8 **SECTION 1.**

9 An Act creating the Clayton County Water Authority, approved March 7, 1955 (Ga. L. 1955,
10 p. 3344), as amended, particularly by an Act approved April 13, 2001 (Ga. L. 2001,
11 p. 4325), is amended by revising subsection (a) of Section 4 as follows:

12 "(a) There is created a body corporate and politic, to be known as the Clayton County
13 Water Authority, which shall be deemed to be a political subdivision of the State of
14 Georgia and a public corporation by that name, style, and title, which has as its purpose the
15 administration of delegate powers of government as provided herein, and whose corporate
16 purpose is in all respects for the public benefit of performing an essential governmental
17 function in the exercise of the powers conferred upon it herein. The authority may contract
18 and be contracted with, bring and defend actions, sue and be sued, implead and be
19 impleaded, and complain and defend in all courts. Nothing in this subsection shall be
20 construed to constitute a waiver of the authority's sovereign immunity, which immunity is
21 extended to the authority to the same extent as Clayton County, Georgia; provided,
22 however, that regardless of any waiver of the authority's sovereign immunity, the authority
23 shall in no event be liable for any tort committed by its officers, agents, or employees. The
24 authority shall construct, maintain, and operate the water system for and on behalf of
25 Clayton County, Georgia. The authority shall consist of a seven-member board. The

26 members of the board shall be appointed by the governing authority of said county. The
27 terms of the members shall be five years. The terms of the members shall be staggered.
28 The staggering of the terms of future members shall be consistent with the staggered
29 terms of those members in office on June 30, 2001. It is not the intent of this section to
30 increase nor decrease the term of any member in office on June 30, 2001. It is the intention
31 of this section to continue the mechanism existing on June 30, 2001, providing staggered
32 terms. All members shall serve until their successors are appointed and qualified. The
33 governing authority of the county shall fill any vacancy which occurs on the authority for the
34 unexpired term. The members shall elect a chairperson, vice chairperson, and secretary who
35 shall serve for such periods as shall be fixed by the authority. The authority shall make a
36 report of its actions to the grand jury for the November term of the superior court of said
37 county. A majority of the members shall constitute a quorum for the transaction of business.
38 A regular meeting shall be held once each month on a day to be set by the authority. Either
39 the chairperson or a majority of the other members of the authority shall have the right to call
40 a special meeting. Each member of the authority shall be given at least 24 hours' notice of
41 each special meeting. Such notice shall be delivered in person, by telephone, by fax, or by
42 written notice delivered to such member's regular place of abode. The authority shall employ
43 an attorney and provide for his or her compensation and shall employ such other employees
44 as the authority shall deem proper for the transaction of business and provide the
45 compensation therefor. All such compensation shall be payable out of the earnings of said
46 authority. No member of the present Clayton County Water Authority shall be eligible to
47 hold an elective public office of the state, the county, or a municipality unless first resigning
48 as a member of the authority. No person shall be eligible for future appointment to the
49 Clayton County Water Authority who is serving in an elective public office of the state, the
50 county, or a municipality. The authority shall succeed to and be vested with all the powers,
51 duties, and authority of the authority presently existing and it shall be a continuation of the
52 presently existing authority."
