**ADOPTED SENATE**

## A RESOLUTION

1 Creating the Senate Study Committee on Veterans' Mental Health and Housing; and for other  
2 purposes.

3 WHEREAS, numerous Georgians have served our country in the armed services of the  
4 United States; and

5 WHEREAS, many Georgians require services and support tailored to their unique  
6 experiences and the challenges they face as veterans, particularly if they have suffered severe  
7 injuries or been exposed to traumatic events during their service; and

8 WHEREAS, many veterans suffer from chronic injuries, physical disabilities, addiction,  
9 mental illness, or other issues that may limit their ability to work or obtain housing; and

10 WHEREAS, a recent federal study by the Housing Assistance Council estimates that as many  
11 as 40,000 veterans in Georgia live in poverty and that nearly 700 veterans currently  
12 experience homelessness in Georgia; and

13 WHEREAS, promoting access to specialized services and housing is often a key step to  
14 ensuring that veterans and their families have the resources and support they need to thrive  
15 in the years following their military service; and

16 WHEREAS, the Senate should regularly evaluate the adequacy of public and private  
17 programs and services available in Georgia to provide these vital resources to veterans.
