Explanation of State Revenues:

Explanation of Local Expenditures: *Notifications:* This bill requires law enforcement officers to make certain notifications regarding an arrested individual during the intake process of a jail or detention facility. It also requires sheriffs to notify immigration officials of information reported to them by arresting agencies. This is likely to require adoption or modification of internal standard operating procedures. The bill's requirements constitute a workload increase, but any increase should be met within existing agency resources.

Explanation of Local Revenues:

State Agencies Affected: Law enforcement agencies.
