done,  
444 whether or not included in the general powers mentioned in this section;

445 (21) To receive gifts, donations, or contributions from any person, firm, or corporation;

446 (22) To contract with any government unit in the aerotropolis region for the leasing,  
447 operation, or management of real or personal property adjacent to or serving commerce  
448 related to Hartsfield-Jackson Atlanta International Airport, including but not limited to  
449 the operation of Hartsfield-Jackson Atlanta International Airport, within the boundaries  
450 of any such government unit;

- 451 (23) To develop and improve facilities for the handling of airborne commerce from the  
 452 aerotropolis region to any part of this state and other states and foreign countries;
- 453 (24) To establish and operate the Metropolitan Atlanta Aerotropolis Development  
 454 Authority Project Revolving Fund;
- 455 (25) To hold, use, administer, and expend such sum or sums as may hereafter be  
 456 appropriated by authority of the General Assembly or the governing body of any  
 457 government unit for any of the purposes of the authority; and
- 458 (26) To do any other things necessary or proper to foster or encourage the commerce,  
 459 domestic or foreign, of the state, of the United States of America, or of the several sister  
 460 states.

461 **SECTION 7.1.**

462 Hartsfield-Jackson Atlanta  
 463 International Airport.

- 464 (a) On July 1, 2013, the authority provided to Fulton County, the City of Atlanta, or such  
 465 other political subdivision under Code Section 6-3-25 of the O.C.G.A. of Hartsfield-Jackson  
 466 Atlanta International Airport shall be transferred to, vested in, and exercised exclusively by  
 467 the Metropolitan Atlanta Aerotropolis Development Authority. Such transfer shall include  
 468 all property deeds, allocated funds relating to the airport, and ancillary operation.
- 469 (b) Each political subdivision shall cooperate with the authority in all matters necessary for  
 470 transferring, vesting, and the exercise of Hartsfield-Jackson Atlanta International Airport to  
 471 the Metropolitan Atlanta Aerotropolis Development Authority in a timely and efficient  
 472 discharge.

473 **SECTION 8.**

474 Revenue bonds.

- 475 (a) The authority is authorized to borrow money and issue its revenue bonds and bond  
 476 anticipation notes from time to time and to use the proceeds thereof for the purposes of  
 477 paying all or part of the cost of any project, including the cost of extending, adding to, or  
 478 improving such project; refunding any such bonds of the authority theretofore issued; and  
 479 paying all other costs of the authority incident to or necessary and appropriate to such  
 480 purposes, including the providing of funds to be paid into any fund or funds to secure such  
 481 bonds and notes. All such bonds and notes shall be issued in accordance with the procedures  
 482 and subject to the limitations set forth in Code Section 36-62-8 of the O.C.G.A.

483 (b) The authority is authorized, whenever revenue bonds of the authority have been  
484 validated, to issue, from time to time, its notes in anticipation of the issuance of such bonds  
485 as validated. The authority may also renew, from time to time, any such notes by the  
486 issuance of new notes, whether the notes to be renewed have or have not matured. The  
487 authority may issue notes only to provide funds which would otherwise be provided by the  
488 issuance of the bonds as validated. The notes may be authorized, sold, executed, and  
489 delivered in the same manner as bonds. As with its bonds, the authority may sell such notes  
490 at public or private sale. Any resolution or resolutions authorizing notes of the authority or  
491 any issue thereof may contain any provisions which the authority is authorized to include in  
492 any resolution or resolutions authorizing bonds of the authority or any issue thereof; and the  
493 authority may include in any notes any terms, covenants, or conditions which it is authorized  
494 to include in any bonds. Validation of such bonds shall be a condition precedent to the  
495 issuance of the notes; however, it is not required that such notes be judicially validated.  
496 Bond anticipation notes shall not be issued in an amount exceeding the par value of the bonds  
497 in anticipation of which they are to be issued.

498 (c)(1) This state and Clayton County and such other jurisdictions choosing to join the  
499 authority after January 1, 2014, covenant with the holders of the bonds that the authority  
500 shall be required to pay no taxes or assessments upon any of the property acquired by it  
501 or under its jurisdiction, control, possession, or supervision or upon its activities in the  
502 operation or maintenance of the facilities erected, maintained, or acquired by it or any  
503 fees, rentals, or other charges for the use of such facilities or other income received by  
504 the authority and that the bonds of the authority, their transfer, and the income therefrom  
505 shall at all times be exempt from taxation within the state and Clayton County and such  
506 other jurisdictions choosing to join the authority after January 1, 2014.

507 (2) The exemption from taxation provided for in this Act shall include an exemption  
508 from sales and use tax on tangible personal property purchased by the authority for use  
509 exclusively by the authority. It is recognized, however, that removal from local tax  
510 digests of the value of all property owned by the authority might impose an unfair burden  
511 on many taxpayers whose property is taxable. In the interest of weighing these benefits  
512 and concerns and arriving at an equitable policy regarding treatment of authority  
513 property, equity requires that the authority should rightfully make payments in lieu of  
514 taxes so that the authority may fulfill its good and public purposes without incidental  
515 harm to the respective local governments.

516 (d) Revenue bonds may be issued under this Act in one or more series; may bear such date  
517 or dates; may mature at such time or times, not exceeding 30 years from their respective  
518 dates; may bear interest at such rate or rates, payable at such time or times; may be payable  
519 in such medium of payment at such place or places; may be in such denomination or

520 denominations; may be in such form, either coupon or fully registered without coupons; may  
521 be issued in any specific amounts; may carry such registration, conversion, and  
522 exchangeability privileges; may be declared or become due before the maturity date thereof;  
523 may provide such call or redemption privileges; may have such rank or priority; and may  
524 contain such other terms, covenants, assignments, and conditions as the bond resolution  
525 authorizing the issuance of such bonds or any indenture or trust agreement may provide. The  
526 authority may sell such bonds in such manner, at such price or prices, and upon such terms  
527 and conditions as shall be determined by the authority.

528 (e) The bonds shall be signed by the chairperson of the authority; the corporate seal of the  
529 authority shall be impressed, imprinted, or otherwise reproduced on the bonds; and the bonds  
530 shall be attested by the signatures of the secretary and the treasurer of the authority. The  
531 coupons shall be signed in such manner as may be directed by the authority. The signatures  
532 of the officers of the authority and the seal of the authority upon any bond, note, or other debt  
533 security issued by the authority may be by facsimile if the instrument is authenticated or  
534 countersigned by a trustee other than the authority itself or an officer or employee of the  
535 authority. All bonds or notes issued under authority of this Act bearing signatures or  
536 facsimiles of the signatures of officers of the authority in office on the date of the signing  
537 thereof shall be valid and binding, notwithstanding that before the delivery thereof and  
538 payment therefor such officers whose signatures appear thereon shall have ceased to be  
539 officers of the authority. Pending the preparation of the definitive bonds, interim receipts,  
540 in such form and with such provisions as the authority may determine, may be issued to the  
541 purchasers of bonds to be issued under this Act.

542 (f) Any bond resolution authorizing the issuance of bonds and any indenture or trust  
543 agreement entered into under this Act to finance in whole or in part the acquisition,  
544 construction, reconstruction, improvement, equipment, alteration, repair, or extension of any  
545 project may contain covenants as to:

- 546 (1) The rates, fees, tolls, or charges to be charged attendant to the project;
- 547 (2) The use and disposition of the revenue to be derived from the project;
- 548 (3) The creation and maintenance of reserves or sinking funds and the regulation, use,  
549 and disposition thereof, including debt service reserve; renewal and replacement or other  
550 capital improvement reserve; and such other reserves as may be reasonably required by  
551 the authority for the operation of its projects and as may be authorized by the bond  
552 resolution or trust agreement or indenture pursuant to which the issuance of such bonds  
553 may be authorized;
- 554 (4) The purposes to which the proceeds of the sale of said bonds may be applied and the  
555 use and disposition of such proceeds;

- 556 (5) Events of default and the rights and liabilities arising thereupon, the terms and  
557 conditions upon which bonds issued under this Act shall become or may be declared due  
558 before maturity, and the terms and conditions upon which such declaration and its  
559 consequences may be waived;
- 560 (6) The issuance of other additional bonds or instruments payable from or charged  
561 against the revenue of such project;
- 562 (7) The insurance to be carried thereon and the use and disposition of insurance  
563 proceeds;
- 564 (8) Books of account and the inspection and audit thereof;
- 565 (9) Limitations or restrictions on the power to lease or otherwise dispose of the project  
566 while any of the bonds or interest thereon remains outstanding and unpaid; and
- 567 (10) The operation and maintenance of the project and of the authority.
- 568 (g) The provisions of this Act and of any bond resolution, indenture, or trust agreement  
569 entered into pursuant to this Act shall be a contract with every holder of the bonds; and the  
570 duties of the authority under this Act and under any such bond resolution, indenture, or trust  
571 agreement shall be enforceable by any bondholder by mandamus or other appropriate action  
572 or proceeding at law or in equity.
- 573 (h) The authority shall give notice to the district attorney of the Clayton Judicial Circuit of  
574 its intention to issue its revenue bonds, setting forth the fact of service of such notice, the  
575 principal amount of bonds to be issued, the purpose for which the same are to be issued,  
576 whether the bonds are to be issued in separate series or installments from time to time, the  
577 interest rate or rates which such bonds are to bear, the amount of principal to be paid in each  
578 year during the life of the bonds or the method or formula by which such amounts shall be  
579 determined, the date by which all bonds are to be paid in full, and the security to be pledged  
580 to the payment of the bonds; provided, however, that such notice, in the discretion of the  
581 authority, in lieu of specifying the rate or rates of interest which the bonds are to bear, may  
582 state that the bonds when issued will bear interest at a rate not exceeding a maximum per  
583 annum rate of interest specified in the notice or, in the event the bonds, or any series or  
584 installment thereof, are to bear different rates of interest for different maturity dates, may  
585 state that none of such rates will exceed the maximum rate specified in the notice; provided,  
586 further, that nothing in this subsection shall be construed as prohibiting or restricting the right  
587 of the authority to sell the bonds at a discount, even if in so doing the effective interest cost  
588 resulting therefrom would exceed the maximum per annum interest rate specified in the  
589 notice to the district attorney. Such notice shall be signed by the chairperson, vice  
590 chairperson, secretary, or treasurer.
- 591 (i) Within 20 days after the date of service of the required notice, the district attorney shall  
592 prepare and file in the office of the clerk of the Superior Court of Clayton County a

593 complaint directed to the Superior Court of Clayton County in the name of the state and  
594 against the authority, setting forth the fact of service of such notice, the amount of the bonds  
595 to be issued, for what purpose they are to be issued, whether the bonds are to be issued in  
596 separate series or installments from time to time, the interest rate or rates they are to bear or  
597 the maximum rate or rates of interest, the amount of principal and interest to be paid annually  
598 or the method or formula by which the amount of such payments shall be determined, and  
599 the date by which all bonds are to be paid in full. In addition, the district attorney shall  
600 obtain from the judge of the court an order requiring the authority by its proper officers to  
601 appear at such time and place as the judge may direct, either during a session of court or in  
602 chambers, within 20 days after the filing of the complaint, and show cause, if any, why the  
603 bonds should not be confirmed and validated. Such complaint and order shall be served upon  
604 the authority in the manner provided by law; and to such complaint the authority shall make  
605 sworn answer at or before the date set in the order for the hearing.

606 (j) Prior to the hearing of the case, the clerk of the Superior Court of Clayton County shall  
607 publish in the official organ of Clayton County once during each of the two weeks  
608 immediately preceding the week in which the hearing is to be held a notice to the public that,  
609 on the day specified in the order providing for the hearing of the case, the same will be heard.

610 (k) Within the time prescribed in the order or at such other time as the judge may fix, the  
611 judge of the superior court shall proceed to hear and determine all questions of law and of  
612 fact in the case, including the question of whether the contractual obligations which are made  
613 a condition precedent to the issuance of such bonds by subsection (a) of this section have  
614 been properly incurred; and the judge shall render judgment on the case. Any citizen of this  
615 state may become a party to the proceedings at or before the time set for the hearing. Any  
616 party who is dissatisfied with the judgment of the court confirming and validating the  
617 issuance of the bonds and the security therefor or refusing to confirm and validate the  
618 issuance of the bonds and the security therefor may appeal from the judgment under the  
619 procedure provided by Article 2 of Chapter 6 of Title 5 of the O.C.G.A. No appeal may be  
620 taken by any person who was not a party at the time the judgment appealed from was  
621 rendered.

622 (l) In the event no appeal is filed within 30 days after the date of the judgment of validation,  
623 or, if an appeal is filed, in the event the judgment is affirmed on appeal, the judgment of the  
624 superior court so confirming and validating the issuance of the bonds and the security  
625 therefor shall be forever conclusive upon the validity of the bonds and the security therefor.

626 (m) Bonds issued under this Act shall bear a certificate of validation signed with the  
627 facsimile or manually executed signature of the clerk of the Superior Court of Clayton  
628 County stating the date on which the bonds were validated as provided in this section; and

629 such entry shall be original evidence of the fact of judgment and shall be received as original  
630 evidence in any court in this state.

631 (n) The authority shall reimburse the district attorney for the actual costs of the case, if any.

632 (o) The bonds authorized by this Act shall be securities in which:

633 (1) All public officers and bodies of this state;

634 (2) All political subdivisions of this state;

635 (3) All insurance companies and associations and other persons carrying on an insurance  
636 business;

637 (4) All banks, bankers, trust companies, savings banks and savings associations,  
638 including savings and loan associations, building and loan associations, investment  
639 companies, and other persons carrying on a banking business;

640 (5) All administrators, guardians, executors, trustees, and other fiduciaries; and

641 (6) All other persons whatsoever who are authorized to invest in bonds or other  
642 obligations of the state

643 may properly and legally invest funds, including capital in their control or belonging to them.

644 Such bonds shall also be securities which may be deposited with and shall be received by all  
645 public officers and bodies of this state and its political subdivisions for any purpose for  
646 which deposit of the bonds or other obligations of this state is authorized.

647 (p) If any bond becomes mutilated or is lost, stolen, or destroyed, the authority may execute  
648 and deliver a new bond of like date of issue, maturity date, principal amount, and interest rate  
649 per annum as the bond so mutilated, lost, stolen, or destroyed, which new bond shall have  
650 attached thereto coupons corresponding in all respects to those, if any, on the bond mutilated,  
651 lost, stolen, or destroyed, provided that:

652 (1) In the case of any mutilated bond, such bond together with all unmatured coupons  
653 appertaining thereto is first surrendered to the authority;

654 (2) In the case of any lost, stolen, or destroyed bond, there is first furnished evidence of  
655 such loss, theft, or destruction satisfactory to the authority, together with indemnity  
656 satisfactory to the authority;

657 (3) All other reasonable requirements of the authority are complied with; and

658 (4) Expenses in connection with such transaction are paid.

659 In the event any coupon is mutilated, lost, stolen, or destroyed, the authority may issue a  
660 duplicate coupon upon the same terms and conditions as those provided for the replacement  
661 of mutilated, lost, stolen, or destroyed bonds. Any bonds or coupons surrendered for  
662 exchange shall be canceled. The authority shall be authorized to print the new bond with the  
663 validation certificate bearing the facsimile signature of the clerk of the superior court then  
664 in office, and such certificate shall have the same force and effect as in the first instance. All

665 responsibility for the issuance of any such new bonds shall be with the authority and not with  
666 such clerk; and such clerk shall have no liability in the event an overissuance occurs.  
667 (q) Any other law to the contrary notwithstanding, this Act shall govern all civil claims,  
668 proceedings, and actions respecting debt of the authority evidenced by revenue bonds.

669 **SECTION 9.**

670 **Contracts between authority and government units.**

671 (a) The authority may contract with any government unit in the aerotropolis region to make  
672 such contracts for the payment of such rates, tolls, fees, and charges as may be prescribed by  
673 the authority for the use by such government units or the residents thereof of the services and  
674 facilities of the projects of the authority. Any such government unit shall have the right and  
675 power, by resolution of its governing body, to make such a contract; and the amounts  
676 contracted to be paid by such government unit to the authority under such a contract shall  
677 constitute general obligations of such government unit for the payment of which the full faith  
678 and credit of such government unit may be pledged to provide the funds required to fulfill  
679 all obligations arising under any such contract.

680 (b) Any such government unit which enters into such a contract pursuant to this Act shall,  
681 annually in each and every fiscal year during the term of such contract, include in a general  
682 revenue or appropriation measure, whether or not any other items are included, sums  
683 sufficient to satisfy the payments required to be made in each year by such contract until all  
684 payments required under such contract have been paid in full.

685 (c) If for any reason a provision or appropriation pursuant to subsection (b) of this section  
686 is not made, then the fiscal officers of such government unit are authorized and directed to  
687 set up as an appropriation on their accounts in each fiscal year the amounts required to pay  
688 the obligations called for under any such contract. The amount of an appropriation made  
689 under this subsection in each fiscal year shall be due and payable and shall be expended for  
690 the purpose of paying and meeting the obligations provided under the terms and conditions  
691 of such contract; and such appropriation shall have the same legal status as if the contracting  
692 government unit had included the amount of the appropriation in its general revenue or  
693 appropriation measure. Such fiscal officers shall make such payment to the authority if for  
694 any reason such appropriation is not otherwise made.

695 (d) Any government unit which contracts with the authority under this Act may obligate  
696 itself and its successors to use only those projects for which it has contracted and none other.

**SECTION 10.**

Creation of the Metropolitan Atlanta Aerotropolis  
Development Authority Project Revolving Fund.

700 (a) As used in this section, the term:

701 (1) "Accounts" means the various accounts established by the Metropolitan Atlanta  
702 Aerotropolis Development Authority Project Revolving Fund in order to facilitate its  
703 operations, including, but not limited to, federal, state, and local accounts reflective of the  
704 sources of their original funding.

705 (2) "Cost of qualified project" means the cost of construction, including relocation or  
706 adjustments of utilities; the cost of all lands, properties, rights, easements, and franchises  
707 acquired; relocation expenses; the cost of all machinery and equipment necessary for the  
708 operation of the qualified project; financing charges; interest prior to and during  
709 construction and for such a period of time after completion of construction as shall be  
710 deemed necessary to allow the earnings of the qualified project to become sufficient to  
711 meet the requirements of the related debt issuance; the cost of engineering, legal  
712 expenses, plans, design, and specifications, environmental studies, and other expenses  
713 necessary or incident to determining the feasibility or practicability of the qualified  
714 project; administrative expenses; and such other expenses as may be necessary or incident  
715 to the purposes, financing, and completion of the qualified project, the program and  
716 program management of any qualified project, the construction and construction  
717 management of any qualified project, and the placing of the same in operation. Any  
718 obligation or expense incurred for any of the foregoing purposes shall be regarded as a  
719 part of the cost of the qualified project and may be paid or reimbursed as such out of the  
720 proceeds of bonds, notes, program notes, or other obligations issued for such qualified  
721 project or other applicable funds.

722 (3) "Director" means the executive director of the Metropolitan Atlanta Aerotropolis  
723 Development Authority, who shall be the administrator of the project revolving fund.
