- 9 Be It Enacted by the Legislature of the State of Idaho:
- 10 SECTION 1. LEGISLATIVE INTENT. (1) It is hereby declared by the 11 Legislature of the state of Idaho that:
- (a) Idaho's working forests, ranches and farms provide important
 benefits to all Idahoans by sustaining Idaho's economy, food and fiber
 production, the heritage of local communities, habitat for wildlife,
 intact watersheds for clean water and opportunities to hunt, fish and
 enjoy the outdoors.
- (b) Working forests, ranches and farms, and the benefits they provide,have been lost to other uses in recent decades.
- (c) Many of Idaho's rural landowners are deeply committed to
 maintaining forestry and agricultural traditions, and to serving
 as stewards of natural resources and wildlife.
- (2) It is hereby declared as the purpose of this act to protect and
 enhance the benefits that working lands provide to Idahoans by providing a
 source of funds to complement the land conservation and stewardship programs
 of state natural resources agencies by, among other things, assisting such
 agencies and public organizations in meeting match requirements of land
 conservation programs.
- 28 SECTION 2. That Title 67, Idaho Code, be, and the same is hereby amended

 is hereby created the working lands fund committee. The committee shall
 consist of the following members appointed by and serving at the pleasure of
 the governor:

31 32

33

36

37

- (a) A representative of private livestock grazing interests;
- (b) A representative of private farming interests;
- (c) A representative of private forestry interests;

34 (d) Two (2) members representing the interests of hunting, fishing or35 fish and wildlife conservation;

- (e) A representative of the department of fish and game;
- (f) A representative of the office of species conservation;
- 38 (g) A representative of the department of lands; and
- 39 (h) A representative of the Idaho state department of agriculture.
- 40 (2) All members shall be appointed to terms of three (3) years, except
 41 that the term of initial appointees shall be of staggered lengths. The
 42 governor shall appoint the chairperson of the committee from among its
 43 members.

44 (3) The committee shall have the following powers and duties:

- (a) To administer a grant program that accepts proposals from project
 sponsors to meet the purposes of this act;
- (b) To conduct a needs assessment that describes the nature and scaleof the loss of working lands for the various regions of the state and the

1 effects of such loss on wildlife, recreation, environmental quality and 2 other public benefits of working lands;

3 (c) To complete a strategic plan setting forth specific criteria and
4 priorities for use of the fund;

(d) To request applications for grants from the fund, to establish
application procedures and to adopt eligibility and ranking criteria;

7 (e) To evaluate applications based upon the purposes of this act and
8 criteria established in the strategic plan, and if qualified in the
9 opinion of the committee, to award grants subject to the availability of
10 funds; and

(f) To complete an annual report describing funds received and disbursed and evaluating the success of the grant program.

(4) For budgetary and administrative support purposes, the committee
shall be assigned to the office of species conservation. The committee may
request staff services from any department or office represented on the
committee. Members of the committee who are not state officers or employees
shall serve without compensation except for reimbursement of actual and
necessary expenses pursuant to section 59-509(b), Idaho Code.

(5) Up to fifteen percent (15%) of the fund's moneys may be used to
defray program administrative costs. Any moneys unused at the end of the
fiscal year shall be returned to the state treasurer for deposit in the
working lands fund.

67-9205. PURPOSES FOR GRANTS FROM THE WORKING LANDS FUND. (1) The
 committee may award grants that provide voluntary incentives to owners of
 working lands and project sponsors to enter into conservation agreements for
 the following purposes:

(a) To promote stewardship of natural resources;

27

(b) To protect or enhance habitat for fish, wildlife and native plants;or

30 (c) To provide for recreational opportunities including, but not31 limited to, hunting, fishing and access to public lands.

(2) Project sponsors shall be required to match the funds granted for
each project, so that no more than one-half (1/2) of the monetary support for
any project shall come from the proceeds of the fund. Project sponsors may
meet this requirement by securing funds from other sources for the actions
proposed in the grant application submitted to the committee.
