

# PROPOSED AMENDMENT

## EH 1577 # 5

### DIGEST

Mobile retail food establishments. Amends provisions regarding the establishment of annual license fees and inspection fees to require the Indiana department of health (state department) to establish one combined fee for the annual license and inspection (combined fees) in an amount equal to \$450. Provides that of each combined fee collected: (1) \$200 shall be retained by the local health department to be used for costs incurred in conducted local inspections; and (2) \$250 shall be distributed to the state department to be used for costs incurred in establishing and maintaining the statewide mobile retail food establishment data base. Makes a technical correction.
