

## Senate Resolution 113

By: Senators Jones of the 10th, Seay of the 34th, Jordan of the 6th, Harrell of the 40th, Davenport of the 44th and others

## A RESOLUTION

- 1 Recognizing February as American Heart Month at the state capitol; and for other purposes.
- 2 WHEREAS, the State of Georgia celebrates the extraordinary progress in heart health that  
3 has been made in recent years and recognizes that more needs to be done in Georgia to  
4 safeguard heart health for generations to come; and
- 5 WHEREAS, approximately 92 million Americans are affected by major cardiovascular  
6 disease; and
- 7 WHEREAS, heart disease is the number one killer of Americans and Georgians; and
- 8 WHEREAS, each year, there are more than 350,000 out-of-hospital sudden cardiac arrests  
9 in the United States and approximately 10,000 in Georgia; and
- 10 WHEREAS, the survival rate for out-of-hospital sudden cardiac arrest averages 10 percent  
11 annually; and
- 12 WHEREAS, 80 percent of all sudden cardiac arrest victims are shown to have underlying  
13 heart disease; and
- 14 WHEREAS, survival from sudden cardiac arrest most often depends upon immediate  
15 bystander-initiated cardiopulmonary resuscitation (CPR) and an early shock from an  
16 automatic external defibrillator (AED); and
- 17 WHEREAS, fewer than 40 percent of sudden cardiac arrest victims outside of a hospital  
18 receive bystander-initiated CPR, and fewer than 2 percent of victims receive a shock from  
19 bystander-initiated AED; and

20 WHEREAS, keeping Georgians healthy and promoting awareness of health issues, including  
21 heart disease, is an important responsibility and depends on the actions of many  
22 organizations and groups in our community; and

23 WHEREAS, the American Heart Month Awareness campaign has been endorsed and  
24 sponsored by national groups such as the American Heart Association, the American Red  
25 Cross, the National Institutes of Health, and the Centers for Disease Control and Injury  
26 Prevention and is observed by many health care providers and health education advocacy  
27 groups; and

28 WHEREAS, Georgians need to take action to make heart health a priority for themselves and  
29 their families, become aware of their risk for heart disease, and take action to provide better  
30 outcomes in their heart health.

31 NOW, THEREFORE, BE IT RESOLVED BY THE SENATE that the members of this body  
32 recognize February as American Heart Month at the state capitol.

33 BE IT FURTHER RESOLVED that the Secretary of the Senate is authorized and directed  
34 to make appropriate copies of this resolution available for distribution to the public and the  
35 press.
