SECTION 3.

20 Title 20 of the Official Code of Georgia Annotated, relating to education, is amended in
21 Code Section 20-2-315, relating to gender discrimination prohibited, authorized separate
22 gender teams, equal athletic opportunity, physical education classes, employee designated
23 to monitor compliance, grievance procedures, and reporting requirements, by adding a new
24 subsection to read as follows:

25 "(k)(1) As used in this subsection, the term:

26 (A) 'Gender' means a person's biological sex which shall be recognized solely based
27 on a person's reproductive biology and genetics at birth. For purposes of this
28 subsection, a statement of a student's biological sex on the student's official birth
29 certificate shall be deemed to have correctly stated the student's biological sex at birth
30 if the statement was included on such birth certificate at or near the time of the student's
31 birth.

32 (B) 'Participating private school' means a private school in this state whose students or
33 teams compete against a local public school or local public school system in this state.

34 (2)(A) No local public school system, local public school, or participating private
35 school in this state shall operate, sponsor, or facilitate interscholastic or intramural
36 athletics that permit a person whose gender is male to participate in any interscholastic
37 or intramural athletics that are designated for females, unless there is not an equivalent
38 interscholastic or intramural athletic program for males.

39 (B) No local public school system, local public school, or participating private school
40 in this state shall operate, sponsor, or facilitate interscholastic or intramural athletics
41 that permit a person whose gender is female to participate in any interscholastic or

43 interscholastic or intramural athletic program for females.

44 (3) A student who is aggrieved by an alleged violation or anticipated violation of this
45 subsection or his or her parent or guardian shall have a right to file a grievance complaint
46 with the employee designated in subsection (g) of this Code section for an immediate
47 determination of whether a violation of this subsection exists or is about to occur. If a
48 violation or anticipated violation is determined to exist or about to occur, the employee
49 designated in subsection (g) of this Code section shall issue a decision immediately and
50 may direct that such activity be terminated or adjusted to prevent further violations. If
51 such grievance is rejected, such complaining party shall have the right of an immediate
52 appeal to the local board of education for relief.

53 (4) In addition to any other rights or remedies otherwise provided by law, any aggrieved
54 student and any such student's parent or guardian shall have a private right of action to
55 enforce the provisions of this subsection through injunctive or declaratory relief in the
56 superior court of the county in which such local public school or school system or
57 participating private school is located. If an aggrieved student or such student's parent
58 or guardian is the prevailing party in such action, the student or student's parent or
59 guardian shall be entitled to an award of reasonable attorney fees, court costs, and
60 expenses of litigation, but shall not be entitled to any monetary damages.

61 (5) Nothing in this Code section shall override any requirements or protections
62 prescribed in the federal Americans with Disabilities Act, 42 U.S.C. Section 12101, et
63 seq."
