Care Development Fund.

(5) To support Indiana's foster families and adoptive families.

(6) To support prevention based programming that would prevent children from entering the department of child services system.

(7) To support funding for newborn safety devices as described in IC 31-34-2.5-1.

(8) To provide funding to providers of maternal support services and services to help pregnant women and their families bring their pregnancy to term. To be eligible for funding under this subdivision, providers may not be affiliated with any abortion clinic (as defined in IC 16-18-2-1.5).

(e) A provider of services described in subsection (d)(8) that wishes to receive money from the fund must apply to, and in the manner prescribed by, the family and social services administration and the Indiana department of health or the agency administering the program. Any funds awarded to providers under subsection (d)(8) must be awarded on a competitive basis following receipt and review of providers' applications.

(f) Money in the fund at the end of a state fiscal year does not revert to the state general fund.

(g) The family and social services administration and the Indiana department of health, together, shall report to the budget committee each year concerning the use of money in the fund."
