38 employees based upon labor markets or specific occupational inequities;
39 directs agencies and institutions that have excess personnel cost appro-
40 priations or salary savings due to turnover to use such funding for a merit
41 increase component, notwithstanding the provisions of Section 67-5309B(4),
42 Idaho Code, to recognize and reward permanent and temporary state employ-
43 ees; and does provide funding to agencies and institutions to provide a two
44 percent (2%) pay increase for all classified and nonclassified permanent
45 performing employees. Performing employees shall be all permanent employ-
46 ees, including adjunct faculty at colleges and universities, who have been

1 rated as "achieves" or better on a performance plan if required by Division
2 of Human Resources rule, including probationary permanent employees making
3 satisfactory progress. The Legislature supports the Governor's recommenda-
4 tion to fund increases in the cost of health insurance benefits and directs
5 the director of the Department of Administration, as the administrator of
6 the state insurance plan, to maintain the current benefit package to the ex-
7 tent possible, which may require a cost sharing on the part of employees for
8 the increased cost of the health insurance plan.
