**Summary of Legislation:** This bill provides that a high school diploma (diploma) or credential issued by a non-accredited nonpublic secondary school that employs less than one employee is legally sufficient to demonstrate that the recipient of the diploma or credential has met the requirements to complete high school. It provides that a state or local agency or institution of higher education in Indiana may not reject or otherwise treat a person differently based solely on the source of a diploma or credential. It provides that a person who administers a non-accredited nonpublic secondary school has the authority to execute any document required by law, rule, regulation, or policy to provide certain evidence regarding a child's education.
