RS29817 / S1402

This is the FY 2023 original appropriation bill for the Industrial Commission. It appropriates a total of \$22,849,300 and caps the number of authorized full-time equivalent positions at 133.25. For benefit costs, the bill increases the appropriated amount for health insurance by \$850 to \$12,500 per eligible full time FTP, includes a one-year holiday of unemployment insurance, and adjusts workers compensation amounts. The bill also provides funding for permanent employees for the equivalent of a 3% salary structure shift and provides \$1.25 per hour per eligible employee to be distributed based on merit for the change in employee compensation. The bill funds two line items, which provide additional funds for the third year of a four-year technology modernization project and an increase in the Victims of Crime Act (VOCA) formula grant.
