14 SECTION 2. That Chapter 37, Title 39, Idaho Code, be, and the same is
15 hereby amended by the addition thereto of a NEW SECTION, to be known and des-
16 ignated as Section 39-3704, Idaho Code, and to read as follows:

17 39-3704. BONE MARROW DONATIONS. (1) Each primary care provider and
18 urgent care physician may inquire of a new patient who is between the ages of
19 eighteen (18) years and forty-five (45) years on the new patient intake form
20 as to whether the patient is registered with the bone marrow registry. If
21 the patient is not registered with the bone marrow registry, the provider or
22 physician shall offer information described in subsection (2) of this sec-
23 tion regarding the bone marrow registry to the patient.

24 (2) The department of health and welfare shall develop and disseminate
25 information regarding the bone marrow registry, which shall include but not
26 be limited to the following:

- 27 (a) The need for bone marrow donations;
28 (b) Patient populations that would benefit from bone marrow donations;
29 (c) How to join the bone marrow registry; and
30 (d) How to acquire a free buccal swab kit from the bone marrow registry.

31 (3) Dissemination of the information under this section may be by oral,
32 print, or electronic notification, or any other method, provided that the
33 department of health and welfare determines that the dissemination of infor-
34 mation is cost-effective for the department and for primary care providers
35 and urgent care physicians.

36 (4) The department of health and welfare may promulgate rules to imple-
37 ment the provisions of this section.
