

STATEMENT OF PURPOSE

RS31349 / H0569

This legislation will produce annual statistical data regarding criminal charges and corresponding sentences for Delivery of Controlled Substances, Manufacturing of Controlled Substance, Trafficking of Controlled Substances, and Possession with Intent to Deliver Controlled Substances. This annual report will provide accurate detailed information regarding the most serious drug offenses in Idaho with transparency on the actual charges, convictions, sentencing and probation/parole supervision of these drug-related offenses in Idaho.

FISCAL NOTE

This legislation requires an additional FTE data analyst position within the office of the Attorney General, with a cost of \$130,000 to compile and analyze the data into a statewide report. It will have a de minimis financial impact on other state and local levels of government involving the clerical collection of statistical data and remittance to the Attorney General's office.
