The Safety Fire Commissioner shall make such list publicly available for inspection. In making determinations as provided for under this subsection, fire departments shall reference the list provided for by this paragraph.

Upon finding that a distributor has met the requirements of paragraph (1) of subsection (a) of this Code section, such initial license shall be issued by the Safety Fire Commissioner and, if issued to a store which is a retail chain, shall be a license for each current or future store of the retail chain; provided, however, that such distributor has been operating and open to the public no less than 45 days prior to July 4 or December 31 in the year of an application for an initial license that is filed within 45 days of July 4 or December 31; and provided, further, that a distributor holding an initial license may add additional store locations to such license prior to the expiration of such license upon payment of \$250.00 per added store location. Such initial license shall expire on January 31 of the year after such initial license was issued or as otherwise provided for under this subsection. After such initial license, such distributor may annually renew such initial license, which shall then become

426 an annual license, for \$1,000.00 in addition to \$100.00 per year store location, payable 427 to the Safety Fire Commissioner, provided that, if a store is a retail chain, one payment 428 of \$1,000.00 shall satisfy such license fee for each store of the retail chain; provided, 429 however, that a distributor holding an annual license may add additional store locations to such license prior to the expiration of such license upon payment of \$100.00 per added 430 431 store location. Upon finding that a distributor has met the requirements of paragraph (1) 432 of subsection (a) of this Code section, such annual license shall be issued by the Safety 433 Fire Commissioner and, if issued to a store which is a retail chain, shall be a license for 434 each current or future store of the retail chain. Such annual license shall expire on 435 January 31 of each year or as otherwise provided for under this subsection; provided, however, that a distributor shall not apply for an annual license earlier than 30 days prior 436 437 to the expiration of an initial license or renewal of an annual license by December 1 in the year preceding the expiration date of such initial or annual license; and provided, 438 439 further, that if an initial license is issued to a distributor on or after December 1, then such 440 distributor shall apply for an annual license by the first business day of the next year. (2) An application submitted under this subsection shall identify each store location to 441 442 which an initial or annual license is applicable; there shall not be a requirement for a 443 separate application for each of the several store locations. The determination by the 444 Safety Fire Commissioner of whether a distributor has met requirements for the issuance 445 of a license required by this subsection shall be made within 15 30 days of the submission 446 of an application for any such initial or annual license; provided, however, that if a 447 license will expire prior to the expiration of such 30 days and no such determination has 448 been made by the Safety Fire Commissioner, then the expiration date for such license 449 shall be extended until the date of such determination by the Safety Fire Commissioner 450 but for no more than 30 days. Such application shall be in writing and, if the Safety Fire 451 Commissioner provides for a written form for the application for a license pursuant to this Code section, upon such form as may be provided by the Safety Fire Commissioner. If 452 a determination has not been made within the time provided for by this paragraph, or for 453 454 an appeal of a determination by the Safety Fire Commissioner, a distributor may seek review from the judge of the probate court of the county of the location or proposed 455 location of the store from which consumer fireworks will be sold. Such judge may 456 457 provide for the issuance or nonissuance of a license and for the payment of license fees in such manner as is consistent with the provisions of this subsection." 458

SECTION 6.

Said chapter is further amended by revising Code Section 25-10-6, relating to fireworks manufactured, sold, or stored in violation of chapter declared contraband and seizure and disposition thereof, as follows:

"25-10-6.

(a) The state fire marshal shall enforce the provisions of this chapter; provided, however, that, in addition, any law enforcement officer or agency of this state or political subdivision thereof may enforce provisions relating to using or igniting or causing to be ignited consumer fireworks. Applicable fire departments of a county, municipality, or other political subdivision or a chartered fire department shall refer cases for enforcement under subsection (c) of Code Section 25-10-5.1 to the state fire marshal. All fireworks or consumer fireworks manufactured, offered for sale, exposed for sale, or stored in violation of this chapter are declared to be contraband and may be seized, taken, and removed, or caused to be removed and destroyed or disposed of at the expense of the owner thereof by the state fire marshal, the Georgia State Patrol, or any sheriff or local police official.

(b) Any property declared as contraband pursuant to this Code section shall be forfeited in accordance with the procedures set forth in Chapter 16 of Title 9."

SECTION 7.

Said chapter is further amended by revising Code Section 25-10-9, relating to penalties for illegal sale of fireworks, as follows:

"25-10-9.

Notwithstanding any provision of this chapter to the contrary, the Safety Fire Commissioner shall have the authority to subject any person, firm, corporation, association, or partnership that knowingly violates this chapter may be punished by a fine not to exceed to a monetary penalty of up to \$2,500.00 for each and every act in violation of this chapter; provided, however, that the Safety Fire Commissioner shall have the authority to subject any person, firm, corporation, association, or partnership that knowingly sells consumer fireworks from a tent, canopy, or membrane structure to a monetary penalty of up to \$5,000.00 and, if any such person, firm, corporation, association, or partnership is a distributor, then a license revocation for not more than two years. Each sales transaction in violation of this chapter shall be a separate offense."

490 SECTION 8.

Said chapter is further amended by adding new Code sections to read as follows:

492 "25-10-11.

(a) Whenever the Safety Fire Commissioner shall have reason to believe that any person is or has been violating any provisions of this chapter, the Safety Fire Commissioner, his or her deputy, his or her assistant, or other designated persons may issue and deliver to the person an order to cease and desist such violation. An order issued under this Code section shall be delivered in accordance with the provisions of subsection (c) of this Code section. (b) Violation of any provision of this chapter or failure to comply with a cease and desist order is cause for revocation of any or all licenses issued by the Safety Fire Commissioner for a period of not less than six months and not to exceed five years. If a new license has been issued to the person so charged, the order of revocation shall operate effectively with respect to such new license held by such person. In the case of an applicant for a license, violation of any provision of this title or regulations promulgated thereunder may constitute grounds for refusal of the application. Decisions under this subsection may be appealed as provided by law.

(c) Any order issued by the Safety Fire Commissioner under this chapter shall contain or be accompanied by a notice of opportunity for hearing which shall provide that a hearing will be held if and only if a person subject to the order requests a hearing in writing within ten days of receipt of the order and notice. The order and notice shall be served by delivery by the Safety Fire Commissioner or his or her agent or by registered or certified mail or statutory overnight delivery, return receipt requested. Any person who fails to comply with any order under this subsection is guilty of a misdemeanor and may be punished by law. (d) In addition to other powers granted to the Safety Fire Commissioner under this chapter, the Safety Fire Commissioner may bring a civil action to enjoin a violation of any provision of this chapter or of any rule, regulation, or order issued by the Safety Fire Commissioner under this chapter.

517 <u>25-10-12.</u>

- (a) In addition to the grounds set forth in Code Section 25-10-11, it is cause for revocation or suspension, refusal, or nonrenewal by the Safety Fire Commissioner of any license issued under this chapter if it is determined that the licensee or applicant has:
 - (1) Failed to comply with all the requirements of this chapter or the rules and regulations promulgated pursuant thereto;
 - (2) Failed to maintain the minimum insurance coverage as set forth in this chapter;
 - (3) Made a material misstatement or misrepresentation or committed a fraud in obtaining or attempting to obtain a license; or
- (4) Failed to notify the Safety Fire Commissioner, in writing, with 30 days after a change of residence, principal business address, or name.

528 (b) In addition to other grounds set forth in this Code section, the Safety Fire
529 Commissioner shall not issue a new license under this chapter if the Safety Fire
530 Commissioner finds that the circumstance or circumstances for which the license was
531 previously suspended or revoked still exist or are likely to recur."
