A RESOLUTION

1 Creating the House Study Committee on Motor Vehicle Dealer License Plates and

3 WHEREAS, according to the Georgia Department of Revenue, there has been a dramatic
4 increase in the number of illegal temporary operating permits issued by Georgia licensed
5 dealers in this state and in other states; and

6 WHEREAS, the department reports that a substantial number of licensed dealers are selling
7 temporary operating permits, which is illegal, and improperly issuing multiple temporary
8 operating permits to customers when the dealers cannot timely process the title application;
9 and

10 WHEREAS, lawmakers and industry leaders have expressed concerns with the abuse of
11 dealer plates used to avoid the payment of title ad valorem taxes on luxury motor vehicles
12 and to avoid personal responsibility for citations for moving violations and unpaid tolls; and

13 WHEREAS, the department reports that it has discovered licensed motor vehicle dealers
14 selling or renting their dealer plates, which is illegal, and even sharing forged copies of their
15 dealer plates; and

16 WHEREAS, law enforcement officials report that criminals in Georgia and other states have
17 used the illegally issued temporary operating permits, rented dealer plates, and forged copies
18 of dealer plates to move stolen motor vehicles and drugs, avoid payment of title ad valorem
19 tax and title and registration fees, operate vehicles without passing required federal emissions
20 standards, and operate vehicles without minimum liability insurance; and

21 WHEREAS, study is needed to examine Georgia's issuance of dealer plates and temporary
22 operating permits to motor vehicle dealers, analyze trends, and make comparisons to other
