13 ignated as Section 18-1524, Idaho Code, and to read as follows:

14 18-1524. USE OF TANNING DEVICES BY MINORS. (1) As used in this section:

15 (a) "Tanning device" means equipment that emits electromagnetic radi-
16 ation with wavelengths in the air between two hundred (200) and four hun-
17 dred (400) nanometers used for tanning of the skin including, but not
18 limited to, a sunlamp, tanning booth or tanning bed.

19 (b) "Tanning device" does not include:

20 (i) Devices used solely by an owner and the immediate family of an
21 owner in a private residence; or

22 (ii) Devices used to apply chemicals to the skin to achieve a
23 bronze color, commonly referred to as spray-on, mist-on or sunless
24 tans.

25 (c) "Tanning facility" means any location at which a tanning device is
26 used or offered for use for a fee or charge, whether or not a separate
27 payment is charged for the use or the right to use a tanning device is
28 included in a membership fee. These locations may include, but are not
29 limited to, commercial tanning salons, public or private gyms or work-
30 out facilities, spas, apartment or housing complex community areas and
31 dormitories.

32 (2) No minor age fifteen (15) years or younger may use a tanning device,
33 and no person may use a tanning device on a minor age fifteen (15) years or
34 younger unless such use is authorized by prescription from a licensed medi-
35 cal provider to treat a medical condition.

36 (3) No minor between sixteen (16) and eighteen (18) years of age may
37 use a tanning device and no person may use a tanning device on a minor be-
38 tween sixteen (16) and eighteen (18) years of age unless such minor's par-
39 ent or legal guardian provides in-person consent or the use is authorized by
40 prescription from a licensed medical provider to treat a medical condition.
41 For the purposes of this subsection, "in-person consent" means that a par-
42 ent or legal guardian of a minor between sixteen (16) and eighteen (18) years

1 of age appears in person at the time of the minor's initial use of a tanning
2 device within a consecutive twelve (12) month period and signs a written con-
3 sent form in the presence of the owner or an employee of the tanning facility.
4 The minor's parent or legal guardian may withdraw this consent in writing
5 at any time. Unless withdrawn, this consent shall be valid for twelve (12)
6 months from the date the written consent form is signed, unless the parent or
7 guardian specifies a shorter duration on the written consent form. Before
8 a minor between sixteen (16) and eighteen (18) years of age may use a tan-
9 ning device after the expiration of a written consent, a new written consent
10 that meets all of the requirements of the first consent must be obtained. The
11 written consent form required in this subsection shall state that the parent
12 or legal guardian has read and understood the warnings given by the tanning

22 including potentially fatal malignant melanoma, as well as serious
23 eye and skin injury including, but not limited to, wrinkling, dryness,
24 fragility and bruising of the skin."; and

25 (c) A section for the parent or legal guardian to specify the number of
26 times the minor may use a tanning device per week, as well as the total
27 number of times a minor may use a tanning device during the period for
28 which the consent is valid.

30 shall be limited to not more than two (2) uses of tanning devices per week and
31 not more than one (1) use within a twenty-four (24) hour period, unless a par-
32 ent or legal guardian provides stricter limits on the written consent form
33 required by this section. The parent or legal guardian of the minor may also
34 limit the total number of uses of a tanning device for the period of the writ-
35 ten consent by setting such limits on the written consent form.

45 shall not make verbal claims or advertise or distribute promotional materi-

2 shall be subject to a civil penalty of five hundred dollars (\$500). Provided
3 however:

4 (a) Any person in violation of the provisions of this section shall not
5 be subject to a civil penalty if such person, prior to allowing a minor
6 to use a tanning device, requested, examined and reasonably relied upon
7 an identification form from the minor falsely establishing that the mi-
8 nor's age is at least eighteen (18) years of age; and

9 (b) An owner of a tanning facility shall not be in violation of the pro-
10 visions of this section if such owner can show that an employee believed
11 to be in violation was trained to understand the provisions of this sec-
12 tion and directed to comply with the provisions hereof. Proof of that
13 training and direction may be satisfied with a form signed by such em-
