 515 a vessel on the waters of this state will be suspended for a minimum period of one year.
 516 Your refusal to submit to the required testing may be offered into evidence against you
 517 at trial. If you submit to testing; and the results of that test or tests may be used against

 519 ~~or more or the presence of any illegal drug, your privilege to operate a vessel on the~~
 520 ~~waters of this state may be suspended for a minimum period of one year. After first~~
 521 ~~submitting to the required state tests, you are entitled to additional chemical tests of~~

 533 grams or more or the presence of any illegal drug, your privilege to operate a vessel on
 534 the waters of this state may be suspended for a minimum period of one year. After first
 535 submitting to the required state tests, you are entitled to additional chemical tests of
 536 your blood, breath, urine, or other bodily substances at your own expense and from
 537 qualified personnel of your own choosing. Will you submit to the state administered
 538 chemical tests of your (designate which tests) under the implied consent law?'

539 If any such notice is used by a law enforcement officer to advise a person of his or her
 540 rights regarding the administration of chemical testing, such person shall be deemed to

 542 Section 52-7-12.6, and the results of any chemical test, or the refusal to submit to a test,
 543 shall be admitted into evidence against such person. ~~This notice shall be deemed~~
 544 ~~sufficient if such notice read by an arresting officer is substantially complied with~~ Such

 550 ~~chemical testing was made regarding an offense committed prior to June 1, 1998, in which~~
 551 ~~case those provisions of former Code Section 52-7-12 governing the admissibility of~~
 552 ~~evidence of results of chemical testing or refusal to submit to chemical testing which were~~
 553 ~~in effect at the time the offense was committed shall apply~~ Nothing in this Code section
 554 shall be deemed to preclude the acquisition or admission of evidence of a violation of Code
 555 Section 52-7-12 if such evidence was obtained by voluntary consent or a search warrant
 556 as authorized by the Constitution or laws of this state or the United States.

557 (d) If a person under arrest or a person who was involved in any boating accident resulting
 558 in serious injuries or fatalities submits to a chemical test upon the request of a law
 559 enforcement officer and the test results indicate that a suspension of the privilege of
 560 operating a vessel on the waters of this state is required under this Code section, the results
 561 shall be reported to the department. Upon the receipt of a ~~sworn~~ report of the law
 562 enforcement officer that the officer had reasonable grounds to believe the arrested person

563 had been operating or was in actual physical control of a moving vessel upon the waters
564 of this state in violation of Code Section 52-7-12 or that such person had been operating
565 or was in actual physical control of a moving vessel upon the waters of this state and was
566 involved in a boating accident involving serious injuries or fatalities and that the person
567 submitted to a chemical test at the request of the law enforcement officer and the test
568 results indicate either an alcohol concentration of ~~0.10~~ 0.08 grams or more or, for a person
569 under the age of 21 years, an alcohol concentration of 0.02 grams or more, and the vessel
570 being operated was a motorized vessel having ten or more horsepower or was a sailboat
571 more than 12 feet in length, the department shall suspend the person's privilege to operate
572 a vessel upon the waters of this state pursuant to Code Section 52-7-12.6, subject to review
573 as provided for in this Code section.

574 (e) If a person under arrest or a person who was involved in any boating accident resulting
575 in serious injuries or fatalities refuses, upon the request of a law enforcement officer, to
576 submit to a chemical test designated by the law enforcement officer as provided in
577 subsection (a) of this Code section, no test shall be given; but the law enforcement officer
578 shall report the refusal to the department. Upon the receipt of a ~~sworn~~ report of the law
579 enforcement officer that the officer had reasonable grounds to believe the arrested person
580 had been operating or was in actual physical control of a moving vessel upon the waters
581 of this state in violation of Code Section 52-7-12 or that such person had been operating
582 or was in actual physical control of a moving vessel upon the waters of this state and was
583 involved in a boating accident which resulted in serious injuries or fatalities and that the
584 person had refused to submit to the test upon the request of the law enforcement officer,
585 and the vessel being operated was a motorized vessel having ten or more horsepower or
586 was a sailboat more than 12 feet in length, the department shall suspend the person's
587 privilege of operating a vessel on the waters of this state for a period of one year.

588 (f)(1) The law enforcement officer, acting on behalf of the department, shall personally
589 serve the notice of intention to suspend or disqualify the privilege of operating a vessel
590 on the waters of this state of the arrested person or other person refusing such test on such
591 person at the time of the person's refusal to submit to a test or at the time at which such
592 a test indicates that suspension or disqualification is required under this Code section.
593 The officer shall forward to the department the notice of intent to suspend and the ~~sworn~~
594 report required by subsection (d) or (e) of this Code section within ten calendar days after
595 the date of the arrest of such person. The failure of the officer to transmit the sworn
596 report required by this Code section within ten calendar days shall not prevent the
597 department from accepting such report and utilizing it in the suspension of an operator's
598 privilege as provided in this Code section.

599 (2) If notice has not been given by the arresting officer, the department, upon receipt of
 600 the ~~sworn~~ report of such officer, shall suspend the person's privilege to operate a vessel
 601 and, by regular mail, at the last known address, notify such person of such suspension.
 602 The notice shall inform the person of the grounds of suspension, the effective date of the
 603 suspension, and the right to review. The notice shall be deemed received three days after
 604 mailing.

605 (g)(1) A person whose operator's privilege is suspended pursuant to this Code section
 606 shall request, in writing, a hearing within ten business days from the date of personal
 607 notice or receipt of notice sent by certified mail or statutory overnight delivery, return
 608 receipt requested, or the right to said hearing shall be deemed waived. Within 30 days
 609 after receiving a written request for a hearing, the department shall hold a hearing as is
 610 provided in Chapter 13 of Title 50, the 'Georgia Administrative Procedure Act.' The
 611 hearing shall be recorded. For purposes of such hearing, a copy of the report required by
 612 subsection (d) or (e) of this Code section shall be made a part of the hearing record and
 613 shall create a rebuttable presumption that the vessel being operated was a motorized
 614 vessel having ten or more horsepower or was a sailboat more than 12 feet in length.

615 (2) The scope of the hearing shall be limited to the following issues:

616 (A)(i) Whether the law enforcement officer had reasonable grounds to believe the
 617 person was operating or in actual physical control of a moving vessel while under the
 618 influence of alcohol or a controlled substance and was lawfully placed under arrest
 619 for violating Code Section 52-7-12.

620 (ii) Whether the person was involved in a vessel accident or collision resulting in
 621 serious injury or fatality;

622 (B) Whether at the time of the request for the test or tests the officer informed the
 623 person of the person's implied consent rights and the consequence of submitting or
 624 refusing to submit to such test and:

625 (i) Whether the person refused the test; or

626 (ii) Whether a test or tests were administered and the results indicated an alcohol
 627 concentration of ~~0.10~~ 0.08 grams or more or, for a person under the age of 21 years,
 628 an alcohol concentration of 0.02 grams or more; and

629 (C) Whether the test or tests were properly administered by an individual possessing
 630 a valid permit issued by the Division of Forensic Sciences of the Georgia Bureau of
 631 Investigation on an instrument approved by the Division of Forensic Sciences or a test
 632 conducted by the Division of Forensic Sciences, including whether the machine at the
 633 time of the test was operated with all its electronic and operating components
 634 prescribed by its manufacturer properly attached and in good working order, which
 635 shall be required. A copy of the operator's permit showing that the operator has been

636 trained on the particular type of instrument used and one of the original copies of the
637 test results or, where the test is performed by the Division of Forensic Sciences, a copy
638 of the crime lab report shall satisfy the requirements of this subparagraph.

639 (3) The hearing officer shall, within five calendar days after such hearing, forward a
640 decision to the department to rescind or sustain the suspension of the person's privilege
641 to operate a vessel on the waters of this state. If no hearing is requested within the ten
642 business days specified in paragraph (1) of this subsection, and the failure to request such
643 hearing is due in whole or in part to the reasonably avoidable fault of the person, the right
644 to a hearing shall have been waived. The request for a hearing shall not stay the
645 suspension of the person's privilege to operate a vessel on the waters of this state;
646 provided, however, that if the hearing is timely requested and is not held within 60 days
647 and the delay is not due in whole or in part to the reasonably avoidable fault of the
648 person, the suspension shall be stayed until such time as the hearing is held and the
649 hearing officer's decision is made.

650 (4) In the event the person is acquitted of a violation of Code Section 52-7-12 or such
651 charge is initially disposed of other than by a conviction or plea of nolo contendere, then
652 the suspension shall be terminated. An accepted plea of nolo contendere shall be entered
653 on the operator's record and shall be considered and counted as a conviction for purposes
654 of any future violations of Code Section 52-7-12.

655 (h) If the suspension is sustained after such a hearing, the person whose privilege to
656 operate a vessel on the waters of this state has been suspended under this Code section shall
657 have a right to file for a judicial review of the department's final decision, as provided for
658 in Chapter 13 of Title 50, the 'Georgia Administrative Procedure Act'; while such appeal
659 is pending, the order of the department shall not be stayed.

660 (i) Each time an approved breath-testing instrument is inspected, the inspector shall
661 prepare a certificate which shall be signed under oath by the inspector and which shall
662 include the following language:

663 'This breath-testing instrument (serial no. _____) was thoroughly inspected, tested,
664 and standardized by the undersigned on (date _____) and all of its electronic and
665 operating components prescribed by its manufacturer are properly attached and are in
666 good working order.'

667 When properly prepared and executed, as prescribed in this subsection, the certificate shall,
668 notwithstanding any other provision of law, be self-authenticating, shall be admissible in
669 any court of law, and shall satisfy the pertinent requirements of paragraph (1) of subsection
670 (c) of Code Section 52-7-12 and subparagraph (g)(2)(C) of this Code section."
