**FUNDS AFFECTED:**     **GENERAL**  
                              **DEDICATED**  
                              **FEDERAL**

**IMPACT:** Local

**Summary of Legislation:** This bill adds a provision that provides that the requirements of the Student and Parent Support Services Grant Program do not prevent a school corporation, charter school, or state accredited nonpublic school from providing school based treatment services or treatment services provided by an outside provider to address the comprehensive needs and well-being of a student.

**Effective Date:** July 1, 2021.

**Explanation of State Expenditures:**

**Explanation of State Revenues:**

**Explanation of Local Expenditures:** The fiscal impact will depend on local action. Currently, certain services for at-risk students can be funded by a grant from the Indiana Secured School Fund under the Student and Parent Support Services Grant Program.

Under this bill, a school corporation or charter school can provide additional services to address the needs and well-being of students. The school corporation or charter school would have to find an alternative source of funding for these additional services.
