Senate Resolution 292

By: Senators Jackson of the 2nd, Jones of the 10th, Harbison of the 15th and Karinshak of
the 48th

A RESOLUTION

1   Recognizing and commending Michelle Sneed; and for other purposes.

2   WHEREAS, Michelle Sneed is a veteran TV and film production executive and is returning

3   to Tyler Perry Studios as president of production and development; and

4   WHEREAS, Michelle has spent the majority of her 12 year career in television; most

5   recently, she served as director of physical production with Viacom's BET Networks, from

6   2015 to 2018; and

7   WHEREAS, before working for Viacom, Michelle spent six years with Tyler Perry Studios

8   in production management, and was a member of the original production team at Tyler Perry

9   Studios' former Greenbriar location, which produced over 400 episodes of television during

10   her tenure; and

11   WHEREAS, Michelle produced over one hundred packages of short form content, original

12   docuseries, multiple television specials, and tentpole programming during her time with BET

13   Networks; Tyler Perry describes her as "someone who embodies the values of Tyler Perry

14   Studios, from the diligent work she's done in development and production execution to

15   identifying and curating talent both in front of and behind the camera"; and

16   WHEREAS, she has provided countless opportunities to people whose diverse experiences

17   and stories are often overlooked and untold; Michelle will be working alongside Tyler Perry

18   in a senior leadership capacity, and is an invaluable asset to the entertainment industry in

19   Atlanta.

20   NOW, THEREFORE, BE IT RESOLVED BY THE SENATE that the members of this body

21   join in recognizing and commending Michelle Sneed for her contributions to the growing

22   entertainment industry in Georgia.

23   BE IT FURTHER RESOLVED that the Secretary of the Senate is authorized and directed

24   to make an appropriate copy of this resolution available for distribution to Michelle Sneed.
