DEDICATED
FEDERAL

IMPACT: State

Summary of Legislation: This bill allows a child care program that: (1) is operated by a public or private school; and (2) provides day care on the school premises for children of students or employees of schools in the school corporation in which the public or private school is located; to be exempted from licensure as a child care facility. It provides that: (1) a preschool program that is operated by a public or private school; and (2) either or both: (A) a child care program that is located in the public or private secondary school and provides child care for children of employees or students of the public or private secondary school; and (B) a latch key program; are exempt from licensure as child care facilities if located in the same public or private school building.

Effective Date: July 1, 2022.

Explanation of State Expenditures: The Family and Social Services Administration may have additional workload when inspecting school-based programs when more than one exemption applies. Any workload increase is expected to be minimal and within the existing appropriations, assuming near customary agency staffing and resource levels.
