

Senate Bill 204

By: Senators Tippins of the 37th, Sims of the 12th, Miller of the 49th, Butler of the 55th,
Dugan of the 30th and others

A BILL TO BE ENTITLED

AN ACT

1 To amend Chapter 4 of Title 20 of the Official Code of Georgia Annotated, relating to
2 vocational, technical, and adult education, so as to provide for the State Board of the
3 Technical College System of Georgia to award high school diplomas; to provide for a pilot
4 program by the State Board of the Technical College System of Georgia which allows
5 students who are 16 years of age or older, who have completed certain coursework
6 requirements, and who have withdrawn from such secondary school, to enroll in the Dual
7 Achieve Program at a technical college of this state and achieve a high school diploma in
8 conjunction with successful completion of the program; to provide for the purposes of the
9 pilot program; to provide for requirements for student eligibility to participate in and
10 complete the program; to provide for waivers and variances; to provide for definitions; to
11 provide for rules and regulations; to provide for a repealer; to amend Chapter 2 of Title 20
12 of the Official Code of Georgia Annotated, relating to elementary and secondary education,
13 so as to provide for notice requirements for students under age 18 before withdrawing from
14 a public secondary school in this state; to provide for related matters; to repeal conflicting
15 laws; and for other purposes.

16 BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

PART I.**SECTION 1-1.**

17 Chapter 4 of Title 20 of the Official Code of Georgia Annotated, relating to vocational,
18 technical, and adult education, is amended in Code Section 20-4-11, relating to powers of the
19 board, by revising paragraphs (1), (2), and (10) and inserting a new paragraph to read as
20 follows:
21 follows:

22 "20-4-11.

23 The State Board of the Technical College System of Georgia shall be empowered to:

24 (1) Provide for a comprehensive program of literacy, career, occupational, and technical
25 education for adults and out-of-school youths. Such program shall promote the economic
26 well-being of Georgia citizens by providing high quality postsecondary technical and
27 adult education and literacy programs, services, and activities which are easily accessible
28 by all segments of the adult population who need and can benefit from training,
29 retraining, or upgrade training for employment and which is highly responsive to
30 individuals needing to achieve basic, general, and specialized literacy. Such program
31 shall also provide an opportunity for individuals, including out-of-school youths, who
32 have reached age 16 and who meet certain criteria provided for in this chapter, to attain
33 a high school diploma in conjunction with the completion of one or more other
34 components of the postsecondary technical program. Such program shall also provide
35 a system of schools which is a full partner in the economic development and expansion
36 of the state's economic base and represents a significant asset in the attraction of new
37 business and industry to the state and the expansion of existing business and industry in
38 the state;

39 (2) Establish and promulgate standards, rules, regulations, and policies for the orderly
40 and efficient operation of the Technical College System of Georgia and of postsecondary
41 technical schools, programs, and institutions, including those which it operates and those
42

43 operated by local and area boards of education, and for the orderly and efficient provision
44 of adult ~~literacy~~ education and literacy programs:

45 (A) Such standards, rules, regulations, and policies may include but not be limited to
46 developing criteria for the recruitment, employment and retention of faculty and staff;
47 recruitment of students and student admissions; program approval, salaries and salary
48 supplements, tuition, and fees; eligibility of public and private providers of adult
49 literacy education programs for state and federal funds, levels of funding for such
50 providers and associated levels of required provider matching funds; long and
51 short-term planning to include facilities, program standards, and outcome
52 competencies; establishing provisions for appropriate recognition of program
53 achievement below the baccalaureate level; soliciting resources from the private sector;
54 industry and education partnerships; research and data collection; representing
55 postsecondary technical and adult literacy education in all forums; and such other
56 functions necessary to assure an effective and efficient state-wide system of
57 postsecondary technical schools and adult literacy education with leadership at the state
58 level; and

59 (B) For adult education and literacy programs, the state board shall establish:

60 (i) Comprehensive and detailed standards ~~One set of standards for public and private~~
61 ~~adult education and literacy providers and another set of standards for private adult~~
62 ~~education and literacy providers. The public standards shall be more comprehensive~~
63 ~~and detailed than the private standards; and~~

64 (ii) Standards and requirements for the attainment of a high school equivalency
65 certificate which shall be comparable to the high school graduation requirements set
66 by the State Board of Education for public school programs and which shall also be
67 at least equal to the requirements established for a general educational development
68 (GED) diploma. ~~The State Board of the Technical College System of Georgia~~ state

69 board shall also adopt and administer an instrument to measure the level of
70 achievement required to obtain a high school equivalency certificate; and
71 (iii) Standards and requirements for the attainment of a high school diploma
72 conferred by the state board which shall be comparable to the high school graduation
73 requirements set by the State Board of Education for public school programs;”
74 “(10)(A) Approve a request by a postsecondary technical school or institution governed
75 under this chapter to be named a technical college upon the approval and granting of
76 occupational degree-granting status by the State Board of the Technical College System
77 of Georgia and upon receiving accreditation by the Commission on Colleges of the
78 Southern Association of Schools, the Council on Occupational Education, or any other
79 appropriate accrediting agency approved by the United States Secretary of Education.
80 The use of the name technical college shall not alter the governance of the technical
81 school or institution as established under this chapter nor shall it abridge the authority
82 of the Board of Regents of the University System of Georgia under the Constitution of
83 this state; and
84 (B) Award high school diplomas as provided for in this chapter; and”

85 **SECTION 1-2.**

86 Said chapter is further amended by revising Code Section 20-4-18, relating to management
87 and control of adult literacy and postsecondary technical education programs and schools,
88 as follows:

89 “20-4-18.

90 Subject to the provisions of Code Section 20-4-20, any other Code section of this article
91 to the contrary notwithstanding, all decisions regarding the delivery of adult literacy and
92 postsecondary technical education programs and services to business, industry, and
93 individuals who are 16 years of age or older and who have completed or left the public
94 schools, to include the awarding of high school equivalency certificates and diplomas, shall

95 be made by the Technical College System of Georgia. Commensurate with this authority,
96 the system shall exercise state level management and operational control over adult literacy
97 education programs, postsecondary technical schools, and adult vocational centers."

98 **SECTION 1-3.**

99 Said chapter is further amended by adding a new article to read as follows:

100 "ARTICLE 6

101 20-4-140.

102 (a) As used in this article, the term:

103 (1) 'Dual Achievement Program' or 'program' means the program provided for in this
104 article.

105 (2) 'Eligible student' means a student who meets the qualifications to participate in the
106 program.

107 (3) 'State board' means the State Board of the Technical College System of Georgia.

108 (4) 'Technical college system' means the Technical College System of Georgia.

109 20-4-141.

110 (a)(1) The state board shall, in coordination with the State Board of Education,
111 Department of Education, the Department of Juvenile Justice, the Department of
112 Corrections, and the Office of Planning and Budget, establish a pilot program to allow
113 students who meet eligibility requirements to qualify for enrollment in the Dual
114 Achievement Program at a participating unit of the technical college system and, upon
115 successful completion of the program, be awarded a high school diploma. The purpose
116 of the pilot program is to assess the feasibility of implementing a state-funded program
117 for eligible students who have withdrawn from high school to enroll in a unit of the

118 technical college system to participate in an academic and technical education and
119 training program which, upon successful completion, allows the student to earn a high
120 school diploma while also earning a technical college associate degree, a technical
121 college diploma, or technical college certificates of credit in specific career pathways.
122 (2) To implement the pilot program, notwithstanding any other provision of law to the
123 contrary, the State Board of the Technical College System of Georgia and the State Board
124 of Education shall be authorized to waive or provide variances to state rules, regulations,
125 policies, and procedures and to provisions of this title that may be reasonably necessary
126 to meet the goals of the pilot program. Such waivers or variances shall automatically
127 expire at the end of five years unless an earlier expiration is provided for. The State
128 Board of the Technical College System of Georgia and the State Board of Education shall
129 be authorized to seek waivers or variances of federal laws, rules, regulations, policies,
130 and procedures that may be reasonably necessary to meet the goals of the pilot program.
131 (3) The pilot program, as determined by the state board, may include up to five units of
132 the technical college system for a period of five years. In an effort to pilot the program
133 under various conditions present in the state, the state board shall seek to include in the
134 pilot program units of the technical college system from various geographic areas in the
135 state.
136 (4) The state board shall review the results of the pilot program and shall no later than
137 February 1 each year during the program provide the General Assembly with a
138 comprehensive report on the program with any recommendations for its continued use
139 and any needed changes in the program. Such report shall include a comprehensive list
140 any such waivers or variances requested as provided for in paragraph (2) of this
141 subsection, a statement of necessity for each request, and whether each request was
142 granted in whole or in part.
143 (b) The pilot program established by the state board pursuant to this article shall provide
144 for the award of a high school diploma to students who successfully complete the program.

145 (c) The state board shall determine the specific competencies concerning the skills and
146 knowledge needed for completion of each component of the program; provided, however,
147 that the state board shall make such determination regarding the skills and knowledge
148 needed to meet the requirements for a high school diploma as provided for in this program
149 in consultation with the State Board of Education and the Department of Education.

150 (d) In order to minimize the risk of prospective students prematurely withdrawing from
151 a secondary school in order to participate in the program, the state board shall provide for
152 preliminary review of academic records, including, but not limited to official secondary
153 school transcripts, submitted by prospective students to determine whether such students
154 meet the requirements provided for in paragraphs (1) and (2) of subsection (e) of this Code
155 Section. If a prospective student meets such requirements, the student shall be so notified
156 and allowed to complete a readiness assessment required by the technical college system.
157 Students who meet the requirements provided for in paragraphs (1) and (2) of
158 subsection (e) of this Code Section and attain a score of admission acceptable on the
159 readiness assessment shall be notified that they are eligible to participate in the program,
160 subject to meeting the requirements provided for in paragraphs (4) and (5) of subsection (e)
161 of this Code Section.

162 (e) To be eligible to participate in the program, a student shall:

163 (1) Be 16 years of age or older;

164 (2) Have completed at least six of the nine following state required ninth and tenth grade
165 level high school courses: two English courses, two mathematics courses, two science
166 courses, two social studies courses, and one health and physical education course; and
167 any state required tests associated with any such courses;

168 (3) Receive a score of admission acceptable on the readiness assessment required by the
169 technical college system;

170 (4) Provide the following:

171 (A) If an unemancipated minor:

- 172 (i) Verification that the student's parent or legal guardian attended a conference with
173 the student's high school principal or the principal's designee as provided for in
174 subsection (e) of Code Section 20-2-690.1;
- 175 (ii) A copy of the form provided for in subsection (e) of Code Section 20-2-690.1
176 signed by the student's parent or legal guardian;
- 177 (iii) Written acknowledgment by the student's parent or guardian that withdrawal of
178 the student from secondary school may result in loss of eligibility for
179 accommodations, specialized instruction, and other services pursuant to the federal
180 Individuals with Disabilities Education Act, 20 U.S.C.A. Section 1400, et seq., and
181 Section 504 of the federal Rehabilitation Act of 1973, 29 U.S.C.A. Section 701, et
182 seq.; and
- 183 (iv) Written acknowledgment that the high school diploma available through the Dual
184 Achievement Program requires successful completion of the program; or
- 185 (B) If an emancipated minor or a student who is 18, 19, or 20 years of age:
- 186 (i) Written acknowledgment that the student has conferred with his or her secondary
187 school principal or the principal's designee or a qualified designated official of the
188 technical college system and discussed alternatives to withdrawing from high school
189 without completing graduation requirements and potential consequences of not having
190 a high school diploma, including lower lifetime earnings, fewer jobs for which the
191 student will be qualified, and the inability to avail oneself of higher educational
192 opportunities.
- 193 (ii) Written acknowledgment by the student's parent or guardian that withdrawal of
194 the student from secondary school may result in loss of eligibility for
195 accommodations, specialized instruction, and other services pursuant to the federal
196 Individuals with Disabilities Education Act, 20 U.S.C.A. Section 1400, et seq., and
197 Section 504 of the federal Rehabilitation Act of 1973, 29 U.S.C.A. Section 701, et
198 seq.; and

199 (iii) Written acknowledgment that the high school diploma available through the
200 Dual Achievement Program requires successful completion of the program; and
201 (5) Be withdrawn from a public secondary school of this state.
202 (f) The state board shall award a high school diploma to a student enrolled in the program
203 provided for in this article who:
204 (1) Completes all student counseling and assessment requirements of the program;
205 (2) Completes rigorous coursework at a participating unit of the technical college
206 system; and
207 (3) Completes:
208 (A) A technical college associate degree program;
209 (B) A technical college diploma program; or
210 (C) At least two technical college certificate of credit programs in one specific career
211 pathway.
212 (g) A student who meets the requirements of subsections (f) of this Code section shall be
213 deemed to have met all graduation requirements of the State Board of Education and shall
214 not be subject to any assessments otherwise required for purposes of graduation.
215 (h) The state board, in consultation with the State Board of Education, Department of
216 Education, the Department of Juvenile Justice, the Department of Corrections, and the
217 Office of Planning and Budget, shall establish rules and regulations to implement the
218 provisions of this article.

219 20-4-142.
220 This article shall stand repealed on July 1, 2026."

221

PART II.

222

SECTION 2-1.

223 Chapter 2 of Title 20 of the Official Code of Georgia Annotated, relating to elementary and
224 secondary education, is amended in Code Section 20-2-690.1, relating to mandatory
225 education for children between ages six and sixteen, by revising subsection (e) as follows:

226 "(e) An unemancipated minor who is older than the age of mandatory attendance as
227 required in subsection (a) of this Code section who has not completed all requirements for
228 a high school diploma who wishes to withdraw from school shall have the written
229 permission of his or her parent or legal guardian prior to withdrawing. Prior to accepting
230 such permission, the school principal or designee shall convene a conference with the child
231 and parent or legal guardian within two school days of receiving notice of the intent of the
232 child to withdraw from school. The principal or designee shall make a reasonable attempt
233 to share with the student and parent or guardian the educational options available, including
234 the opportunity to pursue a general educational development (GED) diploma and the
235 consequences of not having earned a high school diploma, including lower lifetime
236 earnings, fewer jobs for which the student will be qualified, and the inability to avail
237 oneself of higher educational opportunities. Every local board of education shall adopt a
238 policy on the process of voluntary withdrawal of unemancipated minors who are older than
239 the mandatory attendance age. The policy shall be filed with the Department of Education
240 no later than January 1, 2007. The Department of Education shall provide annually to all
241 local school superintendents model forms for the parent or guardian signature requirement
242 contained in this subsection and updated information from reliable sources relating to the
243 consequences of withdrawing from school without completing all requirements for a high
244 school diploma. Such form shall include information relating to the opportunity to pursue
245 a general educational development (GED) diploma and the consequences of not having
246 earned a high school diploma, including lower lifetime earnings, fewer jobs for which the

247 student will be qualified, and the inability to avail oneself of higher educational
248 opportunities. Such form shall also include information regarding potential loss of
249 eligibility for accommodations, specialized instruction, and other services pursuant to the
250 federal Individuals with Disabilities Education Act, 20 U.S.C.A. Section 1400, et seq., and
251 Section 504 of the federal Rehabilitation Act of 1973, 29 U.S.C.A. Section 701, et seq.
252 Each local school superintendent shall provide such forms and information to all of its
253 principals of schools serving grades six through twelve for the principals to use during the
254 required conference with the child and parent or legal guardian."

255

PART III.

256

SECTION 3-1.

257 All laws and parts of laws in conflict with this Act are repealed.
