The Joint Finance-Appropriations Committee will be notified promptly of any increased positions so authorized.

SECTION 3. EMPLOYEE COMPENSATION. The Legislature finds that investing 27 in state employee compensation should remain a high priority even in tough 28 economic times, and therefore strongly encourages agency directors, insti-29 tution executives and the Division of Financial Management to approve the 30 use of salary savings to provide either one-time or ongoing merit increases 31 for deserving employees, and also target employees who are below policy com-32 pensation. Such salary savings could result from turnover and attrition, or 33 be the result of innovation and reorganization efforts that create savings. 34 Such savings should be reinvested in employees. Agencies are cautioned to 35 use one-time funding for one-time payments and ongoing funding for permanent 36 pay increases. 37
