4 fee to the board prior to September 30 of every even-numbered calendar year.  
5 To renew a dental hygiene license, each licensee shall submit a properly com-  
6 pleted renewal application and the appropriate biennial license fee to the  
7 board prior to March 31 of each odd-numbered calendar year. Each licensee  
8 determined by the board as qualified for renewal of a license shall be issued  
9 a license for the applicable biennial licensing period.

10 (4) Failure to timely submit a complete renewal application and li-  
11 cense fee shall result in expiration of the license and termination of the  
12 licensee's right to practice. Failure to submit a complete renewal applica-  
13 tion, license fee and fifty dollar (\$50.00) late fee within thirty (30) days  
14 of expiration of the license shall result in cancellation of the license.

15 (5) Any person who delivers a check or other payment to the board that is  
16 returned to the board unpaid by the financial institution upon which it was  
17 drawn shall pay to the board as an administrative cost, in addition to any  
18 other amount owing, the amount of fifty dollars (\$50.00). Following notifi-  
19 cation by the board of the returned check or other payment, the person shall  
20 make payment of all moneys owing to the board by certified check or money or-  
21 der within thirty (30) days of the date of notification. A failure to submit  
22 the necessary remittance within the thirty (30) day period may result in the  
23 expiration of a license or constitute grounds for the board to deny, cancel,  
24 suspend or revoke a license.

25 (6) The board of dentistry may issue different classes of licenses as  
26 defined in this subsection.

27 (a) The term "license with active status" means a license issued by the  
28 board to a qualified person who is authorized to practice dentistry,  
29 dental therapy, or dental hygiene in the state of Idaho.

30 (b) The term "license with an inactive status" means a license issued  
31 by the board to a qualified person who is not authorized to be an ac-  
32 tive practitioner of dentistry, dental therapy, or dental hygiene in  
33 the state of Idaho. A person issued a license with an inactive status is  
34 not entitled to practice dentistry, dental therapy, or dental hygiene  
35 in the state of Idaho.

36 (c) The terms "license with special status" and "license with provi-  
37 sional status" mean licenses issued by the board to a qualified person  
38 on a provisional, conditional, restricted or limited basis under the  
39 terms of which the licensee is authorized to practice dentistry, den-  
40 tal therapy, or dental hygiene in the state of Idaho subject to condi-  
41 tions, limitations and requirements imposed by the board. The condi-  
42 tions, limitations and requirements imposed by the board may include,  
43 but are not limited to, a limitation on the effective period of the li-  
44 cense, a requirement that specific conditions must be fulfilled in or-  
45 der for the license to remain effective, a requirement that specified  
46 education, examinations and skills testing be successfully completed  
47 during the effective period of the license, a restriction on the scope  
48 of permissible services that the licensee is authorized to perform, a  
49 restriction on the type of patients for whom treatment may be rendered

1 and a restriction on the locations at which the licensee can perform au-  
2 thorized services.

3 (7) (a) The board may issue a license with active status to any quali-  
4 fied applicant or qualified licensee who is authorized to practice den-  
5 tistry, dental therapy, or dental hygiene in the state of Idaho. Re-  
6 newal of a license with active status requires compliance with require-  
7 ments specified in rule.

8 (b) The board may issue a license with inactive status to any qualified  
9 applicant or qualified licensee who fulfilled the licensure require-  
10 ments but does not practice in the state of Idaho. Renewal of a license  
11 with inactive status requires compliance with requirements specified  
12 in rule.

13 (c) The board may issue a license with provisional status or special  
14 status to any person who fulfills, or substantially fulfills, the  
15 applicable licensure requirements when the board, acting in its dis-  
16 cretion, determined that special circumstances existed which, for the  
17 protection of the public health, safety and welfare, required that  
18 specific conditions, restrictions or limitations be imposed on the li-  
19 cense. A license with special status or provisional status entitles  
20 the holder thereof to practice dentistry, dental therapy, or dental  
21 hygiene in the state of Idaho subject to the conditions, restrictions  
22 and limitations specifically determined by the board and for the period  
23 of time prescribed. A provisional license is effective for the period  
24 specified by the board and may not be renewed. The board shall develop  
25 rules to include definitions, application and renewal requirements,  
26 limitations of practice and other conditions regarding provisional and  
27 special status licenses.

28 (d) The board may convert a license with inactive status to a li-  
29 cense with active status in the event the holder pays the license fee  
30 prescribed for licenses with active status and submits to the board sat-  
31 isfactory evidence of:

32 (i) Compliance with the requirements of this chapter and all  
33 rules promulgated under the provisions of this chapter;

34 (ii) Good moral character and good professional conduct; and

35 (iii) Completion of accumulated continuing education as required  
36 of a license with uninterrupted active status.

37 (e) Persons unable to otherwise fully meet the requirements for conver-  
38 sion of an inactive status license to an active status license must ap-  
39 ply as a first-time applicant.

40 (8) Each person licensed under this chapter shall notify the board in  
41 writing of any change in the person's name or address of record within thirty  
42 (30) days after the change has taken place.

43 SECTION 12. That Section 54-922, Idaho Code, be, and the same is hereby  
44 amended to read as follows:

7 certificate or other evidence of qualification, right to practice or li-  
8 cense has been convicted of a felony, or of a misdemeanor involving moral  
9 turpitude, whether such conviction shall have occurred before or after qual-  
10 ification, or accrual of such right, or the issuance of such certificate or  
11 other evidence of qualification, or of such license. A person licensed to  
12 practice dentistry, a dental specialty, dental therapy, or dental hygiene  
13 who is convicted of a felony in any jurisdiction shall notify the board  
14 within thirty (30) days of conviction by submitting a copy of the judgment of

17 amended to read as follows:

21 other disciplinary action with respect to a dental license as the board may  
22 deem proper, including administrative penalties not to exceed ten thousand  
23 dollars (\$10,000) per violation and assessment of the costs of disciplinary  
24 proceedings in the event a dentist shall:

6 with active status to a license with inactive status with the intention of  
7 ceasing to actively practice as a dentist, dental therapist, or dental hy-  
8 gienist for remuneration, or he has converted his license with active or in-  
9 active status to a license with retirement or similar status that proscribed

14 disciplinary action or in lieu of disciplinary action being taken shall not  
15 be eligible for a volunteer's license.

27 rendered, resigned or otherwise allowed to lapse or expire in lieu of  
28 disciplinary action;

29 (c) Verification that the applicant held a dental, dental therapy, or

39 tal therapy, or dental hygiene by successfully completing such examina-  
40 tions as are required by the board; and

41 (e) A notarized statement from the applicant on a form prescribed by  
42 the board, that the applicant will not provide any dental, dental ther-

45 any amount or form of remuneration, other than as reimbursement for the  
46 amount of actual expenses incurred as a volunteer dentist, dental ther-  
47 apist, or dental hygienist, for any dental, dental therapy, or dental  
48 hygiene services provided under the authority of a volunteer's license.

49 (4) For purposes of this section, the specified locations at which a  
50 dentist, dental therapist, or dental hygienist holding a volunteer's li-

5 include the administration of general anesthesia or moderate sedation to a  
6 patient unless otherwise specifically approved in advance by the board.

7 (5) A volunteer's license shall be valid for that period specified for  
8 dentists, dental therapists, and dental hygienists in section 54-920, Idaho

16 (6) The board may revoke a volunteer's license upon receiving proof  
17 satisfactory to the board that the holder of a volunteer's license provided  
18 dental, dental therapy, or dental hygiene services outside the permissible  
19 scope of the volunteer's license or that grounds existed for enforcement or  
20 disciplinary action against the holder of a volunteer's license under other  
21 sections of this chapter or the administrative rules promulgated under this  
22 chapter.

27 dental, dental therapy, or dental hygiene services. This section does not  
28 provide or extend immunity to a holder of a volunteer's license for any acts  
29 or omissions constituting negligence.
