

STATEMENT OF PURPOSE

RS30831 / H0411

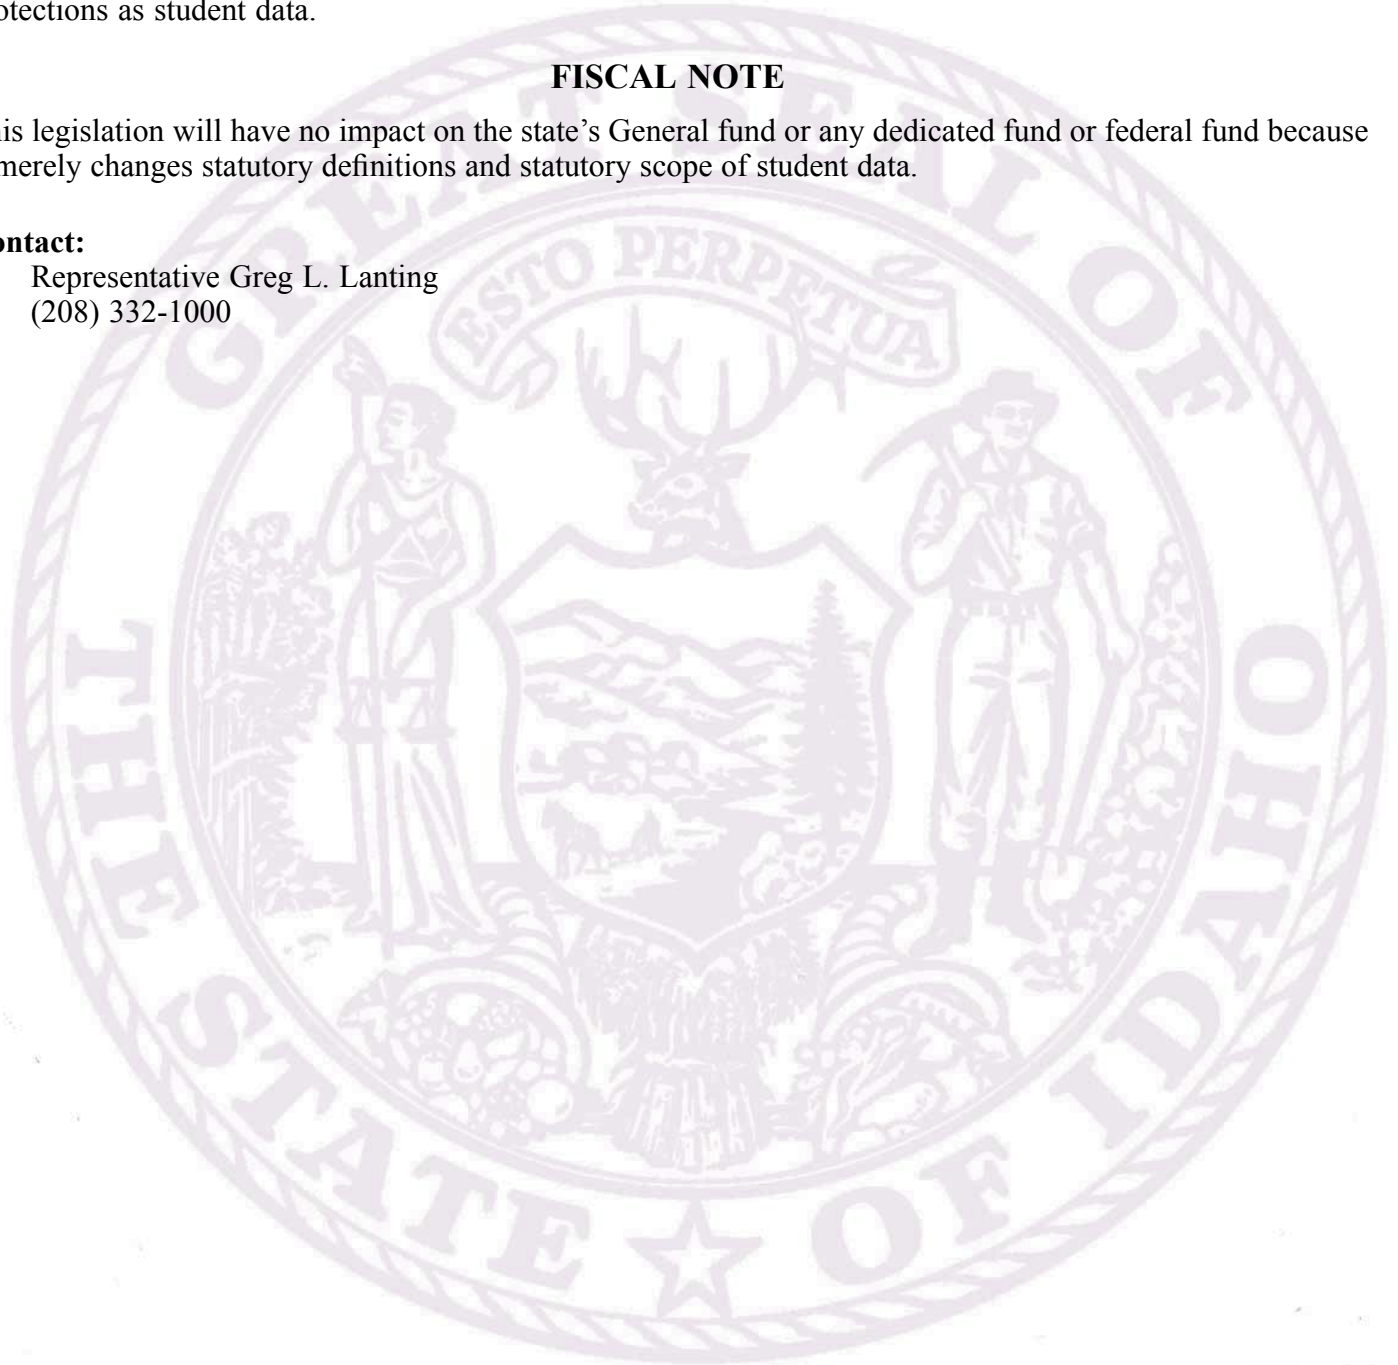

This legislation seeks to update Title 33 Chapter 133, Idaho Code regarding the use, limitations, and penalties related to student data. The proposed legislation provides technical corrections and broadens the scope of student data to encompass education data more generally, thereby allowing staff data to receive the same protections as student data.

FISCAL NOTE

This legislation will have no impact on the state's General fund or any dedicated fund or federal fund because it merely changes statutory definitions and statutory scope of student data.
