House Bill 562

By: Representatives Drenner of the 85th and Henson of the 86th

A BILL TO BE ENTITLED AN ACT

- 1 To amend Article 10 of Chapter 2 of Title 20, Title 36, and Part 1 of Article 3 of Chapter 5
- 2 of Title 50 of the Official Code of Georgia Annotated, relating to contracts and purchases by
- 3 public schools, local government, and general authority, duties, and procedure relative to
- 4 government purchasing, respectively, so as to modify provisions relating to contractual and
- 5 purchasing preferences for Georgia service providers and certain supplies, materials,
- 6 equipment, and agricultural products grown, manufactured, or produced in this state; to
- 7 provide for related matters; to provide for applicability; to repeal conflicting laws; and for
- 8 other purposes.

9

BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

10 SECTION 1.

- 11 Article 10 of Chapter 2 of Title 20 of the Official Code of Georgia Annotated, relating to
- 12 contracts and purchases by public schools, is amended by revising Code Section 20-2-500,
- 13 relating to contracts for purchases authorized of certain supplies, materials, equipment, or
- 14 agricultural products to give preference to in-state manufacturers or producers, purchases
- over \$100,000.00, and vendor preferences, as follows:
- 16 "20-2-500.
- 17 (a)(1) Local boards of education shall provide that contracts for <u>services</u> or purchases of
- supplies, materials, equipment, or agricultural products, including but not limited to
- school buses but not including instructional materials or beverages for immediate
- 20 consumption, for public elementary and secondary schools supported in whole or in part
- from public funds shall give preference as far as may be reasonable and practicable to
- such providers of services in this state or employing Georgia residents and preference to
- supplies, materials, equipment, and agricultural products as may be available,
- 24 manufactured or produced in this state. Such preference shall not sacrifice quality.
- 25 (2) Local boards of education shall provide that, in determining whether such a
- 26 preference is reasonable in any case where the value of a contract for or purchase of such

supplies, materials, equipment, or agricultural products exceeds \$100,000.00, the local school district shall consider, among other factors, information submitted by the bidder which may include the bidder's estimate of the multiplier effect on gross state domestic product and the effect on public revenues of the state and the effect on public revenues of political subdivisions resulting from acceptance of a bid or offer to sell Georgia manufactured or produced goods as opposed to out-of-state manufactured or produced goods. Any such estimates shall be in writing. No local school district shall divide a contract or purchase which exceeds \$100,000.00 for the purpose of avoiding the requirements of this paragraph. Such rules shall require that a local school or school district, when issuing a request for a competitive bid, shall state in such bid request and place the bidding contractors on notice that the school or school district shall consider information relating to the effects on employment within this state. Before any bid shall be considered, the bid shall include an employment impact statement. An employment impact statement shall contain information related to the employment impact to this state. Such statement shall include:

- 42 (A) The number of jobs expected to be created in this state or the number of jobs
 43 expected to be retained that might otherwise be lost if the contract is awarded to another
 44 contractor;
- 45 (B) The number of jobs expected to be created in this state or the number of jobs
 46 expected to be retained that might otherwise be lost if the contract is awarded to another
 47 contractor by the subcontractors expected to be used by the contractor in the
 48 performance of the contract; and
- (C) A guarantee from the contractor that, as a condition of such contract, the jobs created or retained in this state shall not be moved outside of this state during the duration of the contract.
- The school or school district considering bid proposals shall require from the bidder such information as needed to substantiate any claim by a bidder that jobs will be created or retained in this state.
 - (b) Vendors resident in the State of Georgia are to be granted the same preference over vendors resident in another state in the same manner, on the same basis, and to the same extent that preference is granted in awarding bids for the same goods or services by such other state to vendors resident therein over vendors resident in the State of Georgia.
- 59 (c) Nothing in this Code section shall negate the requirements of Code Section 50-5-73."

SECTION 2.

- 64 36-84-1.
- 65 (a) As used in this Code section, the term 'local government' means a county, municipality,
- or consolidated government.
- 67 (b) Local governments, when contracting for <u>services</u> or purchasing supplies, materials,
- 68 equipment, or agricultural products, excluding beverages for immediate consumption, shall
- 69 give preference as far as may be reasonable and practicable to providers of services located
- in this state or employing Georgia residents and preference to such supplies, materials,
- equipment, and agricultural products as may be <u>available</u>, manufactured, or produced in
- this state. Such preference shall not sacrifice quality.
- 73 (c) In determining whether such a preference is reasonable in any case where the value of
- 74 a contract for or purchase of such supplies, materials, equipment, or agricultural products
- 75 exceeds \$100,000.00, the local government shall consider, among other factors,
- 76 information submitted by the bidder which may include the bidder's estimate of the
- 77 multiplier effect on gross state domestic product and the effect on public revenues of the
- state and the effect on public revenues of political subdivisions resulting from acceptance
- 79 of a bid or offer to sell Georgia manufactured or produced goods as opposed to out-of-state
- 80 manufactured or produced goods. Any such estimates shall be in writing. No local
- 81 government shall divide a contract or purchase which exceeds \$100,000.00 for the purpose
- 82 of avoiding the requirements of this subsection.
- 83 (c) When issuing a request for a competitive bid, a local government shall state in such bid
- 84 request and place the bidding contractors on notice that the local government receiving
- 85 <u>such bid shall consider information relating to the effects on employment within this state.</u>
- 86 Before any bid shall be considered, the bid shall include an employment impact statement.
- 87 An employment impact statement shall contain information related to the potential
- 88 employment impact to this state. Such statement shall include:
- 89 (1) The number of jobs expected to be created in this state should the bid be awarded to
- 90 the contractor and the number of jobs expected to be retained that might otherwise be lost
- 91 <u>if the contract is awarded to another contractor;</u>
- 92 (2) The number of jobs expected to be created in this state should the bid be awarded to
- 93 the contractor or the number of jobs expected to be retained that might otherwise be lost
- 94 <u>if the contract is awarded to another contractor by the subcontractors expected to be used</u>
- by the contractor in the performance of the contract; and
- 96 (3) A guarantee from the contractor that, as a condition of such contract, the jobs created
- or retained in this state shall not be moved outside of this state during the duration of the
- 98 <u>contract.</u>

99 The local government agency considering bid proposals shall require from the bidder such information as needed to substantiate any claim by a bidder that jobs will be created or 100 101 retained in this state.

(d) Nothing in this Code section shall negate the requirements of Code Section 50-5-73." 102

103 **SECTION 3.**

- Part 1 of Article 3 of Chapter 5 of Title 50 of the Official Code of Georgia Annotated, 104 105 relating to general authority, duties, and procedure relative to government purchasing, is 106 amended by revising Code Section 50-5-60, relating to preference to supplies, equipment,
- 107 materials, and printing produced in Georgia generally, as follows:

- 109 (a) The state and any department, agency, or commission thereof, when contracting for services or purchasing supplies, materials, equipment, or agricultural products, excluding 110 111 beverages for immediate consumption, shall give preference as far as may be reasonable 112 and practicable to such providers of services located in this state or employing Georgia residents and preference to supplies, materials, equipment, and agricultural products as may 113 114 be available, manufactured, or produced in this state. Such preference shall not sacrifice 115
- 116 (b) Vendors resident in the State of Georgia are to be granted the same preference over 117 vendors resident in another state in the same manner, on the same basis, and to the same 118 extent that preference is granted in awarding bids for the same goods or services by such 119 other state, or by any local government of such state, to vendors resident therein over 120 vendors resident in the State of Georgia.
 - (c) In determining whether such a preference is reasonable in any case where the value of a contract for or purchase of such supplies, materials, equipment, or agricultural products exceeds \$100,000.00, the state or its department, agency, or commission shall consider, among other factors, information submitted by the bidder which may include the bidder's estimate of the multiplier effect on gross state domestic product and the effect on public revenues of the state and the effect on public revenues of political subdivisions resulting from acceptance of a bid or offer to sell Georgia manufactured or produced goods as opposed to out-of-state manufactured or produced goods. Any such estimates shall be in writing. The state or its department, agency, or commission shall not divide a contract or purchase which exceeds \$100,000.00 for the purpose of avoiding the requirements of this subsection. Any agency, when issuing a request for a competitive bid, shall state in such bid request and place the bidding contractors on notice that the agency shall consider information relating to the effects on employment within this state. Before any bid shall be considered, the bid shall include an employment impact statement. An employment

135 impact statement shall contain information related to the potential employment impact to this state. Such statement shall include: 136 137 (1) The number of jobs expected to be created in this state should the bid be awarded to 138 the contractor and the number of jobs expected to be retained that might otherwise be lost 139 if the contract is awarded to another contractor; 140 (2) The number of jobs expected to be created in this state should the bid be awarded to 141 the contractor or the number of jobs expected to be retained that might otherwise be lost if the contract is awarded to another contractor by the subcontractors expected to be used 142 143 by the contractor in the performance of the contract; and 144 (3) A guarantee from the contractor that, as a condition of such contract, the jobs created or retained in this state shall not be moved outside of this state during the duration of the 145 146 contract. 147 The agency considering bid proposals shall require from the bidder such information as needed to substantiate any claim by a bidder that jobs will be created or retained in this 148 149 state. 150 (d)(c) Nothing in this Code section shall negate the requirements of Code Section 50-5-7." 151 **SECTION 4.** 152 Said part is further amended by revising Code Section 50-5-61, relating to state and local 153 authority preferences for supplies, materials, equipment, and agricultural products produced 154 in Georgia, as follows: 155 "50-5-61. 156 (a) State and local authorities created by law, in the purchase of and when contracting for 157 any services or purchasing supplies, materials, equipment, and or agricultural products, 158 excluding beverages for immediate consumption, shall give preference as far as may be 159 reasonable and practicable to such providers of services located in this state or employing 160 Georgia residents and preference to supplies, materials, equipment, and agricultural 161 products as may be <u>available</u>, manufactured, or produced in this state. Such preference 162 shall not sacrifice quality. 163 (b) In determining whether such a preference is reasonable in any case where the value of 164 a contract for or purchase of such supplies, materials, equipment, or agricultural products 165 exceeds \$100,000.00, the state or local authority shall consider, among other factors, information submitted by the bidder which may include the bidder's estimate of the 166 multiplier effect on gross state domestic product and the effect on public revenues of the 167 168 state and the effect on public revenues of political subdivisions resulting from acceptance

of a bid or offer to sell Georgia manufactured or produced goods as opposed to out-of-state

manufactured or produced goods. Any such estimates shall be in writing. No state or local

169

171 authority shall divide a contract or purchase which exceeds \$100,000.00 for the purpose 172 of avoiding the requirements of this subsection. Any state or local authority, when issuing 173 a solicitation for a competitive bid, shall state in such bid request and place the bidding 174 contractors on notice that the state or local authority shall consider information relating to the effects on employment within this state. Before any bid shall be considered, the bid 175 176 shall include an employment impact statement. An employment impact statement shall 177 contain information related to the potential employment impact to this state. Such statement shall include: 178 179 (1) The number of jobs expected to be created in this state should the bid be awarded to 180 the contractor and the number of jobs expected to be retained that might otherwise be lost 181 if the contract is awarded to another contractor; 182 (2) The number of jobs expected to be created in this state should be the bid be awarded 183 to the contractor or the number of jobs expected to be retained that might otherwise be 184 lost if the contract is awarded to another contractor by the subcontractors expected to be 185 used by the contractor in the performance of the contract; and 186 (3) A guarantee from the contractor that, as a condition of such contract, the jobs created 187 or retained in this state will not be moved outside of this state during the duration of the 188 contract. 189 The state or local authority considering bid proposals shall require from the bidder such information as needed to substantiate any claim by a bidder that jobs will be created or 190 191 retained in this state. 192 (c) Nothing in this Code section shall negate the requirements of Code Section 50-5-73." 193 **SECTION 5.** 194 Said part is further amended by revising Code Section 50-5-62, which is reserved, as follows: 195 "50-5-62.
