22 Be It Enacted by the Legislature of the State of Idaho:

23 SECTION 1. That Chapter 18, Title 54, Idaho Code, be, and the same is  
24 hereby amended by the addition thereto of NEW SECTIONS, to be known and des-  
25 ignated as Sections 54-1842 through 54-1866, Idaho Code, and to read as fol-  
26 lows:

27 54-1842. INTERSTATE MEDICAL LICENSURE COMPACT. The interstate medi-  
28 cal licensure compact is hereby enacted into law and entered into with all  
29 other jurisdictions legally joining therein, in the form substantially as  
30 follows in sections 54-1843 through 54-1866, Idaho Code.

31 54-1843. PURPOSE. In order to strengthen access to health care and in  
32 recognition of the advances in the delivery of health care, the member states  
33 of the interstate medical licensure compact have allied in common purpose  
34 to develop a comprehensive process that complements the existing licensing  
35 and regulatory authority of state medical boards and provides a stream-  
36 lined process that allows physicians to become licensed in multiple states,  
37 thereby enhancing the portability of a medical license and ensuring the  
38 safety of patients. The compact creates another pathway for licensure and  
39 does not otherwise change a state's existing medical practice act. The com-  
40 pact also adopts the prevailing standard for licensure and affirms that the  
41 practice of medicine occurs where the patient is located at the time of the

1 physician-patient encounter and therefore requires the physician to be un-  
2 der the jurisdiction of the state medical board where the patient is located.  
3 State medical boards that participate in the compact retain the jurisdiction  
4 to impose an adverse action against a license to practice medicine in that  
5 state issued to a physician through the procedures in the compact.

6 54-1844. DEFINITIONS. As used in this compact:

19 (a) Static qualifications, which include verification of medical edu-  
20 cation, graduate medical education, results of any medical or licensing

25 (b) The member board within the state selected as the state of prin-

44 sistent with the medical practice act and all applicable laws and regula-  
45 tions of the issuing member board and member state.

46 (5) An expedited license shall be valid for a period consistent with the

48 other physicians holding a full and unrestricted license within the member  
49 state.

1 (6) An expedited license obtained through the compact shall be termi-  
2 nated if a physician fails to maintain a license in the state of principal li-  
3 censure for a nondisciplinary reason without redesignation of a new state of  
4 principal licensure.

5 (7) The interstate commission is authorized to develop rules regarding

20 (3) A subpoena issued by a member state shall be enforceable in other

32 regulations in that state.

33 (2) If a license granted to a physician by the member board in the state  
34 of principal license is revoked, surrendered or relinquished in lieu of

9 gate the basis for the action under the medical practice act of that state. A  
10 member board may terminate the automatic suspension of the license it issued  
11 prior to the completion of the ninety (90) day suspension period in a manner  
12 consistent with the medical practice act of that state.

13 54-1853. INTERSTATE MEDICAL LICENSURE COMPACT COMMISSION. (1) The  
14 member states hereby create the interstate medical licensure compact com-

21 conferred upon it by a subsequent concurrent action of the respective legis-  
22 latures of the member states in accordance with the terms of the compact.

23 (4) The interstate commission shall consist of two (2) voting represen-  
24 tatives appointed by each member state who shall serve as commissioners. In  
25 states where allopathic and osteopathic physicians are regulated by separ-

2 ings and all meetings shall be open to the public. The interstate commis-  
3 sion may close a meeting, in full or in portion, where it determines by a two-

7 the interstate commission;

8 (b) Discuss matters specifically exempted from disclosure by federal  
9 statute;

10 (c) Discuss trade secrets, commercial or financial information that is

16 poses; or

17 (g) Specifically relate to the participation in a civil action or other  
18 legal proceeding.

19 (9) The interstate commission shall keep minutes that shall fully de-  
20 scribe all matters discussed in a meeting and shall provide a full and accu-  
21 rate summary of actions taken, including record of any roll call votes.

22 (10) The interstate commission shall make its information and official  
23 records, to the extent not otherwise designated in the compact or by its  
24 rules, available to the public for inspection.

25 (11) The interstate commission shall establish an executive committee,  
26 which shall include officers, members and others as determined by the by-  
27 laws. The executive committee shall have the power to act on behalf of the  
28 interstate commission, with the exception of rulemaking, during periods  
29 when the interstate commission is not in session. When acting on behalf of  
30 the interstate commission, the executive committee shall oversee the ad-  
31 ministration of the compact, including enforcement and compliance with the  
32 provisions of the compact, its bylaws and rules, and other such duties as  
33 necessary.

34 (12) The interstate commission may establish other committees for gov-  
35 ernance and administration of the compact.

37 state commission shall have the duty and the power to:

10 interest, rates of compensation and qualifications of personnel;  
11 (12) Accept donations and grants of money, equipment, supplies, materi-

27 sion;  
28 (18) Coordinate education, training and public awareness regarding the  
29 compact, its implementation and its operation;

49 sion.

1           54-1856. ORGANIZATION AND OPERATION OF THE INTERSTATE COMMISSION. (1)  
2 The interstate commission shall, by a majority of commissioners present and  
3 voting, adopt bylaws to govern its conduct as may be necessary or appropri-  
4 ate to carry out the purposes of the compact within twelve (12) months of the  
5 first interstate commission meeting.

6           (2) The interstate commission shall elect or appoint annually from  
7 among its commissioners a chairperson, a vice-chairperson and a treasurer,  
8 each of whom shall have such authority and duties as may be specified in the  
9 bylaws. The chairperson, or in the chairperson's absence or disability, the  
10 vice-chairperson, shall preside at all meetings of the interstate commis-  
11 sion.

12           (3) Officers selected pursuant to subsection (2) of this section shall  
13 serve without remuneration from the interstate commission.

14           (4) The officers and employees of the interstate commission shall be  
15 immune from suit and liability, either personally or in their official ca-  
16 pacity, for a claim for damage to or loss of property or personal injury or  
17 other civil liability caused or arising out of, or relating to, an actual or  
18 alleged act, error or omission that occurred, or that such person had a rea-  
19 sonable basis for believing occurred, within the scope of interstate com-  
20 mission employment, duties or responsibilities; provided that such person  
21 shall not be protected from suit or liability for damage, loss, injury or li-  
22 ability caused by the intentional or willful and wanton misconduct of such  
23 person.

24           (a) The liability of the executive director and employees of the in-  
25 terstate commission or representatives of the interstate commission,  
26 acting within the scope of such person's employment or duties for acts,  
27 errors or omissions occurring within such person's state, may not ex-  
28 ceed the limits of liability set forth under the constitution and laws  
29 of that state for state officials, employees and agents. The interstate  
30 commission is considered to be an instrumentality of the states for the  
31 purposes of any such action. Nothing in this subsection shall be con-  
32 strued to protect such person from suit or liability for damage, loss,  
33 injury or liability caused by the intentional or willful and wanton mis-  
34 conduct of such person.

35           (b) The interstate commission shall defend the executive director,  
36 its employees and, subject to the approval of the attorney general or  
37 other appropriate legal counsel of the member state represented by an  
38 interstate commission representative, shall defend such interstate  
39 commission representative in any civil action seeking to impose lia-  
40 bility arising out of an actual or alleged act, error or omission that  
41 occurred within the scope of interstate commission employment, duties  
42 or responsibilities, or that the defendant had a reasonable basis for  
43 believing occurred within the scope of interstate commission employ-  
44 ment, duties or responsibilities, provided that the actual or alleged  
45 act, error or omission did not result from intentional or willful and  
46 wanton misconduct on the part of such person.

47           (c) To the extent not covered by the state involved, member state or the  
48 interstate commission, the representatives or employees of the inter-  
49 state commission shall be held harmless in the amount of a settlement  
50 or judgment, including attorney's fees and costs, obtained against such

1 persons arising out of an actual or alleged act, error or omission that  
2 occurred within the scope of interstate commission employment, duties  
3 or responsibilities, or that such persons had a reasonable basis for be-  
4 lieving occurred within the scope of interstate commission employment,  
5 duties or responsibilities, provided that the actual or alleged act,  
6 error or omission did not result from intentional or willful and wanton  
7 misconduct on the part of such persons.

8 54-1857. RULEMAKING FUNCTIONS OF THE INTERSTATE COMMISSION. (1) The  
9 interstate commission shall promulgate reasonable rules in order to effec-  
10 tively and efficiently achieve the purposes of the compact. Notwithstanding  
11 the foregoing, in the event the interstate commission exercises its rulemak-  
12 ing authority in a manner that is beyond the scope of the purposes of the com-  
13 pact, or the powers granted hereunder, then such an action by the interstate  
14 commission shall be invalid and have no force or effect.

15 (2) Rules deemed appropriate for the operations of the interstate com-  
16 mission shall be made pursuant to a rulemaking process that substantially  
17 conforms to the "Model State Administrative Procedure Act" of 2010, and sub-  
18 sequent amendments thereto.

19 (3) Not later than thirty (30) days after a rule is promulgated, any  
20 person may file a petition for judicial review of the rule in the United  
21 States district court for the District of Columbia or the federal district  
22 where the interstate commission has its principal offices, provided that the  
23 filing of such a petition shall not stay or otherwise prevent the rule from  
24 becoming effective unless the court finds that the petitioner has a substan-  
25 tial likelihood of success. The court shall give deference to the actions of  
26 the interstate commission consistent with applicable law and shall not find  
27 the rule to be unlawful if the rule represents a reasonable exercise of the  
28 authority granted to the interstate commission.

29 54-1858. OVERSIGHT OF INTERSTATE COMPACT. (1) The executive, legisla-  
30 tive and judicial branches of state government in each member state shall en-  
31 force the compact and shall take all actions necessary and appropriate to  
32 effectuate the compact's purposes and intent. The provisions of the com-  
33 pact and the rules promulgated hereunder shall have standing as statutory  
34 law but shall not override existing state authority to regulate the practice  
35 of medicine.

36 (2) All courts shall take judicial notice of the compact and the rules  
37 in any judicial or administrative proceeding in a member state pertaining to  
38 the subject matter of the compact that may affect the powers, responsibili-  
39 ties or actions of the interstate commission.

40 (3) The interstate commission shall be entitled to receive all service  
41 of process in any such proceeding and shall have standing to intervene in the  
42 proceeding for all purposes. Failure to provide service of process to the  
43 interstate commission shall render a judgment or order void as to the inter-  
44 state commission, the compact or promulgated rules.

45 54-1859. ENFORCEMENT OF INTERSTATE COMPACT. (1) The interstate com-  
46 mission, in the reasonable exercise of its discretion, shall enforce the  
47 provisions and rules of the compact.

1 (2) The interstate commission may, by majority vote of the commission-  
2 ers, initiate legal action in the United States district court for the Dis-  
3 trict of Columbia, or, at the discretion of the interstate commission, in the  
4 federal district where the interstate commission has its principal offices,  
5 to enforce compliance with the provisions of the compact and its promulgated  
6 rules and bylaws, against a member state in default. The relief sought may  
7 include both injunctive relief and damages. In the event judicial enforce-  
8 ment is necessary, the prevailing party shall be awarded all costs of such  
9 litigation including reasonable attorney's fees.

10 (3) The remedies herein shall not be the exclusive remedies of the  
11 interstate commission. The interstate commission may avail itself of any  
12 other remedies available under state law or the regulation of a profession.

13 54-1860. DEFAULT PROCEDURES. (1) The grounds for default include, but  
14 are not limited to, failure of a member state to perform such obligations or  
15 responsibilities imposed upon it by the compact or the rules and bylaws of  
16 the interstate commission promulgated under the compact.

17 (2) If the interstate commission determines that a member state has de-  
18 faulted in the performance of its obligations or responsibilities under the  
19 compact, the bylaws or promulgated rules, the interstate commission shall:

20 (a) Provide written notice to the defaulting state and other member  
21 states of the nature of the default, the means of curing the default and  
22 any action taken by the interstate commission. The interstate commis-  
23 sion shall specify the conditions by which the defaulting state must  
24 cure its default; and

25 (b) Provide remedial training and specific technical assistance re-  
26 garding the default.

27 (3) If the defaulting state fails to cure the default, the defaulting  
28 state shall be terminated from the compact upon an affirmative vote of a  
29 majority of the commissioners and all rights, privileges and benefits con-  
30 ferred by the compact shall terminate on the effective date of termination.  
31 A cure of the default does not relieve the offending state of obligations or  
32 liabilities incurred during the period of the default.

33 (4) Termination of membership in the compact shall be imposed only af-  
34 ter all other means of securing compliance have been exhausted. Notice of  
35 intent to terminate shall be given by the interstate commission to the gover-  
36 nor, the majority and minority leaders of the defaulting state's legislature  
37 and each of the member states.

38 (5) The interstate commission shall establish rules and procedures to  
39 address licenses and physicians that are materially impacted by the termina-  
40 tion of a member state or the withdrawal of a member state.

41 (6) The member state that has been terminated is responsible for all  
42 dues, obligations and liabilities incurred through the effective date of  
43 termination, including obligations, the performance of which extends beyond  
44 the effective date of termination.

45 (7) The interstate commission shall not bear any costs relating to any  
46 state that has been found to be in default or that has been terminated from  
47 the compact, unless otherwise mutually agreed upon in writing between the  
48 interstate commission and the defaulting state.

1 (8) The defaulting state may appeal the action of the interstate com-  
2 mission by petitioning the United States district court for the District of  
3 Columbia or the federal district where the interstate commission has its  
4 principal offices. The prevailing party shall be awarded all costs of such  
5 litigation including reasonable attorney's fees.

6 54-1861. DISPUTE RESOLUTION. (1) The interstate commission shall at-  
7 tempt upon the request of a member state to resolve disputes which are sub-  
8 ject to the compact and which may arise among member states or member boards.

9 (2) The interstate commission shall promulgate rules providing for  
10 both mediation and binding dispute resolution, as appropriate.

11 54-1862. MEMBER STATES, EFFECTIVE DATE AND AMENDMENT. (1) Any state is  
12 eligible to become a member state of the compact.

13 (2) The compact shall become effective and binding upon legislative en-  
14 actment of the compact into law by no less than seven (7) states. Thereafter,  
15 it shall become effective and binding on a state upon enactment of the com-  
16 pact into law by that state.

17 (3) The governors of nonmember states or their designees shall be in-  
18 vited to participate in the activities of the interstate commission on a non-  
19 voting basis prior to adoption of the compact by all states.

20 (4) The interstate commission may propose amendments to the compact  
21 for enactment by the member states. No amendment shall become effective  
22 and binding upon the interstate commission and the member states unless and  
23 until it is enacted into law by unanimous consent of the member states.

24 54-1863. WITHDRAWAL. (1) Once effective, the compact shall continue  
25 in force and remain binding upon each and every member state; provided that  
26 a member state may withdraw from the compact by specifically repealing the  
27 statute which enacted the compact into law.

28 (2) Withdrawal from the compact shall be by the enactment of a statute  
29 repealing the same, but shall not take effect until one (1) year after the  
30 effective date of such statute and until written notice of the withdrawal  
31 has been given by the withdrawing state to the governor of each other member  
32 state.

33 (3) The withdrawing state shall immediately notify the chairperson of  
34 the interstate commission in writing upon the introduction of legislation  
35 repealing the compact in the withdrawing state.

36 (4) The interstate commission shall notify the other member states of  
37 the withdrawing state's intent to withdraw within sixty (60) days of its re-  
38 ceipt of notice as provided under subsection (3) of this section.

39 (5) The withdrawing state is responsible for all dues, obligations and  
40 liabilities incurred through the effective date of withdrawal, including  
41 obligations, the performance of which extend beyond the effective date of  
42 withdrawal.

43 (6) Reinstatement following withdrawal of a member state shall occur  
44 upon the withdrawing state reenacting the compact or upon such later date as  
45 determined by the interstate commission.

46 (7) The interstate commission is authorized to develop rules to address  
47 the impact of the withdrawal of a member state on licenses granted in other

1 member states to physicians who designated the withdrawing member state as  
2 the state of principal license.

3 54-1864. DISSOLUTION. (1) The compact shall dissolve effective upon  
4 the date of the withdrawal or default of the member state which reduces the  
5 membership in the compact to one (1) member state.

6 (2) Upon the dissolution of the compact, the compact becomes null and  
7 void and shall be of no further force or effect. The business and affairs of  
8 the interstate commission shall be concluded and surplus funds shall be dis-  
9 tributed in accordance with the bylaws.

10 54-1865. SEVERABILITY AND CONSTRUCTION. (1) The provisions of the  
11 compact shall be severable, and if any phrase, clause, sentence or provision  
12 is deemed unenforceable, the remaining provisions of the compact shall be  
13 enforceable.

14 (2) The provisions of the compact shall be liberally construed to ef-  
15 fectuate its purposes.

16 (3) Nothing in the compact shall be construed to prohibit the applica-  
17 bility of other interstate compacts to which the states are members.

18 54-1866. BINDING EFFECT OF COMPACT AND OTHER LAWS. (1) Nothing herein  
19 prevents the enforcement of any other law of a member state that is not incon-  
20 sistent with the compact.

21 (2) All laws in a member state in conflict with the compact are super-  
22 seded to the extent of the conflict.

23 (3) All lawful actions of the interstate commission, including all  
24 rules and bylaws promulgated by the commission, are binding upon the member  
25 states.

26 (4) All agreements between the interstate commission and the member  
27 states are binding in accordance with their terms.

28 (5) In the event any provision of the compact exceeds the constitu-  
29 tional limits imposed on the legislature of any member state, such provision  
30 shall be ineffective to the extent of the conflict with the constitutional  
31 provision in question in that member state.
