41 19-2517. PRESENTENCE INVESTIGATION REPORT TO INCLUDE RECIDIVISM
 42 RATES. (1) If the court orders a presentence investigation to be conducted,

44 (a) Offenders placed on probation after an expired period of retained
 45 jurisdiction under section 19-2601 4., Idaho Code;

 47 Code; and

48 (c) Offenders sentenced directly to a term of imprisonment.

1 (2) The reported recidivism rates shall be differentiated based on of-
2 fender risk levels of low, moderate and high.

3 SECTION 2. That Section 19-2521, Idaho Code, be, and the same is hereby
4 amended to read as follows:

5 19-2521. CRITERIA FOR PLACING DEFENDANT ON PROBATION OR IMPOSING IM-
6 PRISONMENT. (1) The court shall deal with a person who has been convicted of a
7 crime without imposing sentence of imprisonment unless, having regard to the
8 nature and circumstances of the crime and the history, character and condi-
9 tion of the defendant, it is of the opinion that imprisonment is appropriate
10 for protection of the public because:

11 (a) There is undue risk that during the period of a suspended sentence
12 or probation the defendant will commit another crime; or

13 (b) The defendant is in need of correctional treatment that can be pro-
14 vided most effectively by his commitment to an institution; or

15 (c) A lesser sentence will depreciate the seriousness of the defen-
16 dant's crime; or

17 (d) Imprisonment will provide appropriate punishment and deterrent to
18 the defendant; or

19 (e) Imprisonment will provide an appropriate deterrent for other per-
20 sons in the community; or

21 (f) The defendant is a multiple offender or professional criminal.

22 (2) The following grounds, while not controlling the discretion of the
23 court, shall be accorded weight in favor of avoiding a sentence of imprison-
24 ment:

25 (a) The defendant's criminal conduct neither caused nor threatened
26 harm;

27 (b) The defendant did not contemplate that his criminal conduct would
28 cause or threaten harm;

29 (c) The defendant acted under a strong provocation;

30 (d) There were substantial grounds tending to excuse or justify the de-
31 fendant's criminal conduct, though failing to establish a defense;

32 (e) The victim of the defendant's criminal conduct induced or facili-
33 tated the commission of the crime;

34 (f) The defendant has compensated or will compensate the victim of his
35 criminal conduct for the damage or injury that was sustained; provided,
36 however, nothing in this section shall prevent the appropriate use of
37 imprisonment and restitution in combination;

38 (g) The defendant has no history of prior delinquency or criminal ac-
39 tivity or has led a law-abiding life for a substantial period of time be-
40 fore the commission of the present crime;

41 (h) The defendant's criminal conduct was the result of circumstances
42 unlikely to recur;

43 (i) The character and attitudes of the defendant indicate that the com-
44 mission of another crime is unlikely.

45 ~~(3) When a person who has been convicted of a crime is not sentenced to~~
46 ~~imprisonment, the court may place the defendant on probation if the supervi-~~
47 ~~sion, guidance, assistance or direction is needed that the probation service~~
48 ~~has the resources to provide.~~

1 SECTION 3. That Section 19-2524, Idaho Code, be, and the same is hereby
2 amended to read as follows:

3 19-2524. CONSIDERATION OF COMMUNITY-BASED TREATMENT TO MEET BEHAV-
4 IORAL HEALTH NEEDS IN SENTENCING AND POST-SENTENCING PROCEEDINGS. (1) After
5 a defendant has pled guilty to or been found guilty of a felony, and at any
6 time thereafter while the court exercises jurisdiction over the defendant,
7 behavioral health needs determinations shall be conducted when, and as pro-
8 vided by, this section.

9 (a) As part of the presentence process, a screening to determine
10 whether a defendant is in need of a substance use disorder assessment
11 and/or a mental health examination shall be made in every felony case
12 unless the court waives the requirement for a screening. The screening
13 shall be performed within seven (7) days after the plea of guilty or
14 finding of guilt.

15 (b) At any time after sentencing while the court exercises jurisdiction
16 over the defendant, the court may order such a screening to be performed
17 by individuals authorized or approved by the department of correction
18 if the court determines that one is indicated. The screening shall be
19 performed within seven (7) days after the order of the court requiring
20 such screening.

21 (2) Substance use disorder provisions.

22 (a) Should a screening indicate the need for further assessment of a
23 substance use disorder, the necessary assessment shall be timely per-
24 formed so as to avoid any unnecessary delay in the criminal proceeding
25 and not later than thirty-five (35) days after a plea of guilty or find-
26 ing of guilt or other order of the court requiring such screening. The
27 assessment may be performed by qualified employees of the department of
28 correction or by private providers approved by the department of health
29 and welfare. If the screening or assessment is not timely completed,
30 the court may order that the screening be performed by another qualified
31 provider.

32 (b) Following completion of the assessment, the results of the assess-
33 ment, including a determination of whether the defendant meets diagnos-
34 tic criteria for a substance use disorder and the recommended level of
35 care, shall be submitted to the court as part of the presentence inves-
36 tigation report or other department of correction report to the court.

37 (c) Following the entry of a plea of guilty or a finding of guilt, the
38 court may order, as a condition of the defendant's continued release on
39 bail or on the defendant's own recognizance, that if the assessment re-
40 flects that the defendant meets diagnostic criteria for a substance use
41 disorder, the defendant shall promptly, and prior to sentencing, begin
42 treatment at the recommended level of care.

43 (d) If the court concludes at sentencing, or at any time after sentenc-
44 ing while the court exercises jurisdiction over the defendant, that
45 the defendant meets diagnostic criteria for a substance use disorder,
46 and if the court places the defendant on probation, the court may or-
47 der the defendant, as a condition of probation, to undergo treatment
48 at the recommended level of care, subject to modification of the level
49 of care by the court. If substance use disorder treatment is ordered,

1 all treatment shall be performed by a qualified private provider ap-
2 proved by the department of health and welfare. The court may order
3 that if the level of care placement or the treatment plan is modified in
4 any material term, the department of correction shall notify the court
5 stating the reason for the modifications and informing the court as to
6 the clinical alternatives available to the defendant. The level of care
7 for substance use treatment shall be based upon each probationer's risk
8 assessment with priority given to probationers with high or moderate
9 risk levels.

10 (e) In no event shall the persons or facility doing the substance use
11 assessment be the person or facility that provides the substance use
12 treatment unless this requirement is waived by the court or where the
13 assessment and treatment are provided by or through a federally recog-
14 nized Indian tribe or federal military installation, where diagnosis
15 and treatment are appropriate and available.

16 (f) Defendants who have completed department of correction institu-
17 tional programs may receive after care services from qualified employ-
18 ees of the department of correction.

19 (g) The expenses of all screenings and assessments for substance use
20 disorder provided or ordered under this section shall be borne by the
21 department of correction. The expenses for treatment provided or or-
22 dered under this section shall be borne by the department of correction
23 unless the defendant is placed in a treatment program which is funded by
24 an alternate source. The department of correction shall be entitled to
25 any payment received by the defendant or to which he may be entitled from
26 any public or private source available to the department of correction
27 for the service provided to the defendant. The department of correction
28 may promulgate rules for a schedule of fees to be charged to defendants
29 for the substance use disorder assessments and treatments provided
30 to the defendants based upon the actual costs of such services and the
31 ability of a defendant to pay. The department of correction shall use
32 the state approved financial eligibility form and reimbursement sched-
33 ule as set forth in IDAPA 16.07.01.

34 (3) Mental health provisions.

35 (a) Should the mental health screening indicate that a serious mental
36 illness may be present, then the department of correction shall refer
37 the defendant to the department of health and welfare for further exam-
38 ination. The examination shall be timely performed so as to avoid any
39 unnecessary delay in the criminal proceeding and not later than thirty-
40 five (35) days after a plea of guilty or finding of guilt or other order
41 of the court requiring such screening.

42 (b) The examination may be performed by qualified department of health
43 and welfare employees or by private providers under contract with the
44 department of health and welfare, provided that such examination shall
45 at a minimum include an in-depth evaluation of the following:

46 (i) Mental health concerns;

2 (vi) Multiaxial diagnoses; and
3 (vii) Any other examinations necessary to provide the court with
4 the information set forth in paragraph (c) of this subsection.

5 (c) Upon completion of the mental health examination, the court shall
6 be provided, as part of the presentence report or other department of
7 health and welfare report to the court, a copy of the mental health as-
8 sessment along with a summary report. The summary report shall include
9 the following:

- 10 (i) Description and nature of the examination;
11 (ii) Multiaxial diagnoses;
12 (iii) Description of the defendant's diagnosis and if the defen-
13 dant suffers from a serious mental illness (SMI) as that term is
14 now defined, or is hereafter amended, in IDAPA 16.07.33.010, to
15 also include post-traumatic stress disorder;
16 (iv) An analysis of the degree of impairment due to the defen-
17 dant's diagnosis;
18 (v) Consideration of the risk of danger the defendant may create
19 for the public; and
20 (vi) If the defendant suffers from a serious mental illness the
21 report shall also include a plan of treatment that addresses the
22 following:

- 23 1. An analysis of the relative risks and benefits of treat-
24 ment versus nontreatment;
25 2. Types of treatment appropriate for the defendant; and
26 3. Beneficial services to be provided.

27 (d) If the court, after receiving a mental health examination and plan
28 of treatment, determines that additional information is needed regard-
29 ing the mental condition of the defendant or the risk of danger such con-
30 dition may create for the public, the court may order additional evalua-
31 tions and/or recommendations for treatment to be furnished by a psychi-
32 atrist, licensed physician or licensed psychologist.

33 (e) If the court concludes that the defendant suffers from a serious
34 mental illness as defined in paragraph (c) (iii) of this subsection and
35 that treatment is available for such serious mental illness, then the
36 court may order, as a condition of the defendant's release on bail or on
37 the defendant's own recognizance or as a condition of probation, that
38 the defendant undergo treatment consistent with the plan of treatment,
39 subject to modification of the plan of treatment by the court. If the
40 plan of treatment is modified in any material term, the department of
41 health and welfare shall notify the court in a timely manner stating the
42 reasons for the modification and informing the court as to the clinical
43 alternatives available to the defendant.

44 (f) If treatment is ordered, all treatment shall be performed by a
45 provider approved by the department of health and welfare.

46 (g) Mental health examinations and/or treatment provided or ordered
47 under this section shall be secured by the department of health and
48 welfare. The department of health and welfare shall exhaust efforts
49 to assist the defendant in gaining access to health care benefits that
50 will cover the defendant's mental health treatment needs. To the extent

1 that health care benefits are not available to the defendant for the
 2 treatment, the expenses for treatment shall be borne by the department
 3 of health and welfare. The expenses of all mental health examinations
 4 and/or treatment provided or ordered under this section shall be borne
 5 by the department of health and welfare. The department of health and
 6 welfare shall be entitled to any payment received by the defendant or
 7 to which he may be entitled from any public or private source available
 8 to the department of health and welfare for the service provided to the
 9 defendant. The department of health and welfare is authorized to pro-
 10 mulgate rules for a schedule of fees to be charged to defendants for the
 11 mental health examinations and treatments provided to the defendants
 12 based upon the actual costs of such services and the ability of a defen-
 13 dant to pay. The department of health and welfare shall use the state
 14 approved financial eligibility form and reimbursement schedule as set
 15 forth in IDAPA 16.07.01. Defendants shall pay the fee for the mental
 16 health examinations and treatments consistent with the rules of the
 17 department of health and welfare.

18 (4) Unless otherwise ordered by the court, if the defendant is in
 19 treatment for a substance use disorder or mental illness, any substance use
 20 disorder assessment required under subsection (2) of this section or mental
 21 health examination required under subsection (3) of this section need not be
 22 performed while the defendant is in such treatment. In such circumstances,
 23 the court may make such order as it finds appropriate to facilitate the
 24 completion of the sentencing process or other proceeding before the court,
 25 including providing for the assessment and treatment records to be included
 26 in the presentence investigation report or other report to the court.

27 (5) Any substance use disorder assessment including any recommended
 28 level of care or mental health examination including any plan of treatment
 29 shall be delivered to the court, the defendant and the prosecuting attorney

 34 shall also satisfy the requirement of a substance abuse evaluation prior to
 35 sentencing set forth in section 37-2738, Idaho Code.

36 (7) If the defendant is sentenced to the custody of the board of correc-
 37 tion, then any substance use disorder assessment, mental health examination
 38 or plan of treatment shall be sent to the department of correction along with
 39 the presentence report.

 46 in its discretion, may:

10 board of correction. The court shall retain jurisdiction over the prisoner
11 for a period of up to the first three hundred sixty-five (365) days or, if
12 the prisoner is a juvenile, until the juvenile reaches twenty-one (21) years
13 of age. During the period of retained jurisdiction, the state board of cor-
14 rection shall be responsible for determining the placement of the prisoner
15 and such education, programming and treatment as it determines to be ap-
16 propriate. The prisoner will remain committed to the board of correction
17 if not affirmatively placed on probation by the court. In extraordinary
18 circumstances, where the court concludes that it is unable to obtain and
19 evaluate the relevant information within the period of retained jurisdic-
20 tion, or where the court concludes that a hearing is required and is unable
21 to obtain the defendant's presence for such a hearing within such period,
22 the court may decide whether to place the defendant on probation or release
23 jurisdiction within a reasonable time, not to exceed thirty (30) days, after
24 the period of retained jurisdiction has expired. Placement on probation
25 shall be under such terms and conditions as the court deems necessary and

29 or its agent, the department of correction, be required to hold a hearing of
30 any kind with respect to a recommendation to the court for the grant or de-

34 board of correction and its agency, the department of correction, and their
35 employees shall not be held financially responsible for damages, injunctive

1 ditions imposed, as such sanctions and rewards are set forth in rules of the
 2 board of correction.

3 6. If the crime involved is a misdemeanor, indictable or otherwise, or
 4 if the court should suspend any remaining portion of a jail sentence already
 5 commuted in accordance with subsection 1. of this section, the court, if it
 6 grants probation, may place the defendant on probation. If the convicted
 7 person is a juvenile held for adult criminal proceedings, the court may order
 8 probation under the supervision of the county's juvenile probation depart-

 13 may extend the period of probation to include the period of time during which
 14 the defendant is a participant in a problem solving court program and for a
 15 period of up to one (1) year after a defendant's graduation or termination
 16 from a problem solving court program. Under a conviction or plea of guilty

 40 court may impose and may at any time modify any terms or conditions of proba-
 41 tion or suspension of sentence. The court shall cause a copy of any such or-
 42 der to be delivered to the ~~probation officer and parole officer~~ board of cor-
 43 rection, to the prosecuting attorney and to the probationer.

44 (2) Any party or the board of correction may submit to the court a re-
 45 quest to modify the court-imposed terms and conditions of probation for any
 46 probationer under the board's supervision at any time during the period of
 47 probation. A request to modify the terms and conditions of probation shall
 48 be supported by a statement attested to under oath or signed under penalty
 49 of perjury pursuant to section 9-1406, Idaho Code, setting forth the facts

1 upon which the request is based. The requesting party or the board, as the
2 case may be, shall deliver a copy of the request and statement to all par-

4 the request to modify the terms and conditions of probation. Any responses
5 to a request to modify shall be filed within thirty (30) days of the date of
6 submittal of the request. The court may, without a hearing, rule upon a re-
7 quest to modify based on a review of the case, the request, the statement and
8 any responses to the request, or may schedule a hearing on the request to mod-
9 ify. The court shall by written order rule on the request to modify within
10 sixty (60) days of the date of submittal of the request. Nothing contained in
11 this subsection shall be construed as limiting or preventing the board from
12 transferring a qualified probationer to limited supervision pursuant to the
13 provisions of section 20-219, Idaho Code.

14 (3) Any party or the board of correction may submit to the court a re-
15 quest to terminate the court-imposed probation for any probationer under the
16 board's supervision at any time during the period of probation. A request to
17 terminate probation shall be supported by a statement attested to under oath
18 or signed under penalty of perjury pursuant to section 9-1406, Idaho Code,
19 setting forth the facts upon which the request is based. The requesting
20 party or the board, as the case may be, shall deliver a copy of the request and
21 statement to all parties and to the board. The prosecuting attorney shall
22 notify the victim of a request to terminate probation. Any responses to a

27 request to terminate. There shall be a presumption in favor of granting a
28 request to terminate probation for any probationer who has completed twelve

35 amended to read as follows:

36 20-222. ~~INDETERMINATE OR FIXED PERIOD OF PROBATION OR SUSPENSION OF~~
37 ~~SENTENCE -- REARREST AND REVOCATION.~~ (1) The period of probation or suspen-

41 dant might have been imprisoned.

42 (2) At any time during probation or suspension of sentence, the court
43 may issue a warrant for violating any of the conditions of probation or sus-
44 pension of sentence and cause the defendant to be arrested. Thereupon the
45 court, after summary hearing may revoke the probation and suspension of sen-
46 tence and cause the sentence imposed to be executed, or may cause the defen-
47 dant to be brought before it and may continue or revoke the probation, or may
48 impose any sentence which originally might have been imposed at the time of
49 conviction. In making a determination to continue or revoke probation and

1 suspension of sentence, the court shall consider the defendant's risks and
2 needs and options for treatment in the community.

3 SECTION 12. That Section 20-223, Idaho Code, be, and the same is hereby
4 amended to read as follows:

5 20-223. PAROLE AND RULES GOVERNING -- RESTRICTIONS -- PSYCHIATRIC OR
6 PSYCHOLOGICAL EXAMINATION. (a~~1~~) Subject to section 19-2513, Idaho Code, the
7 commission shall have the power to establish rules, ~~policies or procedures~~
8 in compliance with chapter 52, title 67, Idaho Code, under which any pris-
9 oner, excepting any under sentence of death, may be allowed to go upon parole
10 but to remain while on parole in the legal custody and under the control of
11 the board and subject to be taken back into confinement at the direction of
12 the commission.

13 (2) Any prisoner who is granted parole under the interstate compact may
14 be required to post a bond prior to release or prior to such acceptance under
15 the interstate compact; such bond may be posted by the prisoner, the pris-
16 oner's family, or other interested party. Failure to successfully complete
17 parole may be grounds for forfeiture of the bond. Upon successful completion
18 of parole, the amount of the bond may be returned, less an amount for admin-
19 istrative costs as determined by commission rule, in compliance with chap-
20 ter 52, title 67, Idaho Code. A request must be made for return of the bond
21 within one (1) year of discharge of the offense for which the particular of-
22 fender was serving parole. Funds collected through the bonding process will
23 be placed in a separate commission receipts fund which is hereby created in
24 the state treasury and utilized for the extradition of parole violators.

25 (b~~3~~) No person serving a sentence for rape, incest, committing a lewd
26 act upon a child, crime against nature, or with an intent or an assault with
27 intent to commit any such crimes, or whose history and conduct indicate to
28 the commission that he is a sexually dangerous person, shall be released on
29 parole except upon the examination and evaluation of one (1) or more psy-
30 chiatrists or psychologists or mental health professionals designated for
31 this purpose by the department of correction to be selected by the commission
32 and such evaluation shall be duly considered by the commission in making its
33 parole determination. The commission may, in its discretion, likewise re-

35 crimes other than those above enumerated. No person making such evaluation
36 shall be held financially responsible to any person for denial of parole by
37 the commission or for the results of the future acts of such person if he be
38 granted parole.

39 (e~~4~~) Before considering the parole of any prisoner, the commission
40 shall ensure that a risk assessment has been conducted pursuant to section
41 20-224, Idaho Code, and shall afford the prisoner the opportunity to be in-
42 terviewed by the commission, a commissioner or other designated commission
43 staff. A designated report and risk assessment prepared by commission staff
44 or a designated department of correction employee ~~which that~~ is specifically
45 to be used by the commission in making a parole determination shall be exempt
46 from public disclosure; such reports contain information from the pre-
47 sentence investigation report, medical or psychological information, the
48 results of a risk assessment, victim information, designated confidential
49 witness information and criminal history information. A parole ~~shall be or-~~

1 ~~dered when, in the discretion of the commission, it is in the best interests~~
2 ~~of society, and the commission believes the prisoner is able and willing to~~
3 ~~fulfill the obligations of a law-abiding citizen. Such determination shall~~
4 ~~not be a reward of clemency and it shall not be considered to be a reduction of~~
5 ~~sentence or a pardon. The commission may also by its rules, policies or pro-~~
6 ~~cedures fix the times and conditions under which any application denied may~~
7 ~~be reconsidered. No action may be maintained against the commission and/or~~
8 ~~any of its members in any court in connection with any decision taken by the~~
9 ~~commission to parole a prisoner and neither the commission nor its members~~
10 ~~shall be liable in any way for its action with respect thereto.~~

11 (d5) In making any parole or commutation decision with respect to a
12 prisoner, the commission shall consider the compliance of the prisoner with
13 any order of restitution which may have been entered according to section
14 19-5304, Idaho Code. The commission may make compliance with such an order
15 of restitution a condition of parole.

16 (e6) Except as provided in subsection (a1) of this section, no provi-
17 sion of chapter 52, title 67, Idaho Code, shall apply to the commission.

18 (f7) Subject to the limitations of this subsection and notwithstanding
19 any fixed term of confinement or minimum period of confinement as provided
20 in section 19-2513, Idaho Code, the commission may parole an inmate for med-
21 ical reasons. A prisoner may be considered for medical parole only when the
22 prisoner is permanently incapacitated or terminally ill and when the commis-
23 sion reasonably believes the prisoner no longer poses a threat to the safety
24 of society. For the purposes of this section, "permanently incapacitated"
25 shall mean a person who, by reason of an existing physical condition which
26 is not terminal, is permanently and irreversibly physically incapacitated.
27 For the purposes of this section "terminally ill" shall mean a person who has
28 an incurable condition caused by illness or disease and who is irreversibly
29 terminally ill.

30 (g8) The commission shall prepare and send to the house of represen-
31 tatives and senate judiciary committees annually a report containing the
32 names, medical condition and current status of all persons granted parole
33 pursuant to subsection (f7) of this section.

34 (9) Prisoners convicted of nonviolent offenses on or after July 1,
35 2014, shall be released on parole after serving one hundred percent (100%)
36 of the minimum period of confinement and before serving one hundred fifty
37 percent (150%) of the minimum period of confinement, unless the commission
38 finds that the prisoner served a previous prison sentence for a violent
39 offense or the prisoner has committed a major institutional behavior viola-
40 tion.

41 (10) By February 1, 2015, and by February 1 of each year thereafter, the
42 commission shall submit a report to the legislature and governor on the per-
43 centage of people sentenced to a term in prison for a nonviolent offense con-
44 viction who are released before serving one hundred fifty percent (150%) of
45 the minimum sentence.

46 (11) For purposes of this section, "nonviolent offense" means an of-
47 fense other than those listed in sections 19-2520, 19-2520B, 19-2520C and
48 20-509(1), Idaho Code, and other than an offense that would cause an offender
49 to be designated a violent sexual predator under chapter 83 or 84, title 18,
50 Idaho Code.

1 SECTION 13. That Section 20-224, Idaho Code, be, and the same is hereby
2 amended to read as follows:

3 20-224. INFORMATION REGARDING PRISONERS TO BE SECURED. (1) Within six
4 (6) months after his admission and at such intervals thereafter as it may de-

7 social history and criminal record, his conduct, employment and attitude in
8 prison, and reports of such physical and mental examinations as have been
9 made to assist the board in prescribing treatment for such person while in
10 confinement and to assist the commission in its deliberations. The board and
11 the commission shall attempt to inform themselves as to such inmate as a per-
12 sonality and may seek from the sentencing judge, prosecuting attorney, de-
13 fense counsel and law enforcement authorities such information of which they
14 may be possessed relative to the convicted person and the crime for which he
15 was committed. An electronic recording or transcript of the comments and ar-
16 guments required to be recorded by section 19-2515, Idaho Code, shall be sub-
17 mitted to the board, made available to the commission, and shall be consid-
18 ered by the commission in making a parole or commutation decision with re-
19 spect to the prisoner.

20 (2) The board of correction shall use a validated risk assessment to
21 determine, for each prisoner, the risk of reoffense and suitability for re-
22 lease. For purposes of this subsection, "validated risk assessment" means
23 an actuarial tool that has been validated in Idaho to determine the likeli-
24 hood of the prisoner engaging in future criminal behavior. The board shall
25 select a research-based risk assessment and shall validate the accuracy
26 of the risk assessment at least every five (5) years in consultation with
27 the commission. Assessments shall be performed by department staff who are
28 trained and certified in the use of the risk assessment. The commission
29 shall promulgate rules in compliance with chapter 52, title 67, Idaho Code,
30 to ensure that risk assessment is used in determining parole, the benefit of
31 holding a prisoner in prison to complete programming versus releasing the
32 prisoner on parole to complete programming in the community and in setting
33 conditions for parole supervision.

34 SECTION 14. That Section 20-227, Idaho Code, be, and the same is hereby
35 amended to read as follows:

45 ditions of drug court or mental health court or conditions of his parole or
46 probation. The provisions of this section shall apply where the court has
47 provided for the service of discretionary jail time as a term or condition of
48 probation.

1 (2) Such written statement or agent's warrant, delivered with the
2 parolee, probationer, or person under drug court or mental health court
3 supervision by the arresting officer to the official in charge of the insti-
4 tution from which the parolee was released, the county jail or other place of
5 detention, shall be sufficient warrant for the detention of the probationer,
6 parolee, or person under drug court or mental health court supervision.

7 (3) The agent's warrant issued by the parole or probation officer shall
8 be sufficient authorization for a local law enforcement officer to transport
9 the probationer, parolee, or person under drug court or mental health court
10 supervision to the appropriate jurisdiction to be housed pending appearance
11 before the sentencing court or the commission.

12 (4) The parole and probation officer shall at once notify the commis-
13 sion, or the court, of the arrest and detention of the parolee, probationer,
14 or person under drug court or mental health court supervision, and shall
15 submit in writing a report showing in what manner the parolee, probationer,
16 or person under drug court or mental health court supervision is alleged to
17 have violated the condition of his or her parole, probation, or drug court
18 or mental health court program. When a probationer is arrested pursuant to
19 an agent's warrant, the supervising officer shall provide the prosecuting
20 attorney with a copy of the notice of arrest and the report.

21 (5) In counties where there are misdemeanor probation officers in addi-

26 the officer's presence as otherwise provided in this section.

27 (6) When a probationer has been arrested by the supervising officer
28 without a warrant or pursuant to an agent's warrant, the supervising officer
29 shall submit to the court, to the prosecuting attorney and to the facility
30 where the probationer is detained, a statement of probable cause for the
31 violation. The statement shall be attested to under oath or under penalty
32 of perjury pursuant to section 9-1406, Idaho Code, and shall be submitted
33 within twenty-four (24) hours of the arrest. If a judicial determination of

42 shall be given to the person paroled. The commission shall include in the
43 conditions of parole a requirement that the defendant enter into and comply
44 with an agreement of supervision with the board of correction. The agree-
45 ment of supervision shall include provisions setting forth the potential
46 sanctions for a violation of the conditions imposed and potential rewards
47 for compliance with the conditions imposed, as such sanctions and rewards
48 are set forth in rules of the board. Whenever the commission finds that a
49 parolee may have violated the conditions of parole, the written order of the

1 commission, signed by a member or members of the commission or the executive
2 director, shall be sufficient warrant for any law enforcement officer to
3 take into custody such person, and it is hereby made the duty of all sher-
4 iffs, police, constables, parole and probation officers, prison officials
5 and other peace officers, to execute such order. Such warrant shall serve
6 to suspend the person's parole until a determination on the merits of the
7 allegations of the violation has been made pursuant to a revocation hearing.
8 From and after the issuance of the warrant and suspension of the parole of
9 any convicted person and until arrest, the parolee shall be considered a
10 fugitive from justice. Such person so recommitted, except as provided in
11 section 20-229B, Idaho Code, must serve out the sentence, and the time during
12 which such prisoner was out on parole shall not be deemed a part thereof,
13 unless the commission, in its discretion, shall determine otherwise, but
14 nothing herein contained shall prevent the commission from again paroling
15 such prisoners at its discretion.

17 amended to read as follows:

18 20-229A. NOTICE -- SERVICE -- WAIVER. (1) Within fifteen (15) calendar

21 served with a copy of the factual allegations of the violation of the condi-
22 tions of parole by a state probation and parole officer, a law enforcement
23 official or other as designated by the executive director. When accused of a

25 sion of~~r~~ and conviction for~~r~~ a felony or misdemeanor, the alleged parole vi-
26 olator shall be advised of the right to an on-site parole revocation hearing
27 and of procedural rights and privileges as provided by this act. The alleged
28 parole violator, after service of the allegation of violations of the condi-
29 tions of parole and the notification of rights, may waive the on-site parole
30 revocation hearing as provided by section 20-229, Idaho Code. If the alleged
31 parole violator waives the right to an on-site hearing, the commission, ex-
32 ecutive director or hearing officer shall designate the facility where the
33 hearing will be conducted.

34 (2) Whenever a paroled prisoner is accused of a violation of his pa-

44 and impartial hearing of the charges will be conducted within a reasonable
45 time.

46 (3) The alleged parole violator may waive the right to any hearing, and
47 at that time may admit one (1) or more of the alleged violations of the con-
48 ditions of parole. If the waiver is accepted by the commission or hearing
49 officer: (i) the parolee may be reinstated under the same or modified con-

1 ditions, or (ii) the parolee shall be ~~revoked and the parolee remanded to~~
 2 ~~e custody~~ subject to an expedited determination by the commission consistent
 3 with the provisions of section 20-229B, Idaho Code, without a hearing. If

 13 violation waives the parole hearing pursuant to the provisions of section
 14 20-229A(3), Idaho Code, then a decision shall be entered upon acceptance of
 15 the waiver.

16 (2) If the member or members or hearing officer, having heard the mat-
 17 ter, should conclude that the allegations of violation of the conditions
 18 of parole have not been proven by a preponderance of the evidence, or those
 19 which have been proven by a preponderance of the evidence are not sufficient
 20 cause for the revocation of parole, then the parolee shall be reinstated on
 21 parole on the same or modified conditions of parole.

22 (3) Except as otherwise provided in subsection (4) of this section, if
 23 the member or members or hearing officer, having heard the matter, should
 24 conclude that the allegations of violation of the conditions of parole have
 25 been proven by a preponderance of the evidence and constitute sufficient
 26 cause for the revocation of parole, then the violation does not result from
 27 a conviction of a new felony or violent misdemeanor, then the commission
 28 shall:

29 (a) Cause the parolee to be confined for a period of up to ninety (90)
 30 days effective immediately upon entering the decision;

31 (b) For a second parole violation, cause the parolee to be confined for
 32 a period of up to one hundred eighty (180) days effective immediately
 33 upon entering the decision; or

48 (5) If the commission causes a parolee to be confined under subsection
 49 (3) (a), (3) (b) or (4) (a) of this section, then the commission may reduce

1 the period of confinement by up to thirty (30) days if the commission finds
2 that there has been no instance of misconduct during the period of time the
3 parolee is confined.

4 (6) Upon completion of a term of confinement under this section, ac-
5 counting for any reduction in subsection (5) of this section, the parolee
6 shall be released to parole supervision.

13 of discharge and issue to the paroled prisoner a certificate of discharge;
14 but no such order of discharge shall be made in any case within a period of
15 less than one (1) year after the date of release on parole, except that when

26 The commission shall notify the victim of a request for final discharge from
27 parole. Any response to a request for final discharge shall be filed within
28 thirty (30) days of the date of submittal of the request. The commission may,
29 without a hearing, rule upon a request for final discharge based on a review
30 of the case, the request, the statement and any responses to the request, or
31 may schedule a hearing on the request. There shall be a presumption in favor
32 of granting the request for final discharge from parole for any parolee who
