

STATEMENT OF PURPOSE

RS29071C1 / S1245

The proposed legislation removes any discrepancies in definitions between statute and the administrative rules of the Board of Pharmacy. The bill moves several well-established definitions from administrative rule to statute, as they apply to terms in statute. The bill also consolidates all current statute definitions into one definitions section. The bill does not add any new requirements, registrations, or red tape but does remove areas of confusion.

FISCAL NOTE

This legislation will have no impact on the state's General fund or any dedicated fund or federal fund because the proposed legislation does not change any fee schedules or financially impact the Board of Pharmacy or Division of Occupational and Professional Licenses dedicated fund.
