

House Resolution 1236

By: Representatives Taylor of the 173rd, Greene of the 151st, Parrish of the 158th, Watson of the 172nd, Stephens of the 164th, and others

A RESOLUTION

1 Recognizing April 4, 2022, as "Community Health Centers Day" and commending the
2 Georgia Primary Care Association; and for other purposes.

3 WHEREAS, Federally Qualified Health Centers located in 237 medically underserved
4 communities provide high quality primary and preventive health care to more than 700,000
5 people in the State of Georgia, including more than 250,000 Medicaid recipients and 235,000
6 uninsured, the working poor, and a large number of underinsured, elderly, homeless, and
7 other vulnerable populations, without regard to income status, cultural or ethnic heritage, or
8 disease conditions; and

9 WHEREAS, Community Health Centers contribute more than \$350 million per year to
10 Georgia's economy through indirect and induced economic activity, including \$250 million
11 in household income and 3,900 Georgia jobs, that saves the Georgia Medicaid program up
12 to 33 percent in annual spending per Medicaid beneficiary; and

13 WHEREAS, Community Health Centers recruit and retain more than 750 health care
14 professionals where they are most needed and offer access to a wide range of cost-effective
15 medical and dental services, behavioral health services, prescription medicines, health

16 education, nutrition counseling, translation services, community outreach, transportation, and
17 other support programs; and

18 WHEREAS, Community Health Centers have a track record spanning more than five and a
19 half decades of controlling costs, documented in several studies which show that rates of
20 costly emergency room visits, hospitalizations, and specialty care referrals are much lower
21 among health center patients than patients of other providers; and

22 WHEREAS, Community Health Centers work in partnership with other health care
23 providers, local hospitals, health departments, social service agencies, and health related
24 support organizations to maximize resources and ensure that services are coordinated to
25 improve the health status of the community; and

26 WHEREAS, Community Health Centers have been innovators in the establishment of patient
27 centered medical homes, providing access to quality care and continuity of care for the
28 patients they serve; and

29 WHEREAS, Georgia's Community Health Centers and their state organization, the Georgia
30 Primary Care Association, have worked diligently to increase the number of Community
31 Health Centers in Georgia and across the nation and have taken a leadership role in
32 establishing more centers in underserved communities to help resolve this state's health care
33 access problems, demonstrating commendable efforts in continuous quality improvement,
34 reduction of health disparities among the underserved, the implementation of new health care
35 initiatives such as integration of medical and behavioral health services and utilization of the
36 latest technology to improve operations and delivery of services to more Georgians; and

37 WHEREAS, Community Health Centers deserve commendation for their valuable
38 contributions in expanding access to health care, their outstanding record of service, and their
39 dedication to improving health care and the health status of all Georgians.

40 NOW, THEREFORE, BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES that
41 the members of this body recognize April 4, 2022, as "Community Health Centers Day" and
42 commend the Georgia Primary Care Association for laudable service to patients in Georgia.

43 BE IT FURTHER RESOLVED that the Clerk of the House of Representatives is authorized
44 and directed to make an appropriate copy of this resolution available for distribution to the
45 Georgia Primary Care Association.
