BILL NUMBER: SB 260

NOTE PREPARED: Feb 17, 2022
BILL AMENDED:

SUBJECT: Licensed Professionals Organ Donor Registration.

FIRST AUTHOR: Sen. Doriot
FIRST SPONSOR: Rep. Miller D

BILL STATUS: CR Adopted - 2nd House

FUNDS AFFECTED: X GENERAL
DEDICATED
FEDERAL

IMPACT: State

Summary of Legislation: This bill requires the Professional Licensing Agency (PLA) to develop and maintain a system that allows an individual who is applying for an initial license or certificate or the renewal of an existing license or certificate to become a donor of an anatomical gift.

Effective Date: July 1, 2022.

Explanation of State Expenditures: The PLA will experience a minor increase in workload in FY 2023 to amend license application and renewal forms and to facilitate data sharing with the nonprofit organization that administers Indiana's anatomical gift donor registry. These functions can likely be completed within existing staffing and resource levels with no additional appropriations.
