

PROPOSED AMENDMENT

SB 425 # 12

DIGEST

Wind power devices and commercial solar energy systems. Removes the exclusion of wind power devices and commercial solar energy systems from the bill's definition of an "electric generation facility". Specifies that the exclusion of wind power devices and commercial solar energy systems from the bill's definition of an "energy production zone" applies with respect to a premise of land on which one or more wind power devices or commercial solar energy systems were located on January 1, 2025, under the terms of a lease agreement.
