- 10 WHEREAS, an entrepreneur in residence program would focus attention on ensuring that
11 government is not an impediment to the success of entrepreneurs; and
- 12 WHEREAS, an entrepreneur in residence program would seek to streamline that process by

15 products to market; and
- 16 WHEREAS, an entrepreneur in residence would be an entrepreneur who has successfully

19 government requirements; and
- 20 WHEREAS, the entrepreneur in residence program would have two objectives:
21 (1) To identify within government inefficient and overlapping programs that negatively

22 impact entrepreneurs trying to start or expand a business and to recommend solutions;
 23 and
 24 (2) To serve as a visible advocate and mentor for entrepreneurs within government, a
 25 point of contact who knows and understands their needs, concerns, and frustrations with
 26 regard to dealing with government; and

27 WHEREAS, an entrepreneur in residence would:

- 28 (1) Assist in providing outreach to entrepreneurs and small businesses;
- 29 (2) Provide recommendations on ways to streamline and improve government
- 30 procedures impacting entrepreneurs;

- 37 agencies established to discuss best practices, experiences, obstacles, opportunities, and
- 38 recommendations; and

39 WHEREAS, an entrepreneur in residence program would be a simple and powerful way of
