IN THE HOUSE OF REPRESENTATIVES

HOUSE BILL NO. 65

BY STATE AFFAIRS COMMITTEE

AN ACT

RELATING TO STATE SOVEREIGNTY; PROVIDING A SHORT TITLE; PROVIDING LEGISLATIVE INTENT; AMENDING CHAPTER 5, TITLE 67, IDAHO CODE, BY THE ADDITION
OF A NEW SECTION 67-515, IDAHO CODE, TO PROVIDE A PROCEDURE FOR INVALIDATING CERTAIN PUBLIC LAWS, REGULATIONS OR CASES, TO PROVIDE PROHIBITION ON ENFORCEMENT, TO PROVIDE PENALTIES AND TO PROVIDE FOR A CIVIL ACTION; PROVIDING SEVERABILITY; AND DECLARING AN EMERGENCY.

8 Be It Enacted by the Legislature of the State of Idaho:

1

9 SECTION 1. SHORT TITLE. This act shall be known and may be cited as the10 "State Sovereignty Responsibility Act."

SECTION 2. LEGISLATIVE INTENT. (1) The several states, including the 11 state of Idaho, are not united, by the Constitution of the United States 12 and of amendments thereto, on the principle of unlimited submission to the 13 14 federal government. The several states constituted a general government by compact for special purposes, delegating to that government certain defi-15 nite powers, reserving, each state to itself, the residuary mass of right to 16 their own self-government. Whenever the federal government assumes undel-17 egated power, its acts are unauthoritative, void, and of no force. Further, 18 the federal government, created by this compact, was not made the exclusive 19 20 or final judge of the extent of the powers delegated to itself, since that would have made its discretion, and not the Constitution, the measure of its 21 powers; but that, as in all other cases of compact among powers having no 22 common judge, each party has an equal right to judge for itself, as well of 23 infractions as of the mode and measure of redress. It is the duty of the state 24 of Idaho to assure that the federal government conform to said compact. 25

(2) The Constitution of the United States having delegated to Congress 26 a power to "provide for the ... general welfare of the United States," and 27 separately a power "to regulate commerce ... among the several states," 28 does not extend to forcibly mandating, in any form, citizen participation 29 30 in a national health plan, nor to any mandated Form 1099 reporting contained therein. And it being true, as a general principle, and one of the 31 amendments to the Constitution having also declared, that "the powers not 32 delegated to the United States by the Constitution, nor prohibited by it to 33 the states, are reserved to the states respectively, or to the people." The 34 35 state of Idaho, therefore, on behalf of the citizens of this state and to secure the rights of said citizens, hereby asserts its legitimate authority 36 to interpose between said citizens and the federal government and declares a 37 procedure to make void and of no effect acts of Congress, federal regulations 38 and court decisions that violate the 10th Amendment to the United States 39 40 Constitution.

(3) The Idaho Legislature hereby declares that the state of Idaho, onbehalf of its citizens, is the final arbiter of whether an act of Congress,

1 a federal regulation or a court decision is unconstitutional and may declare 2 that the federal laws, regulations or court decisions are not authorized by 3 the Constitution of the United States and violate its meaning and intent, and 4 further, are null, void and of no effect regarding any Idaho citizen residing 5 within the borders of the state of Idaho.

6 SECTION 3. That Chapter 5, Title 67, Idaho Code, be, and the same is 7 hereby amended by the addition thereto of a <u>NEW SECTION</u>, to be known and des-8 ignated as Section 67-515, Idaho Code, and to read as follows:
