29 amended to read as follows:

30 33-1004E. DISTRICT'S SALARY-BASED APPORTIONMENT. Each district shall
31 be entitled to a salary-based apportionment calculated as provided in this
32 section.

33 (1) To determine the apportionment for instructional staff, take
34 the amounts indicated on the career ladder table plus the amounts associ-

1 ated with the additional education allocation amounts pursuant to section
2 33-1004B, Idaho Code, and calculate the weighted average. The amount so
3 determined shall be multiplied by the district staff allowance for instruc-
4 tional staff determined as provided in section 33-1004(2), Idaho Code.
5 Full-time instructional staff salaries shall be determined from a salary
6 schedule developed by each district and submitted to the state department of
7 education. No full-time instructional staff member shall be paid less than
8 the minimum dollar amount on the career ladder residency compensation rung
9 pursuant to section 33-1004B, Idaho Code, for the applicable fiscal year.

10 (2) If an instructional staff member has been certified by the national
11 board for professional teaching standards, the staff member shall receive
12 two thousand dollars (\$2,000) per year for five (5) years from the year in
13 which national board certification was earned. The district staff allot-
14 ment shall be increased by two thousand dollars (\$2,000) for each national
15 board-certified instructional staff member who earned national board cer-
16 tification; provided however, that no such awards shall be paid for the pe-
17 riod July 1, 2010, through June 30, 2011, nor shall any liabilities accrue
18 or payments be made pursuant to this section in the future to any individu-
19 als who would have otherwise qualified for a payment during this stated time
20 period. The resulting amount is the district's salary-based apportionment
21 for instructional staff. For purposes of this section, teachers qualifying
22 for the salary increase shall be those who have been recognized as national
23 board-certified teachers as of July 1 of each year.

24 (3) To determine the apportionment for pupil service staff, take
25 the amounts indicated on the career ladder table plus the amounts associ-
26 ated with the additional education allocation amounts pursuant to section
27 33-1004B, Idaho Code, and calculate the weighted average. If the district
28 does not employ any pupil service staff, the district's pupil service staff
29 average salary shall equal the district's instructional staff average
30 salary for purposes of calculating pupil service salary-based apportion-
31 ment. The amount so determined shall be multiplied by the district staff al-
32 lowance for pupil service staff determined pursuant to section 33-1004(3),
33 Idaho Code. Full-time pupil service staff salaries shall be determined from
34 a salary schedule developed by each district and submitted to the state de-
35 partment of education. The resulting amount is the district's salary-based
36 apportionment for pupil service staff. No full-time pupil service staff
37 member shall be paid less than the minimum dollar amount on the career ladder
38 residency compensation rung pursuant to section 33-1004B, Idaho Code, for
39 the applicable fiscal year.

40 (4) To determine the apportionment for district administrative staff,
41 first determine the district average experience and education index by plac-
42 ing all eligible certificated administrative employees on the statewide
43 index provided in section 33-1004A, Idaho Code. The resulting average is the
44 district index. If the district does not employ any administrative staff,
45 the district administrative index shall equal the statewide average index
46 for purposes of calculating administrative salary-based apportionment.
47 The district administrative staff index shall be multiplied by the base
48 salary of ~~thirty-fivesix~~ thirty-two eighty-six thousand one hundred ~~thirty-two~~ eighty-six dol-
49 lars (~~\$35,13236,186~~). The amount so determined shall be multiplied by the
50 district staff allowance for administrative staff determined as provided

1 in section 33-1004(4), Idaho Code. The resulting amount is the district's
2 salary-based apportionment for administrative staff.

3 (5) To determine the apportionment for classified staff, multiply
4 twenty thousand four hundred twenty-one dollars (\$20,421) by the district
5 classified staff allowance determined as provided in section 33-1004(5),
6 Idaho Code. The amount so determined is the district's apportionment for
7 classified staff.

8 (6) The district's salary-based apportionment shall be the sum of the
9 apportionments calculated in subsections (1), (2), (3), (4) and (5) of this
10 section, plus the benefit apportionment as provided in section 33-1004F,
11 Idaho Code.
