17	(C) insurance brokers.
18	(10) (9) Study and make recommendations concerning whether

24	(B) promote price discounts based on individual underwriting;
25	and
26	(C) empower the health care consumer with a focus on

(4) Entering into any agreement to commit, or individually or by

- (5) Filing with any supervisory or other public official, or making, publishing, disseminating, circulating, or delivering to any person, or placing before the public, or causing directly or indirectly, to be made, published, disseminated, circulated, delivered to any person, or placed before the public, any false statement of financial condition of an insurer with intent to deceive. Making any false entry in any book, report, or statement of any insurer with intent to deceive any agent or examiner lawfully appointed to examine into its condition or into any of its affairs, or any public official to which such insurer is required by law to report, or which has authority by law to examine into its condition or into any of its affairs, or, with like intent, willfully omitting to make a true entry of any material fact pertaining to the business of such insurer in any book, report, or statement of such insurer.
- (6) Issuing or delivering or permitting agents, officers, or employees to issue or deliver, agency company stock or other capital stock, or benefit certificates or shares in any common law corporation, or securities or any special or advisory board contracts or other contracts of any kind promising returns and profits as an inducement to insurance.
- (7) Making or permitting any of the following:
  - (A) Unfair discrimination between individuals of the same class and equal expectation of life in the rates or assessments charged for any contract of life insurance or of life annuity or in the dividends or other benefits payable thereon, or in any other of the terms and conditions of such contract. However, in determining the class, consideration may be given to the nature of the risk, plan of insurance, the actual or expected expense of conducting the business, or any other relevant factor.
  - (B) Unfair discrimination between individuals of the same class involving essentially the same hazards in the amount of premium, policy fees, assessments, or rates charged or made for any policy or contract of accident or health insurance or in the benefits payable thereunder, or in any of the terms or conditions of such contract, or in any other manner whatever. However, in determining the class, consideration may be given to the nature of the risk, the plan of insurance, the actual or expected expense of conducting the business, or any other relevant factor.
  - (C) Excessive or inadequate charges for premiums, policy fees, assessments, or rates, or making or permitting any unfair discrimination between persons of the same class involving essentially the same hazards, in the amount of premiums,

1 policy fees, assessments, or rates charged or made for: 2 (i) policies or contracts of reinsurance or joint reinsurance, 3 or abstract and title insurance; 4 (ii) policies or contracts of insurance against loss or damage 5 to aircraft, or against liability arising out of the ownership, 6 maintenance, or use of any aircraft, or of vessels or craft, 7 their cargoes, marine builders' risks, marine protection and 8 indemnity, or other risks commonly insured under marine, 9 as distinguished from inland marine, insurance; or 10 (iii) policies or contracts of any other kind or kinds of 11 insurance whatsoever. However, nothing contained in clause (C) shall be construed to 12 13 apply to any of the kinds of insurance referred to in clauses (A) 14 and (B) nor to reinsurance in relation to such kinds of insurance. 15 Nothing in clause (A), (B), or (C) shall be construed as making or 16 permitting any excessive, inadequate, or unfairly discriminatory 17 charge or rate or any charge or rate determined by the department 18 or commissioner to meet the requirements of any other insurance 19 rate regulatory law of this state. 20 (8) Except as otherwise expressly provided by IC 27-1-47 or 21 another law, knowingly permitting or offering to make or making 22. any contract or policy of insurance of any kind or kinds 23 whatsoever, including but not in limitation, life annuities, or 24 agreement as to such contract or policy other than as plainly 25 expressed in such contract or policy issued thereon, or paying or 26 allowing, or giving or offering to pay, allow, or give, directly or 27 indirectly, as inducement to such insurance, or annuity, any rebate 28 of premiums payable on the contract, or any special favor or 29 advantage in the dividends, savings, or other benefits thereon, or 30 any valuable consideration or inducement whatever not specified 31 in the contract or policy; or giving, or selling, or purchasing or 32 offering to give, sell, or purchase as inducement to such insurance 33 or annuity or in connection therewith, any stocks, bonds, or other 34 securities of any insurance company or other corporation, 35 association, limited liability company, or partnership, or any dividends, savings, or profits accrued thereon, or anything of 36 37 value whatsoever not specified in the contract. MO014003/DI 106 2025

abatement of premiums are fair and equitable to policyholders

and for the best interests of the company and its policyholders.

(B) In the case of life insurance policies issued on the

44

industrial debit plan, making allowance to policyholders who have continuously for a specified period made premium payments directly to an office of the insurer in an amount which fairly represents the saving in collection expense.

- (C) Readjustment of the rate of premium for a group insurance policy based on the loss or expense experience thereunder, at the end of the first year or of any subsequent year of insurance thereunder, which may be made retroactive only for such policy year.
- (D) Paying by an insurer or insurance producer thereof duly licensed as such under the laws of this state of money, commission, or brokerage, or giving or allowing by an insurer or such licensed insurance producer thereof anything of value, for or on account of the solicitation or negotiation of policies or other contracts of any kind or kinds, to a broker, an insurance producer, or a solicitor duly licensed under the laws of this state, but such broker, insurance producer, or solicitor receiving such consideration shall not pay, give, or allow credit for such consideration as received in whole or in part, directly or indirectly, to the insured by way of rebate.
- (9) Requiring, as a condition precedent to loaning money upon the security of a mortgage upon real property, that the owner of the property to whom the money is to be loaned negotiate any policy of insurance covering such real property through a particular insurance producer or broker or brokers. However, this subdivision shall not prevent the exercise by any lender of the lender's right to approve or disapprove of the insurance company selected by the borrower to underwrite the insurance.
- (10) Entering into any contract, combination in the form of a trust or otherwise, or conspiracy in restraint of commerce in the business of insurance.
- (11) Monopolizing or attempting to monopolize or combining or conspiring with any other person or persons to monopolize any part of commerce in the business of insurance. However, participation as a member, director, or officer in the activities of any nonprofit organization of insurance producers or other workers in the insurance business shall not be interpreted, in itself, to constitute a combination in restraint of trade or as combining to create a monopoly as provided in this subdivision and subdivision (10). The enumeration in this chapter of specific unfair methods of competition and unfair or deceptive acts and practices in the business of insurance is not exclusive or restrictive or intended to limit the powers of the commissioner or department or of any court of review under section 8 of this chapter.
- (12) Requiring as a condition precedent to the sale of real or

1 personal property under any contract of sale, conditional sales 2 contract, or other similar instrument or upon the security of a 3 chattel mortgage, that the buyer of such property negotiate any 4 policy of insurance covering such property through a particular 5 insurance company, insurance producer, or broker or brokers. 6 However, this subdivision shall not prevent the exercise by any 7 seller of such property or the one making a loan thereon of the 8 right to approve or disapprove of the insurance company selected 9 by the buyer to underwrite the insurance. 10 (13) Issuing, offering, or participating in a plan to issue or offer, any policy or certificate of insurance of any kind or character as 11 12 an inducement to the purchase of any property, real, personal, or 13 mixed, or services of any kind, where a charge to the insured is 14 not made for and on account of such policy or certificate of 15 insurance. However, this subdivision shall not apply to any of the 16 following: 17 (A) Insurance issued to credit unions or members of credit 18 unions in connection with the purchase of shares in such credit 19 unions. 20 (B) Insurance employed as a means of guaranteeing the performance of goods and designed to benefit the purchasers 21 22. or users of such goods. 23 (C) Title insurance. 24 (D) Insurance written in connection with an indebtedness and 25 intended as a means of repaying such indebtedness in the 26 event of the death or disability of the insured. 27 (E) Insurance provided by or through motorists service clubs 28 or associations. 29 (F) Insurance that is provided to the purchaser or holder of an 30 air transportation ticket and that: 31 (i) insures against death or nonfatal injury that occurs during 32 the flight to which the ticket relates; (ii) insures against personal injury or property damage that 33 occurs during travel to or from the airport in a common 34 35 carrier immediately before or after the flight; (iii) insures against baggage loss during the flight to which 36 37 the ticket relates; or 38 (iv) insures against a flight cancellation to which the ticket 39 relates. 40 (14) Refusing, because of the for-profit status of a hospital or 41 medical facility, to make payments otherwise required to be made 42 under a contract or policy of insurance for charges incurred by an 43 insured in such a for-profit hospital or other for-profit medical facility licensed by the Indiana department of health. 44 45 (15) Refusing to insure an individual, refusing to continue to issue

insurance to an individual, limiting the amount, extent, or kind of

1	coverage available to an individual, or charging an individual a

3	different rate for the same coverage, solely because of that
	individual's blindness or partial blindness, except where the
4	refusal, limitation, or rate differential is based on sound actuarial
5	principles or is related to actual or reasonably anticipated
6	experience.
7	(16) Committing or performing, with such frequency as to
8	indicate a general practice, unfair claim settlement practices (as
9	defined in section 4.5 of this chapter).
10	(17) Between policy renewal dates, unilaterally canceling an
